Wrestlers capture title in Ogilvie

By Kevin Simonson  
Correspondent

After missing the 34th-annual Ogilvie Lions Invitational in 2014 due to inclement weather, the GSL/LP wrestlers returned to the friendly confines of Ogilvie High School Jan. 3.

The Panthers dominated the tournament in 2012 and in 2013. The final results for 2015 showed an even greater domination by GSL/LP.

The 2015 version of the tournament featured eight teams; six were from Minnesota and two from Wisconsin. Gopher state teams involved, besides the Panthers, were Crosby-Ironton, Deer River, Columbia Heights, Minneapolis Edison and host Ogilvie. Unity and St. Croix Falls were the out-of-state participants. Out of the eight teams, the Panthers were the only team to fill all 14 weights.

GSL/LP emerged with nine individual champions and two second-place finishers. The Panthers also had a fourth-, a fifth- and a sixth-place finisher.

The first champion for GSL/LP came at 106 pounds, Tanner Chmielewski. He was in a four-man bracket and pinned two of his opponents and won the other match by technical fall. Chmielewski improved to 15-5 on the year and is currently on a 15-match win streak.

Winning his first-ever varsity title was Kole Polzin at 126. Polzin also was in a four-man bracket. He pinned all three of his opponents on his way to the title. He battled back from a 7-1 deficit in the

finals over the top-seeded wrestler from St. Croix Falls.

GSL/LP showed their dominance in the middle of the lineup by winning titles at 138, 145 and 152. Each wrestler was involved in a five-man bracket and had four matches.

Aaron Donnay won by fall over his first three opponents. In the finals, he faced a St. Croix Falls wrestler and scored a takedown in the first overtime to win 5-3. Donnay is now 17-5 on the season.

Brandon Richter remained perfect for the season by winning all four of his matches by fall. He was the recipient of a special award for most pins in the least amount of time. The senior is now 13-0 for the season.

Nate Tesch also finished 4-0 on the day and won the 152-pound title. Tesch pinned his first three opponents and won by technical fall in the finals. Tesch is 10-1 on the season. Tesch and Richter were in a personal battle for the most pins award in the least amount of time, and also for the fastest pin. Both wrestlers laid claim to that honor during the tournament, but in the end a Columbia Heights wrestler had an 11-second pin. Richter had one in 16 seconds and Tesch's best was 12 seconds.

Picking up his first-ever varsity title was sophomore Dalton Kosek at 160. Kosek was in a four-man bracket and recorded pins in his first and third matches. His middle match was against the top seed from Minneapolis Edison. In a back-and-forth match, Kosek came out on

GSL/LP competitors at Ogilvie included, front, from left, Dalton Kosek, Nick Brelje, Tristan Weber, Brandon Richter, Kole Polzin and Tanner Chmielewski; and, back: Aaron Donnay, Brandon Hernandez, Sergio Mireles, Peyton Sell, Tyler Hausladen, Cody Rae, Christopher Lemke and Nate Tesch.

top 13-11.

Nick Brelje had only one other wrestler in his bracket at 182. Brelje scored a fall in 1:25 to win the title. Brelje is now 14-5 for the season.

In the only eight-man bracket of the tournament, Tristan Weber was the number-one seed and lived up to his seed. Weber scored first-period falls in his first two matches before winning 7-0 in the finals over Tristan Berg of Ogilvie. Weber moved his record to 16-3 with the three wins.

The heavyweight bracket featured only three wrestlers. Christopher Lemke was declared the winner of the bracket as all three wrestlers went 1-1 on the day. Lemke lost a hard-fought first match 5-2. In his second match

fifth. Hausladen went 2-2 for the day and finished in fourth place while Rae went 0-3 and finished sixth.

The Panthers returned to dual meet action last night with a dual at New London-Spicer. Thursday they hit the road again for a triangular in Rogers with Buffalo. On Friday they participate in an individual tournament at Minnetonka.

**Final Standings:**

GSL/LP	171.0
Ogilvie	83.0
St. Croix Falls	70.0
Unity	69.0
Columbia Heights	66.0
Crosby-Ironton	65.5
Deer River	59.5

Panthers hold off Chargers 54-45

By Lori Copler

The Glencoe-Silver Lake girls' varsity cage team battled back and forth with Mayer Lutheran Monday night, but was able to come away with a 54-45 win at the end of the night.

"In a big section game, it was nice for GSL to walk away with the win," said Coach Zach Otto-Fisher. This was the Panthers' third win against section opponents, he said, with one loss so far this season.

While the Panthers had a bit of a struggle defensively against the Chargers, who brought an even 4-4 record into Monday's game, they were able to find the spark offensively to get the win.

"Mayer did a nice job of switching up their defense, but our patient players were able to adjust and be ready for them," said Otto-Fisher. "I thought Maddie Monahan did a great job at point guard for us and really took control of the game. It was an all-around great effort by the starters and the bench players. I felt the bench did a good job of getting some minutes and adding a few baskets of their own. We need more games like that — where the bench comes in and plays tough."

The Panthers also controlled the ball well, Otto-Fisher noted, with just nine turnovers, a trend that continued from the past couple of games.

"That is huge in tough battles," he said, "where we can protect the ball and not give them that many easy opportunities for easy buckets."

Along with controlling the ball on the floor, Zoe Christensen had a great night guarding the boards, pulling down 13 rebounds, as well as getting her hands up to block three Crusader shots.

The Panthers led by just one point at the half, 22-21, but notched up the offensive pace in the second frame by

outscored the Crusaders 32-24.

Along with dishing out five assists from her guard position, Maddie Monahan led in scoring with 21 points. Sister Mac Monahan also hit double digits with 11 points.

While the Monahans' contributions were significant, the points from the rest of the team helped carry the night

— Rachael Popp had five, Maddy Kalenberg, Christensen and Sam Voigt each had four, Keisha Prafka chipped in three and Molli Cacka added two.

Popp and Mac Monahan each contributed four assists.

The team made 23 of 55 shots from the field for 42 percent, and four for 11 from the charity stripe for 36 per-

cent.

The Panthers also behaved themselves, with just 13 fouls on the evening.

GSL hosted Sibley East Tuesday night, getting another look at a section opponent, and is off until next Tuesday, when the Panthers travel to Minnehaha Academy.

Boys win final tilt of tourney

By Lori Copler

The GSL Panthers boys' cage squad easily handled Prairie Seeds Academy Tuesday, Dec. 30, winning 87-50 for seventh place in the Tartan Holiday Tournament.

While Coach Robb DeCorsey had expressed frustration with his team's ball-handling skills in the first two bouts of the tournament, he felt they did better with the ball against Prairie Seeds.

While the Panthers gave up the ball too much in their first two games, they shared well in the final tilt.

"We had over 20 assists; we passed really well, we shared the ball well," said DeCorsey.

The other highlight of the tournament — Keaton Anderson was named to the all-tournament team.

The Panthers out-scored Prairie Seeds nearly two to one in each half of the Dec. 30 game with 42 points to their opponents' 42 in the first frame and 44 to 27 in the second.

Garrett Ober poured in 23 points (16 in the first half alone), while Mason Goettl contributed 18, including three treys.

Scott Landes chipped in 10; Teddy Petersen, eight; and Anderson, six.

Ober also paced the Panthers in rebounds, with eight of the team's 32, while Jon Richer and Mason Ahlbrecht had five each.

And the Panthers did share the ball well, with Petersen and Anderson dishing out four assists each, while Goettl and Ahlbrecht each had three.

The Panthers got back into their regular season at Hutchinson Tuesday, and will host New London-Spicer (3-6) Friday night, before traveling to Litchfield Tuesday, Jan. 13.

# Silver Lake City Council swears in new members

By Jessica Grams  
Staff Writer

Monday night's Silver Lake City Council meeting began with the swearing in of new Council Members Ken Merrill and Josh Mason, as well as Mayor Bruce Bebo.

The Council also approved the appointment of Council liaisons to the various department heads, such as public works, city administration, public safety, municipal liquor dispensary, community development and planning commission. This meeting not only introduced the council members, but also gave an overview of each of the liaison's roles and duties.

There was an extensive discussion discussing the role of a council member as well as a liaison to the department heads of the city's services. City Clerk Kerry Venier explained that as supervisors for the departments heads, there is not authority to give actual

direction directly to them, but to bring potential changes to the Council which then, as a governing body, can make direct requests of each of the department heads. A liaison should be communicating with the department heads any concerns or issues that have been brought to light.

Mayor Bruce Bebo added that as they work towards their quarterly meetings in April, July and October, there should be tangible goals coming from each of the council members. These will be goals for each of their respective departments, and can be big or small. He stressed that their job as council members is to present goals, and also give a projected budget and funding source for each project. Bebo also stressed that a good council doesn't always agree on everything, and that some differences in opinion are vital to progressive discussion.

Venier also opened discussion regarding the open meeting concept for the benefit of all council members. By this policy, any time three or more members are discussing city council matters, there is a quorum, and those meetings must be posted and open to the public. This extends into phone calls and e-mails as well. If a council member wanted to reach out to the entire Council, he is to e-mail the city clerk, who will then deem its legality and will either pass on the information to the Council or, more often, add it to the agenda for the next meeting.

Before the meeting adjourned, Knights of Columbus member Ray Bandas stood up to give an overview of what was again a very successful paper drive. This year, the Knights of Columbus collected 24.03 tons of paper and cardboard products to be recycled. Bandas explained that

the funds raised were split between the Knights of Columbus, the city of Silver Lake and McLeod County. He then

presented a check for \$350 for the city of Silver Lake. One-third of the funds were allocated for the fire depart-

ment, one-third for the ambulance, and one-third for the city to offset costs for Winterfest.

## Weather Corner

By Jake Yurek

The coldest of the air will get pushed back to our north as we head into the weekend, so we have that going for us!

The Canadian express of cold air was well in play from late Saturday through early this week as highs struggle to hit 0. We will have a couple reinforcing bouts of cold air slide by throughout the week, but a warming trend will win out for the weekend. Don't get too excited, though, highs will still only make it into the teens, but it'll feel much better. Some models are hinting at a run into the 20s Sunday but I'm a bit skeptical about that.

The only snow producer we have to worry about this week will come in early Thursday, but it will be a clipper-type system so only minor accumulations should be expected.

The overall pattern is changing, allowing more of a west-to-east flow to set up, which is the reason for the gradual warm-up. The long-range forecast keeps this in place through next week with no real chance of snow as far as I can see (my forecast model looks out as far as Jan. 14). Having said that, this is the weather we're talking about, so it's subject to, and probably will, change.

Have a great chilly January week, all; bundle up!

Ma dobry weekendem

Mit dobry vikend

Wednesday night — Lows -15 to -8; partly cloudy.

Thursday — Highs 12 to 19, lows -9 to -3; partly cloudy/early snow showers.

Friday — Highs 1 to 8, lows -8 to -2; mostly clear.

Saturday — Highs 7 to 14, lows -6 to 0; partly cloudy.

Sunday — Highs 9 to 16; mostly clear.

Weather Quiz: How does a lake's ice sheet melt come spring?

Answer to last week's question (How does ice on a lake form and get thicker?): The water on a lake freezes from the perimeter to the center (shallower equals easier to freeze). The temperature of the entire column of water in a lake must hit 40 degrees before freezing begins (also a reason why shallow water by shore freezes first). Once it is completely frozen over, it will continue to freeze and add thickness until temperatures warm above freezing.

Remember: I make the forecast, not the weather!

## Holy Family Church announces poster winners

The religious education students in first through sixth grade at Holy Family Catholic Church in Silver Lake participated in the "Put Christ Back Into Christmas" poster contest,

which was sponsored by the Mother Cabrini Council #1841 Knights of Columbus (KCs). The posters were judged at the annual KC Christmas party on Dec. 16. Grand Knight Paul

Davis and Knight Darrell Kaczmarek stopped by the religious education classes on Dec. 17 to announce the winners, pass out goodie bags, and return the posters to the students so their fam-

ilies could enjoy them for Christmas.

The winners and their posters are pictured below (photos courtesy of Holy Family Church):

### First grade

Noah McKee, first; Cael Heimerl, second; and Evan Motzko, third.

### Second grade

Jason Maire, first; Olivia Wanous, second; and Landon Stifter, third.

### Third grade

Aaron Gnerer, first; Blake Hahn, second; and Braylon Loeschen and Josh Fiecke, third.

### Fourth grade

Sawyer Ardolf, first; Anna Lacy, second; and Gavin Popp, third.

### Fifth grade

Max Davis, first; Jacob Baumgarten, second; and Riley Butcher, third.

### Sixth grade

Brittin Posusta, first; Gaige Webb, second; and Keara Baumgarten, third.

## Bloodmobile coming to Silver Lake Jan. 14

The Red Cross will have a blood drive at the Silver Lake American Legion on Wednesday, Jan. 14, from 1 p.m. to 7 p.m.

Volunteers will be calling donors to set up appointments. Anyone who has not been contacted is asked to call Margaret at 320-327-2249.

Donating blood is one of the simplest things you can do to help save a patient's life. All blood types are needed to ensure a reliable supply for patients.

A donor's card or driver's license, or two other forms of identification, are needed at check-in.

Individuals who are 17

years of age and older (16 with parental permission), weigh at least 110 pounds, and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age or younger also have to meet certain height and weight requirements.

Blood donors are American

Red Cross heroes. They don't wear capes or special suits. Their badge of honor is the band aid that shows they gave the gift of life. Be a hometown hero and answer the call of patients in need by donating blood.

## Exciting gossip from Koniska

Many small settlements like Koniska, Bear Creek, St. George, Sumter, Biscay and others, seemed to have a local gossip correspondent who somehow gathered and relayed information to the Glencoe Enterprise each week (no rural telephones or RFD).

I think a lady who lived 30 feet away from the Koniska creamery talked to farmers who brought milk to the creamery each day. The Glencoe daily cream delivery man then dropped the gossip notes off at the Enterprise. Gossip copies can be found on Glencoe Enterprise microfilm at the Glencoe Library. I will mention just a few.

1900: Frank Krasja took a job grubbing stumps. The rabbits are quite numerous this year. The dance at Joe Dvoraks was well attended. Miss Fanny Cacka married John Bednar. Frank Ziek is a proud father. Feather stripping bees are all the rage now. Frank Penas will get married soon. Joe Skorplik and Frank Cerny made 15 cords of wood for Frank Tupa.

1901: A Catholic Workman dance was held in Silver Lake. Joe Sablick is digging skunks out of Frank Skorplik's wood pile. Frank Skorpiks visited at Joe Mraz's. Miss Emma Mraz, age 16, passed away. The Koniska Bachelors Mutual Protective Association was organized. John Kucera's barn was blown four feet off its foundation by the wind. Quail are plentiful around here for hunting. A bed chamber set will be awarded to the first couple to marry publicly at the fair. Corn husking is nearly complete; now prepare your stoves! Frank Havlik and Joe Boushka shot rabbits

weighing 25 and 26 pounds. C.N. Zierke passed through Koniska with his threshing rig. The Hunting Club riddled the air with holes; no game was hurt.

1902: A party was held at Polifkas; fun was had by all. The West Hotel in Biscay is now open at \$1 per day. Tony Danek and Joe Polifka will have an auction. Seeding is in full blast. C. Bednar traded a horse for a bull from K. Korbel. Miss Mary Kostecka, age 19, passed away. Henry Danek was injured in a horse seeder run-away. Miss Katherine Portele, age 15, passed away. John Splichal, age 23, was seen riding his bicycle through Koniska the other day; maybe to see Miss Anna Bartosh? F. Kolar's dance was well attended. Anton Cacka has purchased 680 acres near Odessa, Wash. F. Molva purchased 40 acres for \$2,400. Frank Cacka had a run-away; broken buggy; sore hip. Stump-puller crews are busy in the area. Bill Streachek has blood poisoning from a blister on his toe. Everyone enjoyed the dance at J. Cacka's. Louis Bednar was standing too close to a fire when it exploded; it burned off his moustache. John Skucius, age 28, died of pneumonia. Mary Ondrachek is on the sick list. Joe Mareh was a Biscay caller on Monday. Joe Bednar had a run-away; it broke the pole. The Saturday night dance was well attended. F. Brychta purchased a new binder.

1904: District 6 School picnic was held in Osmek's pasture. John Bednar's buggy broke and caused a run-away. Frank Cacka Jr. blew off parts of his fingers while dynamiting. John Picha had a raffle dance last Saturday night. Bids were received for

a new 90-foot bridge across the Crow River at Koniska. A boxing match between two locals was stopped after blood was found on the ground. Grubbers worked at John Bednar's last week. A stump-pulling bee will be held at Anton Cacka's on Saturday. Suckers are quite plentiful in the river right now. Last week's raffle dance was quite successful. A baseball team was formed in Dvorak's pasture. Miss Annie Popelka married Charles Vacek. John Chastek and friend caught 400 sunfish on Lake "Em." Local markets: corn at 40 cents/bushel, wheat at 88 cents/bushel, old roosters are 3 cents/pound, ducks at 5 cents/pound, butterfat at 17 cents/pound. Carrie Cacka is assisting John Bednar in killing wild oats. Mrs. Lhotka was thrown from her buggy when it hit a tree during a run-away. Louie Masgi sold his farm to Charles Zajicek for \$61.50 per acre. J. Nemec bought an 80-acre farm for \$5,400. Thirty-one huskers husked 14 boxes of corn at Bill Steachek's last Saturday. A large number attended Mass at the Bear Creek Church on Wednesday in observance of All Saints and All Souls day. Farmers on the Glencoe/Silver Lake telephone line received their telephones. Frank Brychta arrived back from Mandan, N.D., last week where he purchased 160 acres for \$11 an acre. Frank Ellis is working at Charley Pulkrabek's Brewery in Appleton, Minn. A massive tornado blew Joe Pulkrabek's barn down; there is wreckage all over. A collection at St. Joseph's Church for Joe and his nine children netted \$36.

The pupils of four more McLeod County schools have had their regular inspection by the Nurse. The schools were Silver Lake Public, Dist. 18-Plato, Lester Prairie Public and St. Joseph's School of Silver Lake. Meetings attended by the nurse at which she gave talks included from the Sumter and Silver Lake Farm Bureau December meetings and the McLeod County Rural Teachers Institute which was held on the 7th and 8th. At the latter the nurse spoke of the environment of the school. The nurse wished each and every one of you who have helped and co-operated so splendidly with the nursing service in 1939, a very happy and prosperous New Year.

DO NOT SPEAR at the areas where the airlines are pumping, as spears are damaging the air hose. It takes time and money to keep these going and the Sportsmen's Club urges your cooperation. By the way, keep away from those areas. Several people have already fallen into the lakes through the thin ice. It's mighty dangerous; let's avoid a serious tragedy on our lakes.

# Pastor's Corner

## The futility of wealth

I recently came across a very telling anecdote about the futility of wealth, nicely retold by the author Dan Solis in his book Discipleship. The story is told of two Klondike miners who ignore warnings to leave their cabin before winter sets in, or to at least restock their food supplies, but in their lust for wealth the miners continue to heap up piles of gold, until a blizzard sets in and traps them in their little cabin. They are found frozen to death the next Spring, amid piles of gold, a potent reminder that we can't eat gold, or heat our house with it either. We chase after money as if it will provide us with security, forgetting that ultimately no amount of money will stave off death. It may provide a modicum of safety and security while we are here, allowing us to buy a home and to eat well and provide for our families, but that is about as far as it goes. It won't ultimately buy us happiness, or a place in heaven, or the love that all of us so desperately want and need. So keep your finances in perspective. Money is a means to an end, a tool to buy the necessities (and sometimes the luxuries) of life and not an end in itself.

*"Wisdom is a shelter as money is a shelter, but the advantage of knowledge is this: that wisdom preserves the life of its possessor."* — 1 John 4:8

Farm Bill decisions, meetings

Landowners need to be involved in 2014 Farm Bill decisions for their farms.

In fact, two of the three farm bill decisions required must be made by landowners, rather than tenants. By Feb. 27, landowners must make key decisions about updating payment yields and re-allocation of base acres. Current producers must choose between the price loss coverage (PLC) and agricultural risk coverage (ARC) programs by March 31, 2015. Landowners should be involved in all three decisions, though, since these choices can affect land values and future rental rates.

Landowners have two choices regarding their farms' payment yields. They can either update payment yields to 90 percent of average yields from 2008 to 2012, or keep current payment yields. Yields can be updated on a crop-by-crop basis. This decision is simple: landowners should select the highest yield for each program crop. For most farms, updating the payment yield will be the best choice.

Current payment yields either reflect average yields from 1998-2001 or from 1981-1985. Yields have increased significantly since both of those time periods. Payment yields will not be updated if the landowner does nothing. The biggest challenge for landowners will be getting written evidence that documents the yields for 2008 to 2012.

Landowners again have two choices regarding base acre re-allocation. They can either reallocate base acres based on program crops planted from 2009 to 2012, or retain current base acre allocation. Total base acres cannot be increased; existing

base acres can only be re-allocated. Re-allocated acres are based on plantings from 2009 to 2012, versus the current base acres, which reflect plantings from either 1998-2001 or from 1981-1985.

The decision to re-allocate base acres is not as straightforward as the decision to update yields. Landowners may want to consult with their renters before deciding whether to re-allocate acres. To minimize risk, a landowner/producer may want to allocate base acres to match as closely as possible to what is typically planted on the farm. This will result in payments more closely corresponding to price and yield changes for the crops currently being produced.

The PLC/ARC decision is made by the current producer as of the date of signing up for the program. A producer is anyone with a share in the crop and who shares in the risk of producing it. Under cash rental arrangements, the renter will make this decision rather than the landowner. Landowners are considered producers in share rental arrangements, though. Once the election is made, the PLC-or-ARC choice stays with the farm until 2018, even if the tenant changes.

The PLC and ARC programs are designed to protect producers against different types of risk. PLC provides a payment to the producer if prices are below a pre-deter-

mined reference price; it helps producers mitigate the impact of low prices. ARC provides a payment if the current year's revenue, price multiplied by yield, is lower than the revenue during the previous five years; it is capped at 10 percent of the previous five-year average. It helps producers manage shallow revenue losses resulting from declining prices or yields.

Detailed fact sheets are available on each of these topics at <http://z.umn.edu/croplandbill>. National online decision aid tools help analyze these decisions in more depth and run various price scenarios. They are at <http://fsa.usapas.com>.

There are upcoming educational opportunities designed for landowners and farmers to help understand the 2014 Farm Bill. These educational sessions are presented by the University of Minnesota Extension and the USDA Farm Service Agency.

The McLeod, Sibley and Renville counties' meetings have already been held. Meeker County: Litchfield Eagles Club, Wednesday, January 14, 1 p.m. to 3:30 p.m.

Contact the Meeker County Extension Office at 320-693-5275 for further details. An extensive list of sessions can be found at the following link: <http://z.umn.edu/arcplmeetings>.

Lakeview Ranch becomes nonprofit

As founder and Chief Executive Officer Judy Berry retires from Lakeview Ranch, Dassel, the dementia care community will now transition to operate as a nonprofit.

The nonprofit under which Lakeview Ranch operates is known as the Vacker Place. 'Vacker' is Swedish for 'beautiful.' Members from the community will serve as board of directors to determine its future direction.

In addition to maintaining its high staff-to-resident ratio, Lakeview Ranch will commit to the model of care used since its inception. That model focuses on unique and individualized care for people with dementia with specialized services for managing challenging and aggressive behavior.

There are two care homes located in Darwin and Dassel

that can serve a combined 32 residents. Both locations offer family and community rooms, secure outdoor areas as well as a variety of activities to meet the physical, emotional and spiritual needs of residents, including art, music and animal assisted therapy.

Supporting the mission is Michelle Olson, administrator, and Susan Marco, community liaison. Both were hired this past summer to support the impending transi-

tions. "Where we are today is a wonderful place, and I do feel that the future of Lakeview Ranch is very bright," said Olson. The team is excited to build stronger relationships and reinvigorate its place in the community, including hiring 75 people from the area.

To learn more about Lakeview Ranch, visit [www.lakeviewranch.com](http://www.lakeviewranch.com) or contact Michelle Olson, administrator, at 320-275-4611.
