

Cross-country trio finishes season at state

By Tom Carothers Sports Editor

Once again, Glencoe-Silver Lake's 2016 fall sports season came to a close in Northfield with the running of the state cross-country meet on the hills and trails of St. Olaf College.

Three Panthers made the cut for this year's state Class A field.

The GSL senior tandem of Austin Schroepfer and Michael Meyer were making a return visit to the Class A

Sunny skies and temperatures already in the mid-50s greeted Schroepfer and Meyer as they toed the starting line at 10 a.m., while the mercury soared into the 60s by the time Metcalf began her run an hour later.

Schroepfer and Meyer ran together for a majority of the race, turning in identical splits at the one-mile (five minutes, 14 seconds) and two-mile (10:58) markers.

From there, Meyer pulled away over the final mile, put-

boys' race, running this time as individual qualifiers.

Seventh-grader Malayh Metcalf was competing for the first time in the girls' competition.

As has become recent tradition, runners were greeted by superb conditions, perhaps even inching towards the "too warm" part of the spectrum.

ting up a final split of 6:10.3 to log a finishing time of 17:08.3, to place him 50th out of 176 Class A finishers.

Meyer averaged a 5:31 pace overall to miss by a few seconds on a personal-record run of 17:01.47, recorded in a

Panthers fall in subsection semifinals

By Tom Carothers Sports Editor

The 2016 season came to a close earlier than the Glencoe-Silver Lake volleyball team would have liked, as the Panthers lost in four games (20-25, 25-23, 20-25, 25-15) to Southwest Christian in the Section 2AA North subsection semifinals.

In a mild upset, the third-seeded Stars emerged from a tightly-contested first three games to streak away in game four and take the match 3-1.

the four games, though GSL battled back to take at least a brief lead in all four.

The Stars outlasted the Panthers in the first and third game, powering to late leads after both games teetered back and forth through the early and middle points.

GSL's lone victory came in the second game after both squads saw advantages come and go.

SWC led GSL 19-18 in the game before the Panthers took the lead for good at 23-22 and went on to win 25-23 after

SWC took the initial lead in three of middle hitter Maddie Monahan popped the ball over the Stars defense at the net and into the unoccupied back left corner for the final point of the contest.

> Yet SWC simply would not be denied the opportunity to face defending Class AA state champion Belle Plaine in the subsection final.

Three GSLers earn conference laurels

Honorees for Wright County Conference West girls' soccer all-confefence and all-conference honorable mention were announced last week, with three members of the Glencoe-Silver Lake varsity squad earning awards. Midfielder Jordan Breidenbach (pictured far left) was named all-conference. Defender Morgan Mathews and goalkeeper Destiney Exsted (pictured above, left to right) were both named honorable mention.

only managing to knot the score on a couple of occasions after going down 8-3 early.

The fourth and final game belonged almost entirely to SWC, with GSL taking fleeting leads at 8-7 and 9-8 before tying the game for the final time at 10-10.

From there, the Stars went on a tear, recording 15 of the final 20 points scored in the game to clinch the match victory and end the Panthers' season.

Middle hitter Rhyan Herrmann led GSL with 21 kills in the game, while outside hitter Rachael Popp put up a team-high 24 digs. Setter Jessica Lemke led the team with 32 assists.

The defeat ended GSL's season with a 22-9 record.

With the loss, the team bids farewell to five seniors: Monahan, Popp, Lemke, defensive specialist Molli Cacka and right hitter Ashley Bandemer.

fourth-place finish at the Wright County Conference West championship race on Oct. 18.

Schroepfer, who won the WCC West title in 16:44.04, finished his final mile-plus at state in 6:32.9 to finish with a total time of 17:30.9 and place 85th overall. His mile splits averaged 5:39.

Unlike Schroepfer and Meyer, Metcalf was the lone GSL female qualifier and ran her race without the camaraderie of a teammate.

In becoming the final GSL athlete to compete during the fall season, Metcalf finished 129th out of 176 to cross the line, finishing the 5,000-meter course in a time of 21:18.3.

She averaged 6:52 mile split after hitting the one-mile mark in 6:27 and the two-mile point at 13:28.

Personnel committee considers data policies

By Karin Ramige Publisher

The Glencoe City Council's Personnel Committee reviewed the city's proposed public and subject data policies at its Nov. 2 meeting.

The current policy consists of only a few paragraphs. The proposed policies separate public data and subject data, and were updated using the Minnesota Department of Administration's model policy in accordance with the Government Data Practices Act (Minnesota Statutes, Chapter 13).

The Government Data Practices Act presumes that all government data are public unless a state or federal law says the data are not public.

It also states that data subjects have certain rights related to a government entity collection, creating, and keeping government data about them.

The policy goes on to say that the city cannot give private data to the general public, but an individual can have access to private data about them.

The policies state that public data must be kept in a way that is easy to access, ex-

Brownton City Council Meeting November 1, 2016 - Mayor Schwarze called the

Meeting to order. - Resident John Baumgartner

questioned Council about overflow parking for the apartments. Council approved Temporary Overnight Parking Only back of the Civic Center by the playground and also in the ballpark lot.

- Public Works Draeger report included sweeping streets, sweeper in for hydraulic hose repairs, and final lawn mowing. Hutchinson will be taking bio-solids; Mitch Rose is our hauler. Water hydrant flushing is complete. Hotwire hardwired the WW plant to the generator. Civic Center parking lot 1st lift is complete; final lift will be done in spring. Park shelter closed and bulk water off for the year. Creekside ground the brush at the waste site.

- Chief Bauer reported the Order for Repair at 204 1st Avenue South is ready for Council approval to be served thereafter. Officer Anderson will attend Field Sobriety training in Hutchinson. Witnesses have seen children climb onto the City Shed, Concession Stand, and Grandstand Roofs. Some damage has been incurred as shingles were ripped from the shed roofs, however, the City's greater concern is safety. Council asked PD to watch specifically for these incidents.

- Ordinance 52RevA was reviewed regarding fines and towing during no parking ordinance and snow removal emergencies. Anyone parking on the street will be ticketed and incur a \$50 fine; Brownton PD has the authority to tow vehicles that are repeat offenders.

- The cost of the County Assessment is substantially less in 2017 as it gets phased out to eventually allocate the costs entirely to the County.

- Council approved the Annual Lions Poultry Party Beer License on Friday, November 21.

- Council approved 2017 Lutheran Social Services Agreement for senior nutrition in the Community Center.

- City Sewer Rates will increase \$1/1000 gallons of water used beginning January 1, 2017; residents will see the increase on the February, 2017 bills.

- Gas Rate increases were discussed; clerk to confer with consultants before incurring any increases in 2017.

IMPORTANT PROPERTY TAX HOMESTEAD NOTICE

* This will affect the amount of property tax you pay in 2017, and it may affect your eligibility for a property tax refund.

Please contact your county assessor to file a homestead application on or before December 15, 2016, if one of the following applies:

- You purchased a property in the past year and you, or a qualifying relative, occupy the property for homestead purposes on December 1, 2016; or
- You, or a qualifying relative occupy a property for homestead purposes on December 1, 2016, and the property was previously classified as non-homestead.

A qualifying relative for homestead purposes depends on the type of property. For residential property, a qualifying relative can be a parent, stepparent, child, stepchild, grandparent, grandchild, brother, sister, uncle, aunt, nephew, or niece of the owner. This relationship may be by blood or marriage. For agricultural property, a qualifying relative can be a child, grandchild, sibling, or parent of the owner or a child, grandchild, or sibling of the spouse of the owner.

Once you have been granted the homestead classification, no further applications are necessary unless they are specifically requested by the county assessor.

You must also contact the assessor by December 15, 2016 if you are the property owner, or a qualifying relative of the property owner, and the use of the property has changed during the past year.

If you should sell, move, or for any reason no longer qualify for the homestead classification, you are required to notify the county assessor within 30 days of the change in homestead status. Failure to notify the county assessor within this 30-day period is punishable by recalculation of tax as non-homestead, in addition to a penalty equal to 100 percent of the homestead benefits.
