# Panther CC teams set for section meet

By Josh Randt **Sports Editor** 

At the Section 5A cross country meet in Milaca on Thursday, the Panther boys' cross country team will be searching for its 10th first-place finish of the season, while the girls look to post their personal

Tuesday, Oct. 14, at the Watertown-Mayer invitational, Jeff Delwiche's boys took the top spot for their fifth event in a row with 27 team points.

Glencoe-Silver Lake's girls' team finished seventh out of eight teams at the event in Watertown with 141 points.

Delwiche told his Panthers it was OK to go for the win at Watertown, but didn't want them overexerting themselves, knowing what's in store this week.

"The times were definitely slower than what we'd normally be running, but was exactly what we wanted," said Delwiche. "They wanted to win, and we told them that was OK, but we wanted them to take it pretty easy."

Even though they let off the gas a bit, GSL had three boys

"They've set new goals, and

their second contest is at 2 p.m. at the same site regardless of the outcome.

**Josh Randt** 

# What the WCC is all about

In a previous column, I compared the 2004 Panther football team I played on to this year's team.

I mentioned how our offense had trouble keeping the ball off the ground running Scott Tschimperle's option game plan. But once the offense got its bearings, it was clear we were a force to be reckoned with.

While most people would agree our section opponents were tougher than the current residents of Section 2, there remains a similarity: teams in our section have historically had near unblemished records going into the post season, primarily because of playing in

weaker conferences. This may sound arrogant, but if you look at the teams GSL regularly plays in the Wright County Conference, there's no denying that the Panthers are battle tested when it comes time for the playoffs.

Like this year's team, we missed out on one of the top two seeds and had to play a Tuesday playoff game.

We ran through Waconia 29-14 before giving Jordan (6-3) and LeSueur-Henderson (10-0) a taste of what Wright County football is like.

We were fortunate enough to host the opening round of the state tournament against Plainview-Elgin-Millville (PEM) and gave a dramatic ending to the history of Allen Field with a 35-28 nail-biter before moving on to the Metrodome — a place few of us thought we'd get to.

We had a chip on our shoulder that formed in the regular season, which we carried through the playoffs.

# Petersen propels Panthers past Cardinals; 4 TDs, 3 INTs

By Josh Randt **Sports Editor** 

sion.

The regular season closed with a stellar performance by the Panther football team, as Glencoe-Silver Lake sent Annandale home with a 46-14 loss on senior night to roll into the playoffs on a four-game winning streak.

File photo by Josh Randt

**Eighth-grader Annamaria** 

Falcon has had a suc-

cessful second half of

the season for the girls'

cross country team,

earning honorable men-

tion in the Wright County

Conference's West divi-

From the get-go, the Cardinals couldn't win the battle at the line of scrimmage, as was evident by GSL's 368 yards gained on the ground to Annandale's mere 87.

The most impressive performance of the evening came from junior utility-man Teddy Petersen, who not only rushed for 145 yards and three touchdowns on 23 carries, but also intercepted three-first half pass-

"I work hard at it," Petersen said of his abilities before humbling himself. "I'm blessed, and I just do (what I can) with what I have."

That may be the understatement of the year, as Petersen capped off GSL's opening drive with a 12-yard touchdown run before returning his first of three interceptions for a touchdown on Annandale's ensuing drive, giving the Panthers a 14-0 lead early on.

Petersen was helped out on the play by edge-rushing senior captain Zach Jungclaus, who forced a high, wobbly throw from Cardinal quarterback Derek Tomberlin with some heavy pressure all night.

The starting Panther defense finished with three sacks total and four first-half interceptions, and didn't allow a single point. Nick Brelje had the other interception, while Petersen and Nick Tabbert scored the remain-

Annandale ran back Alexis Salgado's third kickoff at the tail end of the first quarter following a 26-yard Panthertouchdown pass from Keaton Anderson to Bennett Bielke, which left the score 21-6.

GSL took a 33-6 lead into the half as Petersen closed out the first two frames with his third and final interception.

champion, and usually in the

match, they fall into the conso-

lation bracket with another loss

ending their run. Should they

If the Panthers lose their first

second round.

It didn't take long for the Panthers to improve upon that gap with a pair of third-quarter touchdowns by Petersen and

Petersen scored on the ground from 15 yards, and Bielke displayed some sharp ball skills on a 39-yard touchdown pass from Anderson, as the senior plucked the ball away from his defender for the score.

With 1:00 remaining in the third and a 46-6 advantage, the Panther reserves played the remainder of the game.

The Panther offense has steadily improved since Petersen and Bielke arrived in the backfield, but most importantly, the refurbished offensive line has been sealing lanes and getting downfield to spring the speedy backs.

Head Coach Scott Tschimperle said Alex Romano has

Panthers/Cardinals Turn to page 2B

Zach Jungclaus (81) forced Cardinal quarterback Derek Tomberlin to throw his first interception of the night with a steady pass rush. Jungclaus had one of three GSL sacks.

# **Know** your enemy

By Josh Randt **Sports Editor** 

Taking third place at the Rochester Exchange Club's fall invitational, the Lady Panther volleyball team is meticulously preparing for its section rematch with Holy Family Catholic on Thursday,

Oct. 23. Glencoe-Silver Lake won three out of its four mini matches at the weekend tournament, scoring wins over Minneapolis Patrick Henry (25-10, 25-13), Pine Island (25-15, 21-25, 15-11) and even Rochester Century (16-25, 25-21, 15-12) from Class AAA in the third-place match.

The lone loss came Saturday against Fillmore Central, as the Panthers fell 25-21 and 25-13. That loss put the Lady Panthers in the consolation game against Rochester Century, which claimed the opening set 25-16.

GSL bounced right back and took the second set 25-21 before narrowly escaping with third place by way of a 15-12 final set.

Statistically, GSL's best match was against Pine Is-

Senior captain and outside

season.

inside the top five: Jac Chelman, second (16:48); Isiah Herout, fourth (17:09); and Brandon Richter, fifth (17:31).

Austin Schroepfer and Michael Schaefer rounded out the scoring runners for the Panthers, placing sixth and 14th with times of 17:32 and 17:51.

Garret Ardolf and Garrett Ober were 18th and 26th.

With their eyes set on the section meet, Delwiche and the Panthers know a familiar adversary is waiting at Milaca in the Mora Mustangs.

The Panthers bested the Mustangs at the Swain invitational on Oct. 4, but only by five points.

GSL is currently ranked No. 2 in Class A, with the Mustangs three spots down at No. 5.

We need to split their pack up with our pack, and get ahead of them," Delwiche said. "We've beaten them before, and hopefully we'll beat them again. It would be nice to be section

champs."

The silver lining from the girls' seventh-place finish was that many of GSL's runners posted their best times of the

Annamaria Falcon finished inside the top 20, coming in at 14th place with a team-best time of 16:49.

The rest of the Panthers' scoring runners finished in a tight pack.

Gia Venier's time of 17:55 was good for 31st place, while Erica Hecksel completed the course in 18:20 for 37th place.

Megan Siewert was one spot down in 38th with 18:29, and Marlaina Chelman posted a time of 18:54, good enough for 41st place as GSL's final scorer.

Tarin Michaelis and Taylor Venier were 43rd and 44th with times of 18:59 and 19:01.

The regular season is now complete, and Thursday's contest will decide individual and team participants for the Class A state cross country meet at Northfield's St. Olaf College on

File photo by Josh Randt

The Panther boys' cross country team has been successful running in packs this season, and will need to continue to do so against their rival, the Mora Mustangs, at Thursday's Section 5A meet in Milaca. Pictured here from left to right are: Austin Schroepfer, Michael Schaefer, **Garret Ardolf and Garrett Ober.** 

# Girls Randt Continued from page 1B

Early on in the game against PEM, linebacker Kevin Nowak streaked past the line of scrimmage and absolutely flattened PEM's running back in the backfield as the Panther crowd let out a mighty roar.

I celebrated with Kevin, and graciously greeted their running with a, "Welcome to Wright County."

This year's team turned the corner a lot faster and more efficiently than we did, and will also face opponents in the playoffs who haven't been cutting

their teeth against teams that give you a gut check and hit you in the mouth with a smile.

For years, it wasn't uncommon for two to three teams from the WCC to make it to the Metrodome in Class AAA.

That doesn't mean the Panthers should take any of their Section 2 foes lightly. But they should be a little angry about the position they're in and play with something to prove.

Like 2004, this Panther team is a dangerous dark horse, snarling and kicking in the

Class AAA shadows.

I'll concede that there are better teams in the state at our level, but you'd be hard pressed to find a tougher conference.

GSL could very well make it back to the state tournament, or let it fall by the wayside to one of these Section 2 teams.

About the only thing they can do for certain, is show them how Wright County football is played.

I say, bring on the welcoming party.

Chronicle photo by Josh Randt

# Panthers/Cardinals Continued from page 1B

been a pivotal part of that change by shifting down to guard from his usual position at tackle. The junior said he's grown quite fond of his position, and that the rest of the line has really come into its own as of

"So far, I'm loving guard. It's fun to be able to pull around and hit somebody," Romano said. "I think the rest of the line is working pretty well, too. (Matt) Dahlke had to move to right tackle and I think he's doing a good job there. (Matt) Dietl got moved to left tackle and I think he's doing a good job, too."

The biggest follies by GSL came on special teams with the kickoff returned for a touchdown, and a botched snap on a punt that gave the Cardinals the ball at the Panther 27-yard line that could have changed the complexion of the game with Annandale trailing 21-6.

GSL closes the regular season with a 5-3 record, going 4-1 in the Wright County Conference's West Division.

The Panthers now get to test their mettle against the teams of Section 2AAA, starting with the 3-5 Rockford Rockets, which GSL hosted last night (Tuesday).

Earning the No. 3 seed, the Panthers barely missed out on a first-round bye, as Watertown-Mayer edged GSL in QRF rank-

hitter Lexi Kerslake exploded with 27 digs and eight kills against what Head Coach Lori Schwirtz said is a good blocking team. Kerslake totaled 60 digs and 16 kills over four games.

Libero Cortney Konen amassed 17 digs of her own against Pine Island, while Taylor Novak had 14 digs and five kills. Novak had 52 digs and 13 kills total, while Konen accrued 45 digs.

Erika Ribar continued to patrol the center of the net for GSL, and totaled three blocks and 16 digs.

Maddy Kalenberg had 10 kills and 18 digs, while Emily Muetzel turned in 17 digs.

Layne Herrmann controlled the offense quite well from her setter position, and finished with 47 set assists on the weekend.

All-in-all, Schwirtz was happy with her team's performance, as it eclipsed 20 wins for the first time since the 2012 season.

"The girls are playing pretty strong right now and really going in the right direction," Schwirtz said. "The biggest difference I see right now is we have become physically stronger the past several matches, which is a good feeling that we can put the ball away!"

The Lady Panthers will need are 3-3 in conference play.

to put its best performance of the season on display Thursday when Holy Family visits for the opening round of the Section 2AA playoffs.

Back on Sept. 9, the Fire doled out a three-set loss to GSL in just its fifth game of the season.

Since then, the Lady Panthers have gone 18-6, while the Fire went 10-8, which led to GSL stealing the No. 4 seed from the No. 5 seeded Fire.

Schwirtz said she knows that seeding arrangement won't sit well with the Fire, and anticipates a hard-fought playoff contest.

"I think Holy Family will have a chip on their shoulder since we got the higher seed," admitted Schwirtz, "but it should be a great match-up for us, and we welcome the rematch!"

The key to a Panther victory, said Schwirtz, is to "play to win," but to "not play worried about the outcome."

GSL traveled to Litchfield Tuesday night to cap off the regular season against the Dragons (14-12).

The outcome of Tuesday's match won't have any bearing on playoff seeding, but will determine the middle of the Wright County Conference, as GSL currently sits at No. 6 and Litchfield No. 7. Both teams

# The line separating good from evil

"Do not be overcome by evil, but overcome evil with good." — Romans 12:21

The Russian writer and dissident Aleksandr Solzhenitsyn very astutely remarked that "the line dividing good and evil cuts through the heart of every human being." All of us have the capacity for both good and evil within us and every day is a struggle to help the "better angels" prevail. Perhaps what separates the saints from the sinners is not so much that some sin and others don't, but that the saints recognize their sinful nature and are better at resisting their sinful impulses. The essential work of our lives is to know that this line is there and to stay on the side of the good, resisting the never-ending lure and temptation of evil. We should pray for the wisdom and discernment to recognize where the line separating good from evil runs, and for the goodwill and fortitude to stay on the side of the

City of Stewart **ORDINANCE NO. 151** AN ORDINANCE AMENDING ORDINANCE NO. 150 - TITLE XI: BUSINESS REGULATIONS; **CHAPTER 120: RENTAL REGU-**LATIONS AND INSPECTIONS THE CITY COUNCIL OF THE CITY OF STEWART ORDAINS: Section 1. Amendment to Title XI Business Regulations, Chapter 120: Rental Regulations and Inspections Chapter 120: Rental Property Regulations and Inspections §120.02 DEFINITIONS

FAMILY MEMBERS are parent, stepparent, child, stepchild, foster child, grandparent, or grandchild. §120.05 APPLICATION C. Renewals. A rental housing li-

cense shall expire one (1) or two (2) years after the date of issuance. Inspection of all dwellings, dwelling units or rooming units shall be required prior to issuance of a new license. Applications for licenses shall be made in writing on forms provided by the City and accompanied by the fee amounts as established by the City Council. Such application shall be submitted at least sixty (60) days prior to the expiration date of the li-

§120.06 ISSUANCE OF LICENSE A. If upon completion of the inspection of the building and habitable portions thereof, it is found that the minimum requirements of this code have been met, a license shall be issued. Unless there has been a change in ownership, no inspection shall be required nor inspection fee charged, for one (1) two (2) years after the issuance of a license unless a complaint of a violation has been made or the code official finds deficiencies. When ownership changes, a new license under §120.08 is required.

G. The code official for the city shall make an inspection of a licensee's rental units once very two vears, unless there has been a complaint of a violation and the code official has found Code deficiencies. §120.07 EXPIRATION

B. All licenses issued under this section shall be for a period of two (2) years. The license period shall begin on January 1st of even years and shall expire on December 31st of odd years. (The current rental cycle will run from July 1, 2014 and end on December 31, 2015. After that, licensing period will start on January 1

Bi-Annual Inspections. The code official shall inspect a unit after receiving an application and a scheduling an inspection per the application §120.13 SPACE AND OCCUPAN-

§120.12 INSPECTIONS

CY STANDARDS A. Room Dimensions. Room dimensions shall comply with the fol-

lowing requirements: 2. Floor Area. Dwelling units and congregate residences shall have at least one room for common living area that shall have not less than 120 square feet of floor area. Rooms used for sleeping purposes by one two persons shall have an area of not less than 70 square feet. Where more than ene two persons occupy a room used for sleeping purposes, the required floor area shall be an additional 50 square feet for each additional occupant.

D. Ventilation.

1. Guestrooms and habitable rooms within a dwelling unit shall be provided with natural ventilation by means of operational exterior openings with an area of not less than 4 percent of the floor area of such rooms with a minimum of 4 square feet. Exterior openings for natural ventilation shall be provided with tight fitting insect screens, maintained in good condition. 2. Bathrooms, water elo-

nts and similar rooms with bathtub, shower or combination thereof shall be provided with natural ventilation by means of operational exterior openings with an area not less than 4 percent of the floor area of such rooms with a minimum of 1 1/2 square feet. In lieu of required exterior openings for natural ventilation in bathrooms containing a bathtub, shower, or combination thereof: and similar rooms, a working mechanical ventilation system connected directly to the outside is required.

H. Floor Coverings. Bathroom shall have a smooth, hard non rbant surface such as vinyl tile, vinyl sheet goods, eeramic tile nerete. Floor surfaces shall be ntained in good condition so

§120.15 MECHANICAL, ELEC-TRICAL, AND PLUMBING RE-QUIREMENTS

B. Electrical. The electrical service, lines, switches, outlets, fixtures and fixture coverings, and supports in every building or structure shall be in good repair. Broken, loose, frayed, inoperative, defective or missing portions shall be repaired, or replaced, or properly abandoned. All unsafe conditions shall be corrected.

2. Switches and Outlets. Every habitable room shall be provided with at least one switched ceiling or wall light and one duplex outlet.

shall contain at least one electrical light fixtu

ba. Outlets within 6 feet of a sink or bathtub shall be Ground Fault Interrupted (GFI) outlets. §120.16 MEANS OF EGRESS

D. Escape Windows. Sleeping rooms below the fourth story shall have at least one operable window or exterior door approved for emergency escape or rescue. The approved window or door shall be operable from the inside to provide a full clear opening without the use of separate tools or special knowledge and shall open directly onto a public way or a yard or court located on the same lot as the building.

1. Escape Window Requirements. An escape window from a sleeping room shall have a minimum net clear opening of 5 square feet, if the opening does not meet requirement is 4 re feet or greater the landlord has one rental cycle to replace to the

minimum opening requirements. H the opening is less than 4 square feet than the replacement must be comas a sleeping room. The minimum net clear opening height shall be 24 inches and the minimum net clear opening width shall be 20 inches. The finished sill shall not be more than 48 inches above the floor. If necessary to add a window, the new window shall meet the requirements of the Building Code for a new es-

E. Security Locks. 1. Window Locks. Locks installed on windows located at grade ble from the inside without the

§120.18 GENERAL BUILDING REQUIREMENTS

B. Handrails. Stairways having 4 or more risers whall have a continuous full-length handrail on at least one side.

1. If the handrail does exist, it

shall be firmly fastened and capable of supporting normally imposed loads and shall be maintained in good condition a. Stairways that are 66" (inches)

in width or more require handrails on both sides. b. Existing handrails that are not

deemed to be hazardous by the code official are allowed to remain as they

2. If a handrail does not exist, a new handrail is required. The handrail shall be mounted no less than 34 inches nor more than 38 inches above the nosing of the stair tread. The handgrip portion of the handrail shall not be less than 1 1/4" and no more than 2" in cross-sectional dimension. The ends of the handrails shall be returned to the

**Manufacturing Technicians** Immediate Openings Available

**Position Description:** 

Miromatrix Medical Inc., a biotechnology company based on perfusion decellularization technology, is focused on the development of new biologic-based therapeutics including an acellular biologic matrix and transplantable organs to treat and cure various disease states. The company has launched its first regenerative medicine product and has an emerging portfolio of new products to be launched over the coming months and years.

Miromatrix has immediate openings for highly motivated individuals who want to join our team and launch a career in a fast-paced, resultsoriented work environment. We are currently hiring Manufacturing Technicians to process our biologic mesh in our Glencoe, MN facility. Primary duties include the preparing of incoming raw materials, perfusion decellularization, and manufacturing /packaging of final products in an ISO class 7 cleanroom environment. No cleanroom or biologic experience is required, as extensive training will be given to all new employees. Compensation is hourly and eligible for overtime compensation. Excellent benefits including Health/Dental insurance for all new hires with Miromatrix paying all monthly premiums. Paid vacations earned on an accrual basis starting on your first day.

**Required Qualifications:** 

Interested individuals must be a high school graduate or have completed a GED. Excellent organizational, verbal, written and interpersonal skills are essential, as well as enthusiasm for a collaborative work culture. You bring the right enthusiasm and energy and we will provide the job training necessary to be successful.

Consideration given for progressive educational accomplishments and relevant work experience.

Miromatrix offers competitive compensation and benefits with great growth potential. The company is committed to providing a safe, fair and enjoyable work environment. Miromatrix is an equal opportunity employer.

#### Sibley Co. Court use, random testing, victim impact panel, chemical dependency evaluation/treatment, follow recom-

The following cases were heard in Sibley County District Court Oct. 16, Judge Thomas Mc-Carthy presiding:

Dillon Jay Smith, 25, of Gaylord, appeared for sentencing on charges of child endangerment and fourth-degree DWI. He was convicted on the child endanger-ment charge. The court stayed adjudication on the DWI charge. Smith was placed on probation for two years with the following conditions: that he serve 60 days in jail under a staggered sentencing format, that he successfully complete outpatient treatment and follow all aftercare recommendations, that he follow all recommendations of his psychological evaluation, that he complete 40 hours of sentence to service, that he have no use or possession of alcohol or controlled substances and be subject to random testing at the request of law enforcement and/or his probation agent, and that he remain law abiding. He also was ordered to pay \$185 in fines and surcharges.

Albert Leo Guerra Sr., 50, of Gaylord, appeared on charges of two counts of first-degree DWI, driving after cancellation-inimical to the public safety, gross misdemeanor domestic assault and an open-bottle violation. He pleaded guilty to one count of first-dearee DWI. All other charges were dismissed. He was sentenced to 57 months in state prison, to begin immediately.
