The Glencoe-Silver Lake boys' cross country team produced a historic performance Thursday at the Wright County Conference, West Division championships in Glencoe. All seven participants earned all-

conference honors by placing in the top nine. To top it off, GSL's top five were perfect, placing one through five, as the team posted an absurd 15 points. Pictured from left to right are: Head Coach Jeff Del-

wiche, Jac Chelman (1st), Garret Ardolf (5th), Garrett Ober (8th), Brandon Richter (3rd), Austin Schroeffer (4th), Isiah Herout (2nd) and Michael Schaefer (9th).

## Panther boys are perfect at WCC championships

By Josh Randt

School history may very well have been made Thursday at the Wright County Conference cross country championships in Glencoe, when the Panther boys had a perfect finish – placing its top five runners in the top five spots.

What's even more impressive, all of Glencoe-Silver Lake's seven boys' participants

earned all-conference by placing inside the top nine, as GSL took the West Division of the WCC with 15 team points.

"That just doesn't happen," said boys' Head Coach Jeff Delwiche. "Doing it at home in front of your home crowd. It's your course, and a nice day – it doesn't get any better than that."

As far as he could recollect, no team in the history of GSL's

cross country program – girls or boys – has ever taken all five of the top spots at a conference meet.

Jac Chelman claimed first place and the title of conference champion after laying back in second place behind Isiah Herout for most of the race. About halfway through, Chelman turned it on and never looked back, despite forgetting to wear his running spikes, and

finished in 16:25, with Herout on his heels at 16:41.

Brandon Richter was 10 seconds behind Herout in third with 16:51, battling it out with sophomore Austin Schroeffer, whose time of 16:53 earned him fourth.

Garret Ardolf rounded out that record-setting top five with 16:54, securing their names in the school's history books.

The secret, according to Del-

wiche and his runners, is the chemistry between them.

"We've bonded as a team. We're finally close," Chelman said of what's led to the team's success this year. "None of us ever thought we'd be like this."

"We had our goals set last year in track, that we're going to try and win state in cross country," Ardolf said. "And now it's becoming a reality."

Almost every runner had

their best race of the season at the championships, including Garrett Ober, who had only participated in two events previously due to an injury.

At Glencoe, Ober finished eighth, but nearly went under 17 minutes with his time of 17:01, which was only four seconds better than his fellow

Panther defenders Teddy Petersen (9) and Mason Goettl brought down Charger halfback Nate Nelson numerous times Friday evening, as the GSL defense came up big in a 29-20 route of Dassel-Cokato.

## Passing a tough test

By Josh Randt  
 Sports Editor

Only one game remains after the Panther football team continued to build on its character Friday night, improving to 4-3 after beating the Dassel-Cokato Chargers 29-20, despite trailing 14-0 in the second quarter.

Last year, Glencoe-Silver Lake beat up on a young DC team in a 49-19 routing that closed out the regular season.

But Friday in Cokato, it became apparent early on that the 2014 Chargers had improved, and Head Coach Scott Tschimperle said it was a "game that was going to define what kind of team we have," with the playoffs soon approaching.

"They're (the Chargers) a good football team. They're always sound defensively, and we wanted to see where we're at," Tschimperle said. "We liked what we saw, but there are still some things we've got to fix. There are a lot of little things that, in the long run, could mean the difference between a touchdown and a five-yard loss."

Defensively, GSL was rather sound, as it held DC under 200 yards of offense with 196, despite the early scores in the first half of the game. Pressure up front from Zach Jungclaus and Jacob Popelka forced DC quarterback Mitch Fiecke to scramble and tipped his passes, before Mason Goettl sealed the victory with a fourth-quarter interception.

"That meant everything to me," Goettl said. "I've been playing for two years, haven't gotten one yet. I've been waiting and waiting, and it finally came, and it couldn't have been at a more perfect time."

The Panther offense took a quarter to get operational, and blundered on its opening drive as Bennett Bielke fumbled on third and seven after catching a seven-yard pass from Keaton Anderson. Instead of a first down, DC's Matthew Dahlseng returned the ball to the GSL 30-yard line, putting the Charger offense in prime position just a

## Rusten and Davis win true second; on to state tourney

By Josh Randt  
 Sports Editor

For the first time since Kelly Arnold and Kayla Boesche did it in 2012, Glencoe-Silver Lake tennis has a doubles team in the state tournament, after seniors Piper Davis and Rachel Rusten ran through the competition in Section 5A.

It began Thursday in Glencoe, as they earned the No. 2 seed despite playing only once together as a tandem all season. That outing resulted in a first-place performance at the Brainerd invitational, and the girls didn't disappoint Thursday, defeating Belgrade-Brooten-Elrosa's Katie Boie and Sierra Wohlman without dropping a set, 6-0 and 6-0.

Providence Academy's Eveline Kennedy and Grace Cummins got on the board against the Panthers, but still lost 6-3 and 6-2 as Davis and Rusten moved on to Monday at St. John's University.

The two ran into conference foes Lisa Neumann and Casey Mikel from Annandale at St. Johns, and bested the Cardinals 6-2 and 6-1 before Litchfield's Kalley Spreiter and Kennedy Sommerfield secured their place at state by way of a 6-4 first set and a 6-1 second set.

Since Neumann and Mikel then lost to Katie and Libby Moakley from Holy Family Catholic, a true-second place match ensued between the Panthers and the Moakley sisters.

Davis and Rusten dropped the first set, but bounced back and claimed the next two 6-2 and 6-3, punching their ticket to state, which was a preseason goal.

Entering into Monday, Davis said they just need to "come ready to go, confident and relaxed." She also kept with the team motto and said, "We need to be one ball better."

Thursday in Glencoe, they both divulged their four steps – or phrases – of success.

"Breathe," Rusten said. "Keep it in," Davis followed. "Don't feed the animal," Rusten quipped. "Solid," Davis closed. It's a mantra the two started between points back at Brainerd, and seems to be working. It'll be tested once again against the state's best rackets in Class A, starting at

Piper Davis (left) and Rachel Rusten began their journey to the Class A state tennis tournament Thursday in Glencoe, where the action is from. The duo cruised

through their first two opponents, and then won a true-second place match on Monday to make it to state, which starts Oct. 23 at the Reed-Sweatt tennis center.

10 a.m. on Thursday, Oct. 23, at the Reed-Sweatt Family Tennis Center in Minneapolis.

While Rusten and Davis have advanced to state, no other Panthers made it out of their first bracket Thursday in Glencoe.

Ashlyn Ratike and Emily VonBerge faced some tough seedings, as they were marked No. 16 and No. 15.

Ratike drew the section's best singles player, Holy Family Catholic's Danielle Gannon, who bested Ratike 6-0 in both sets.

VonBerge drew another competitor from Holy Family in No. 2 seed Grace Sperr. Though, VonBerge managed to claim at least one set in the second, but still fell 6-0 and 6-1.

Ellie Lepel and Callie

Raduenz also navigated the doubles' bracket as the No. 5 seed, and had what seemed to be a favorable match up on paper against No. 12 seeded Samantha Russel and Cameron Neeson from Providence Academy.

But that notion quickly faded, as Lepel and Raduenz lost the first set 7-6, and eventually fell 6-4, ending their run.

The Lady Panthers  
are properly peaking

By Josh Randt  
Sports Editor

With Thursday’s three-set triumph against fellow member of the Wright County Conference’s West Division Mound Westonka, Glencoe-Silver Lake’s volleyball team is on a four-game win streak heading into the Rochester Exchange Club’s fall invitational.

The Lady Panthers have polished themselves over the second half of the season, and it showed Thursday night in Glencoe, taking set one 25-17 before drubbing the White Hawks 25-12 in the following frame. GSL closed out the game with a 25-15 third set.

The Panther defense once again displayed the type of performance that has yielded a 17-8 record, and the possibility of securing a fourth seed in the north subsection of Section

2AA, as diving bodies masterfully collected the ball and transitioned into offense.

Lexi Kerslake, Taylor Novak, Cortney Konen and Emily Muetzel each finished the contest with double-digit digs, as GSL compiled 68 on the evening.

Konen’s 18 led the team, with Novak trailing by only four at 14. Muetzel finished with 12, while Kerslake hit 10.

When GSL got the ball, setter Layne Hermann distributed it nicely with 22 set assists, while Konen hit five aces on 12 service attempts.

A strong defensive presence at the net has developed as well, with the Panthers racking up 15 blocks in the past two games, despite not possessing a player listed at 5’10” or taller.

“Murf (Head Coach Lori Schwirtz) has been having us

do a lot of plyos (plyometric workouts) before practice so we’re getting more in shape, and our verticals are higher,” Kerslake reasoned as to why the Lady Panthers have had greater success at the net. “We like working hard for Murf, and we’ll do what it takes.”

The last time GSL fell was Sept. 25, when it suffered a 3-1 loss to the New London-Spicer Wildcats, who are currently ranked 16th in Class AA. Previous to that, Sibley East was the only team to truly have GSL’s number, as it defeated the Panthers in seven out of nine sets in a five-day span back in September.

If the Lady Panthers continue to play well and win their regular-season finale at Litchfield on Oct. 21, a rematch with the Holy Family Catholic Fire may take place in the opening round

Chronicle photo by Josh Randt

Cortney Konen and the Lady Panthers’ defense has been outstanding as of late, leading to a streak of four straight wins. Action is from Thursday’s sweep of the Mound Westonka White Hawks, where GSL won 25-17, 25-12 and 25-15.

of the playoffs.

Currently, GSL is in fourth place in Section 2AA, with Holy Family one spot down.

The Fire took all three sets – 25-20, 25-23 and 25-16 – back on Sept. 9 in Glencoe.

teammate Michael Schaefer, who placed ninth with 17:05 as the team’s final set of legs.

The key to those times were an aggressive and fast start, which the Panthers said they needed to experience with state on the horizon.

“It’s nice, because state’s going to be like this,” Richter said. “For the first mile everybody goes out really fast, so we had to get used to it.”

The team’s final regular-season meet was at Watertown-Mayer on Tuesday, Oct. 14. GSL now prepares for the Section 5A championship at Milaca on Oct. 23, where their nemesis, the Mora Mustangs, await.

Luckily, Delwiche said it’s mostly maintenance from here on out, and keeping the kids relaxed and healthy.

“I don’t think they have anything to work on other than relaxing,” said Delwiche. “I’m seeing them get a little tighter as these races get more important. They just need to keep having fun and stay relaxed ... Their training is right on time.”

Girls

With the toughest runners in

the Wright County Conference’s West Division present Thursday, the Panther girls’ cross country team managed fifth place out of sixth teams, but eighth-grader Annamaria Falcon took home honorable mention honors with her 14th-place time of 16:40.

While GSL accrued 121 team points, Falcon’s finish gave Head Coach Jann Savre and the rest of the team something to be proud of at the tail end of a tough season.

Annandale took home the conference championship with 22 team points, placing its top five runners in the top 10.

Gia Venier just missed the cut for honorable mention in 19th place with a time of 17:08, and four out of five scoring runners improved their times by over a minute from the last time they raced the course at GSL about a month ago. The production at the conference championships has Savre’s runners ready for the Section 5A meet at Milaca on Thursday, Oct. 23.

“The girls felt good about their race,” Savre said, “which gives them a bit more confidence leading into sections.”

minute and a half into the game.

On the fourth offensive play of their second series, Fiecke hit a wide open David Raisanen on a play-action pass for a 37-yard touchdown from an illegal formation the referees never called. The result was a six-point lead after the extra point sailed west of the goal posts.

Things didn’t go any smoother on GSL’s second offensive drive, which produced only two yards before Tanner Grack shanked a 25-yard punt that started the Chargers at the Panther 41. It took only eight plays before Nate Nelson punched it in from five yards out for a 14-0 lead just minutes into the second quarter.

But the Panthers roused to life late in the first half when Anderson scored untouched from 26 yards out on a midline option.

With the Chargers on their heels, Anderson pulled the ball from fullback Tyler Chap and broke through the line to find no one lurking in the Charger backfield, as the Panthers trailed 14-7 with 4:17 remaining in the second quarter.

It only took one play for GSL to cut the lead to 14-13 once it got the ball back, as Anderson completed a dart to Bielke on an option pass from the shotgun while rolling to his left. After the completion, the shifty senior cut inside only to turn it back outside, somehow eluding six defenders before trotting down the Panther sideline for a 49-yard score.

“I was a little too excited right away to make a play and get that first down,” Bielke admitted. “It just came back to the basics on that touchdown – catching and locking the ball away, and then making the play from there.”

The momentum shifted completely in the third quarter when the Panther defense answered its head coach’s halftime challenge.

“We told them we’re going to get a four and out to start the second half,” Tschimperle recalled. “Then we’re going to

After forcing a four and out, GSL put together a 12-play drive that covered 58 yards, and resulted in a two-yard touchdown run up the middle by Anderson to go up 21-14, as DC left the inside gaps unmanned.

The Chargers matched with their own 11-play drive, however, in the fourth quarter, but still trailed 21-20 after Nelson scored from five yards out.

That’s when GSL’s offense put together a typical Panther drive, going from its own 36 down to the DC 19 in 12 plays, converting some key fourth downs with more sneaks by Anderson, before the quarterback helped seal the game with a 19-yard option run from the shotgun. Teddy Petersen put the nail

in the coffin on the two point conversion, scoring on a jet sweep also from the shotgun for a 29-20 lead.

Fiecke was intercepted by Goettl on fourth and nine at the GSL 35 with 1:10 remaining on the ensuing drive, prompting the victory formation from the Panthers.

GSL closes the chapter on the regular season tonight (Wednesday) when the Annandale Cardinals come to Glencoe for a 7 p.m., Wright County Conference finale.

A win tonight, and the Panthers should lock up the No. 2 seed in Section 2AAA and receive a first-round bye. That would pit GSL against the No. 3 or No. 6 seed, on Saturday, Oct. 25 in Glencoe.

## Getting out of God's way

*"For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." — Ephesians 2:10*

The late writer Flannery O'Connor kept a devotional journal when she was in her twenties and a student at the Iowa Writers' Workshop. It has recently been published under the title A Prayer Journal. O'Connor was a fervent Catholic and her journal is filled with interesting reflections on spirituality, as well as writing, which she saw as a way to express her spirituality and hopefully lead others to God. She laments early on that "I do not know you God because I am in the way. Please help me to push myself aside." Throughout the journal we witness an earnest young woman struggling heroically to be more pious, and striving to get out of God's way, i.e., how to get rid of the ego and let God fill up the space. Her simultaneous struggle to destroy the ego while seeking literary fame is sometimes the focus of her reflections, as when she says "Don't let me ever think, dear God, that I was anything but the instrument for Your story, just like the typewriter was mine." God desires to work through all of us, through our words and our deeds, if we can only get our egos out of His way.

Such assessment shall be payable in equal annual installments, including principal and interest, extending over a period of 15 years, the first of the installments to be payable on or before the first Monday in January 2015, and will bear interest at a rate of 5.00 percent per annum from the date of the adoption of this assessment resolution. To the first installment shall be added interest on the entire assessment from the date of this resolution until December 31, 2015. To each subsequent installment when due shall be added interest for one year on all unpaid installments. The owner of any property so assessed may, at any time prior to certification of the assessment to the County Auditor-Treasurer, pay the whole of the assessment on such property, with interest accrued to the date of payment, to the Glencoe City Administrator except that no interest shall be charged if the entire assessment is paid within 30 days from the adoption of this resolution; and he may, at any time thereafter, pay to the County Auditor-Treasurer, the entire amount of the assessment remaining unpaid, with interest accrued to December 31 of the year in which such payment is made. Such payment must be made before November 15 or interest will be charged through December 31 of the succeeding year. Bids were opened on September 4<sup>th</sup> at 10:00 a.m. for the demolition of the Economart building. Nine bids were received with the low bid by A.M.E. North Inc. (All Metro Excavating, Inc.) in the amount of \$71,000. The low bid was reviewed and it was recommended to award the project to the lowest bidder – All Metro Excavating Inc. The DEED Demolition loan from the State of Minnesota will pay for the demolition.

Councilor Dietz motioned to award the demolition of the Economart building to the low bidder – All Metro Excavating Inc. Councilor Ziemer seconded the motion with all members voting in favor.

Public Works Director Schreifels presented quotes for installation of a chain link fence on the top to the digester wall. A fence is needed for fall protection as the cover replacement is too costly.

Councilor Adamietz motioned to approve the low bid of Stormy Landscape and Fence of St. Cloud, Minnesota to construct a fence on top of the digester wall at the WWTP. Councilor Perschau seconded the motion. All members voted in favor.

Public Works Director Schreifels presented the cost estimate for brine reuse system at the WTP of \$44,000. Brine will be used for ice melt in the winter and dust control in the summer months.

Discussion led to Councilor Adamietz motioning to move forward with the project authorizing the Public Works Director to obtain quotes for the implementation of the project by the next council meeting. Councilor Ziemer seconded the motion with all members voting in favor.

The Glencoe Lions Club requested of the Glencoe City Council to pass a resolution allowing an additional gaming site within the City of Glencoe. It is the Club's intent to initiate and maintain the sale of pull tabs at Main Street Sports Bar, 1226 Greeley Avenue North.

Councilor Schrupp motioned approval with the following resolution:

RESOLUTION NO. (2014-36) RESOLUTION ALLOWING GLENCOE LIONS CLUB ADDITIONAL GAMING SITE AT MAIN STREET SPORTS BAR AND RENEWAL IN DUBB'S GRILL & BAR, PLA-MOR BALLROOM AND GLENCOE COUNTRY CLUB WHEREAS, MSA 349.213, states that the local municipality must approve the premises permit of a charitable gambling organization's renewal of said permit by the State Board; and,

WHEREAS, the Glencoe Lion's Club has requested said approval of a premises permit of the Glencoe City Council for Dubb's Grill & Bar, Pla-Mor Ballroom, Glencoe Country Club and the additional site of Main Street Sports Bar.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GLENCOE, MINNESOTA;

That the premises permit of the Glencoe Lion's Club is hereby approved with an effective date of September 15, 2014.

That said permit shall be for a two (2) year period of time.

Councilor Dietz seconded the motion and upon a roll call vote all members voted in favor. Whereupon said resolution was adopted and approved.

Sump pump connection language was added. Discussion led to second reading tabled for language clarification and change of sump pump connection in Section 529.0008.

Councilor Adamietz then motioned to set the public hearing for Ordinance 585 regarding construction site and post construction stormwater management for October 20<sup>th</sup> at 7:30 p.m. Councilor Perschau seconded the motion. All members voted in favor.

The city administration and the EDC recommended donating the lone house in the Creekside subdivision to McLeod County Habitat for Humanity. It is to be moved to another location in the spring of 2015. Creekside will be platted as industrial.

They would also like the city to continue to heat the house this winter with the expense to be reimbursed by Habitat for Humanity. City Attorney Jody Winters will work with administration on the donation paperwork.

Councilor Adamietz motioned for the City of Glencoe to donate the house in the Creekside subdivision to McLeod County Habitat for Humanity and to continue to heat through the winter with Habitat for Humanity reimbursing the City for the expense of heating the home. Councilor Schrupp seconded the motion. All

members voted in favor.

The Finance Committee met this past week to discuss further the 17<sup>th</sup> Street West driveway claims. After extensive review and discussion it was determined that no damage occurred due to Contractor operations. The Committee recommended denying driveway replacement.

Council further discussed and Councilor Schrupp motioned to replace two panels of the Schutz driveway not to exceed \$1,500. Contractor to bill the city directly. Councilor Perschau seconded the motion. All members voted in favor.

Ryan Voss, property owner of 921 to 929 12<sup>th</sup> Street East requested he remove the debris and create drainage swale behind the properties. Public Works Director Schreifels, Council members and John Rodeberg of SEH have met with Mr. Voss on this request.

This is private property so suggestions were made to work with TC&W Rail Road and Sentence-to-Serve to complete this work. Mayor Wilson felt that the city should provide partial help with paying for the project as it could possibly improve stormwater management in the area. Other councilors felt that as this is private property we should not set a precedent. Further argument led to Councilor Adamietz motioning to table the request. Councilor Schrupp seconded the motion. All voted in favor. City will help to facilitate a meeting with Mr. Voss and TC&W Rail Road to further review the request.

OPEN HOUSE FOR LINCOLN PARK/ARMSTRONG AVE PROJECT SEPTEMBER 29<sup>TH</sup> – 4:00 TO 8:00 P.M. – SOUTH BALLROOM

Notices to homeowners affected mailed for this additional open house. Notice to be published in the paper also.

Councilor Dietz motioned to adjourn with Councilor Adamietz seconding. All members voted in favor. Mayor Wilson adjourned at 8:39 p.m.

The above minutes are the official actions taken by the city council. Complete minutes are on file and available for review in the office of the city administrator.

## County asks for help in identifying ditch damage

The Federal Emergency Management Agency (FEMA) is requiring McLeod County to identify all county ditch damage by Nov. 22 to be eligible for repair reimbursement from the government.

Repair funds will be 75 percent from FEMA and 25 percent from Minnesota. The incident period that may qualify for these repair funds is June 11 through July 11, 2014. Once an area is identified,
