## Panthers on a roll

Things started clicking into place for the Glencoe-Silver Lake girls' basketball team last week as the Panthers broke above the .500 mark for the first time this season.

GSL ran its overall record to 3-2 on the season and its winning streak to three games after a 53-45 win over Tri-City United on Tuesday, Dec. 8, followed by a 68-38 shellacking of host LeSueur-Henderson four days later.

After opening its season with two losses – one close, one blowout – the Panthers entered this week with a head of steam with three wins of ever-increasing differentials.

GSL's run began with a 52-47 win at Sibley East on Friday, Dec. 4, but it was last Tuesday's game against TCU in which the Panthers' home crowd finally got to see its team claim victory.

The Panthers ran out to a 31-23 halftime lead against the Titans and held onto the eight-point advantage in the final count to level their record at 2-2 on the year.

The backcourt sister act of Mac and Maddie Monahan paced GSL with 21 and 18 points in the game, with the Panther defense holding TCU's top scorers to 12 points

apiece.

Maddie Monahan also led GSL with seven assists four steals. Forward Maddy Kalenberg logged five assists and a team high eight rebounds – six of those coming on the defensive boards.

Win No. 2 in the books, the Panthers took their show on the road for a Saturday afternoon matchup in Henderson and came away with their largest win of the season thus far.

"We came out ready to play with full court pressure. Scouting them gave us an idea of what we could do against them to succeed," coach Zach Otto-Fisher said. "The girls did a great job of listening to the plan and executing."

GSL took it to the Giants from the start, rolling up a 37-22 halftime lead. The Panthers put up 31 points in the second half while holding LSH to a scant 16 points – just six of which were scored off the Panthers' starters – en route to a 30-point triumph.

"The starting five came out with energy and ran the floor really well," Otto-Fisher said. "They pushed the ball up, made great passes and most importantly finished at the hoop."

Guards Mac and Maddie Monahan once again led the

squad in scoring with 24 and 17 points, respectively. The Panthers allowed their hosts just one double-digit scorer in the game.

Maddie Monahan posted team bests in assists (8) and steals (5), while Mac Monahan had seven assists and four steals. Molli Cacka posted a team high seven rebounds, while fellow guard Rachael Popp had four rebounds with three steals. Forward Samantha Voigt hauled in six rebounds, with five of those coming on the offensive end.

"The only downfall was when Ashley Bandemer popped her elbow out of place and it looks to be a fractured elbow – not good," Otto-Fisher said. "I thought Molli Cacka came in, picked up the extra minutes really well and did a nice job finishing her shots as well."

The Panthers traveled to Mayer Lutheran on Tuesday, Dec. 15, after the Chronicle went to press.

The Crusaders entered that game with a 4-1 record, with a three-point loss to Watertown-Mayer as its only blemish.

GSL returns home for a Thursday night matchup against Lester Prairie, before heading back out on the road to play at Jordan next Tuesday.

## New Prague proves a rude host to Panthers

By Tom Carothers

It was the only game of the week for the Glencoe-Silver Lake boys' basketball team – and it wasn't much to write home about. A matchup at New Prague on Tuesday, Dec. 8 turned out to be a forgettable affair, with the Panthers falling 67-25 to drop to 1-3 on the season.

Whereas GSL's previous two losses both came in the final moments of games against Hutchinson and Sibley East, this time matters were settled early on. The Trojans led 39-17 at halftime, then held their visitors to a miniscule eight points after the break en route the 42-point decision.

No Panther hit double digits in scoring, with forward Jacob Popelka and guard Shane Ehrke leading the

squad with seven and six points, respectively. Guard Luke Frahm and forward Jacob Litzau mustered up five points apiece, with forward Alex Romano wrapping up GSL's scoring with two points.

The Panthers had a full week to let the loss sink in, followed by a long road trip. GSL traveled to New London-Spicer to begin this week's slate of games on Tuesday, Dec. 15, after the Chronicle went to press.

A two-game homestand awaits the Panthers following their trip to New London. Norwood Young America visits GSL on Thursday night, followed by Dassel-Cokato on Friday.

The Panthers close out their pre-Christmas slate of games with a trip to Jordan next Tuesday.

Kole Polzin had his game face on for a Glencoe-Silver Lake/Lester Prairie wrestling team that participated in seven competitions over four days last week. The

Panthers finished fifth in the 12-team Andover Husky Invitational on Saturday, Dec. 12 after splitting the spoils in a trio of midweek matches.

What had been a bit of a slow start to the season kicked into high gear for the Glencoe-Silver Lake/Lester Prairie wrestling team last week. The Panthers competed in seven total matches over four days, culminating in the Andover Husky Invite on Saturday, Dec. 12.

GSL/LP finished fifth in the 12-team Husky Invite, recording 120 total points.

Nick Brelje recorded 25 of those 120 points by winning the 182-pound weight class at the meet. Brelje went 4-0 on the day and closed out his title run by recording an 11-2 major decision over Isaac Solberg of Chippewa Falls (Wis.).

Tristan Weber placed second at 195, as did Peyton Sell at 220, with both going 3-1 in their respective brackets. Aaron Donnay took third at 145 by also going 3-1, while Tony Lowden went 2-2 at 132 to place fourth. Dalton Kosek came in fifth at 170, with Sergio Mireles claiming sixth at 106.

Prior to their trip to Andover, the Panthers earned splits in a trip of midweek competitions.

GSL traveled to Mound Westonka on Tuesday, Dec. 8, for the first of the three competitions and came away with the first of their three splits. The Panthers eked out a 40-38 win against the host White Hawks, but then fell 64-9 to Watertown-Mayer.

Earning wins against Mound Westonka were: Zach Voelz at 106, Mireles at 113, Michael Meyer at 126, Brelje at 182, Weber at 195, Sell at 220 and Paul Lemke at 285. Voelz and Brelje won against Watertown-Mayer.

On Thursday, Dec. 10, GSL grappled at Waconia, falling 47-15 to the hosts but besting Orono by a 52-22 score.

Wyatt Berry at 106, Tyler Hausladen at 126, Alex Mielke at 138, Donnay at 145, Cody Rae at 152, Kosek at 170, Brelje at 182, Sell at 220 and Lemke at 285 won for GSL/LP against Orono. Hausladen, Brelje, Weber and Sell were victorious

against Waconia.

The next evening, the Panthers claimed their third split at Norwood Young America by beating St. James 47-23 and narrowly losing to the hosts 36-32.

Having their arms raised in triumph against St. James were: Voelz at 106, Kole Polzin at 132, Lowden at 138, Donnay at 152, Rae at 160, Kosek at 170, Brelje at 182, Weber at 195 and Sell at 220.

Winning for the Panthers in a tweaked lineup against NYA were: Donnay, Rae, Austin Merrill at 170, Kosek at 182, Brelje at 195, Weber at 220 and Sell at 285.

GSL hosted Spectrum and St. Agnes in a triangular meet on Tuesday, Dec. 15, after the Chronicle went to press and compete at Dassel-Cokato on Thursday.

The Panthers will awaken early for an 8 a.m. start in an invitational meet at Richfield High School on Saturday morning.

Competing in its first dual meet of the season, the Glencoe-Silver Lake gymnastics team came in second to host New Prague on Thursday, Dec. 10, 135.225-119.000.

"I think they did a great job. I could see a huge improvement just from the Northfield meet," coach Kim Hahn said. "They really took the critiques that we gave them from the first meet and their scores reflected that."

Marissa Greeley led the Panthers with a second-place finish in the all-around with a score of 31.925. Teammates Gia Venier and Ellie Schmidt followed in third- and fourth-place with respective scores

of 29.525 and 26.725.

Greeley was the Panthers' top finisher in all four events. She took third on balance beam with a score of 7.925 and took fifth on floor exercise with an 8.35.

Greeley shared her placement with teammates in two events. She split fifth on uneven bars with Venier after both notched a 7.35 and fifth on vault with Kirsten Barott after each logged an 8.3.

GSL was originally scheduled to host a home triangular meet against Annandale and Dassel-Cokato this Thursday, but that competition has been moved to Jan. 26.

The Panthers are now off of competition until 2016, with a trip to St. Peter next up on Tuesday, Jan. 5.

## RS Fiber representative participates in Blandin broadband conference

Winthrop Economic Development Authority Director Mark Erickson, together with more than 120 other broadband champions from around the state, hopes to create a vision for Minnesota to achieve border-to-border broadband.

This vision, created at the Border to Border Broadband: Better Together conference co-hosted by Blandin Foundation and the Minnesota Office for Broadband Development, will propel future broadband work around the state.

Erickson was there representing the Renville and Sibley counties as a Blandin Broadband Community (BBC). Selected as a BBC in 2014, local leaders have since convened a planning team to identify best opportunities for enhancing broadband access and use.

In 2015, Renville and Sibley counties were awarded \$24,605 to equip 20 schools and businesses with Wi-Fi access, \$10,000 to create e-marketing platform and tourism apps, and \$3,750 to market the concept of tech centers and maker spaces across the two counties.

This work is one step on a crucial journey many rural Minnesota communities are making to ensure a vibrant prosperous economy and a high quality of life for their residents through access to and use of high-speed Internet.

Last week, these rural Minnesota communities came together to set a common trajectory for their individual journeys.

Driven by a sense of urgency and a shared need to coordinate, conference attendees walked through the two-day long process to create and develop a plan for sharing and a vision for the broadband network Minnesota needs to ensure a vibrant prosperous economy and quality of life for all.

The vision states, "Everyone in Minnesota will be able to use convenient, affordable world-class broadband networks that enable us to survive and thrive in our communities and across the globe."

"If we don't all work to-

gether we are going to fall short of our goal of improving access to the Internet for all Minnesotans," said Erickson. "And falling short will leave future generations at a disadvantage. Without a common effort, we cannot realize the full potential of what ubiquitous border to border broadband can do for our state."

In her remarks to conference goers, Blandin Foundation President Dr. Kathleen Annette said, "It is our shared responsibility and opportunity to partner better together for a better Minnesota. But collaboration often is not easy. It takes trust and will and, most of all, a common commitment."

This commitment will manifest itself in the next year as broadband champions work to share the vision with their local communities, counties and legislators.

Blandin Foundation works for vibrant rural Minnesota communities by investing in community leaders and working with partners to expand opportunity for all residents. Located in Grand Rapids, it is one of only a handful of foundations in the U.S. focused exclusively on rural communities and the largest rural-based private foundation in Minnesota. RS Fiber is a community driven effort to bring a high-speed fiber optic connection to everyone in the project area and provide low-cost, reliable high speed Internet, crystal-clear cable television, and phone services. Fiber to the home (FTTH) has become the leading technology for next-generation communications worldwide.

The RS Fiber Cooperative will be owned and democratically controlled by its members.

# Pastor's Corner

Dr. Tom Rakow, Pastor  
Grace Bible Church of Silver Lake

## Good news at a bad time

My dad, stripped down to his t-shirt and dress pants, was sitting on the exam table with my mom on his left, and I on his right. The lung cancer doctor slowly opened the door, and stood in silence with a somber look on his face. The message the doctor meant to convey was obvious. However, my dad the eternal optimist, eventually decided to break the awkwardness of the moment by asking, "What's the good news?" To which the doctor responded slowly and with great seriousness, "Mr. Rakow, I have no good news." Immediately the words, "I have good news!" shot through my mind. Although many years have now passed, I cannot think of a time when I was more grateful for being entrusted with sharing the good news of eternal life through faith in Jesus Christ. At times we are all required to share sad or even bad news. For example, there is the company boss who finds it necessary to tell a longtime employee that their position is being eliminated. Indeed, it can be an unpleasant job to tell a person they are being let go from their place of work. No one envies the doctor who must explain that the cancer has spread, or that "it's just a matter of time." Certainly no one wants to share – or receive – that kind of news. Then there is the police officer or pastor who must notify a parent that their child has died. Nevertheless, the Christian has the privilege of sharing the good news that everyone needs. While it is true that not everyone will receive Jesus Christ as their Savior, it is still wonderful news that He is available to all. Yes, Jesus is the prescription that a dying world needs. He is the life preserver that, when grasped, can carry a person safely into eternity. Indeed, we can say as the angel who announced Christ's birth said, "Do not be afraid. I bring you good news that will cause great joy for all the people" (Luke 2:10). God's good news was meant to be shared – and received!

REQUESTING STATE BOND FUNDS FOR MORNINGSIDE (COUNTY STATE AID HIGHWAY 15) CORRIDOR COMPLETION  
WHEREAS, Morningside (County State Aid Highway 15) is a major corridor in the City of Glencoe which has been planned since the 1960's to connect US 212 to the north side of the community, providing access to area schools and businesses and serving thousands of area residents; and  
WHEREAS, a 2003 Glencoe Transportation Partnership Study, completed in coordination with the State of Minnesota, McLeod County, the City of Glencoe and Mid-Minnesota Regional Development, affirmed the need for the Morningside Corridor as a route for regional traffic; and  
WHEREAS, There are no other routes within the City of Glencoe that connect to US 212 and the City of Glencoe north and south of Buffalo Creek and this is the only con-

trolled intersection on US 212 within the City of Glencoe; and  
WHEREAS, This project would include a new and safe railroad crossing of Twin Cities and Western (TC&W) Railroad and this project would provide direct and safe pedestrian and vehicular access to the Glencoe Public School complex located on the north-west end of the project, including a new elementary school scheduled to be completed by the Fall of 2016; and  
WHEREAS, Significant previous investments have been made to preserve and improve this corridor, including: a new bridge over Buffalo Creek, the extension of County State Aid Highway 15 south of US 212, and the construction of street and infrastructure improvements north within the City's industrial park (11th Avenue) north of US 212; and  
WHEREAS, funding for transportation in Minnesota has remained stagnant and is failing to keep pace with growing population and growing demands; and  
WHEREAS, McLeod County and the City of Glencoe are struggling to maintain local transportation systems which are aging while state funding has not kept up with the needs on the State Aid system;  
WHEREAS, the Minnesota Legislature has a tradition of providing funds for local road projects as part of the capital bonding bill.  
NOW, THEREFORE, BE IT RESOLVED, THAT the City Council of the City of Glencoe supports the completion of this important transportation project; and  
BE IT FURTHER RESOLVED, THAT the City Council of the City of Glencoe requests \$2.35 million in state funds as part of the 2016 capital budget for the completion of the Morningside corridor.  
Councilor Dietz seconded the motion. Upon a roll call vote members

Perschau, Ziemer and Dietz voted in favor. Members Schrupp and Robeck voted no. Whereupon said resolution was adopted and approved.  
John Rodeberg gave a Municipal State Aid Funding update. The Armstrong Avenue funding breakdown was presented, MSA account and policies were explained, Morningside Avenue costs reviewed, advances and bonding calculated as well as County turnback funding explained.  
The Assessment Agreement Between Local Unit and County was presented by City Administrator Mark Larson. Assessment services agreement is for 2403 parcels at \$10.50 per parcel for a total payment of \$25,231.50. The \$10.50 per parcel has remained the same for the last three years. A letter from the County Assessor stated the possibility of providing this service at no charge beginning in 2017. To date the County Assessor has not been able to meet with the County Commissioners to discuss this further.

# Tri-county health board gets \$467,889 state grant

The Minnesota Department of Health (MDH) recently announced that it has awarded \$467,889 in funding through the Statewide Health Improvement Program (SHIP) to Meeker-McLeod-Sibley (MMS) Community Health Services (CHS).  
SHIP funding is available to community health boards, which work in partnership with communities, workplaces, schools and health care, to support efforts that increase opportunities for active living, healthy eating and avoiding commercial tobacco use and exposure to second-hand smoke.  
According to Allie Freidrichs, MMS CHS administrator, "SHIP is about bringing everyone together to fight obesity and chronic diseases. The needs of each community can be better met through collaborative work. The impacts of obesity are felt by everyone."  
SHIP has been instrumental in helping Minnesota make progress on obesity and commercial tobacco use, factors that contribute to chronic diseases, disability and death. All Minnesota counties are participating in SHIP, which is in its fourth round of funding.  
Minnesota has more work to do, considering 27.6 percent of adults in Minnesota are obese (CDC), 14.4 percent of adult Minnesotans

smoke (Minnesota Adult Tobacco Survey), and cancer, heart disease and stroke were among the top five leading causes of death in Minnesota in 2013 (Minnesota Department of Health Center for Health Statistics).  
SHIP communities choose from a menu of strategies based on the latest science that MDH compiled in collaboration with local public health. Communities select strategies that best align with local needs to address chronic disease.  
Among the efforts, Meeker-McLeod-Sibley SHIP plans to:  
• Work with local communities and school districts to make it easier and safer for students to walk or bike to school.  
• Work with local growers, farmer's markets and schools to make it easier for students and community members to eat healthy, locally grown foods.  
• Work with local healthcare providers to help people quit smoking.  
Launched in 2008 as part of Minnesota's bipartisan health reform effort, SHIP helps Minnesotans live longer, healthier lives while building healthy, vital communities.  
To learn more about SHIP, visit [www.mmshealthymunities.org](http://www.mmshealthymunities.org) or <http://www.health.state.mn.us/ship>.
