## Baseball's year

Not only did the Glencoe-Silver Lake baseball team bring home the third-place trophy at the Class AA state tournament in June, but months later, most of the same members made history as a part of the Plato 641 Legion team by winning the Great Plains Division II championship in Millbank, S.D., in August. Longtime coach Dean Schwirtz skippered his high school team to an 18-5 record, and handed over Post 641 to Matt Odegaard, who saw his players continue to excel. Teddy Petersen was named the tournament's MVP, as he went 13-17 at the plate with 10 runs.

Maddie Monahan broke the school record for assists on Dec. 4 when the Glencoe-Silver Lake Panther girls' basketball team defeated Willmar 38-33. Monahan totaled three assists on the evening, setting the record at 307 after it stood at 305 for years.

The Panther football team made a return to the Class AAA state semifinals for the first time since 2009, and finished at the top of Section 2 for the second consecutive year in 2014. Glencoe-Silver Lake finished with a 9-4 record after starting out 1-3

— also a first since 2004. The Panthers eventually fell to New London-Spicer in the state semifinals 13-12, bringing an end to the season and quarterback Keaton Anderson's four-year reign at the helm of the GSL offense.

For the first time in Panther tennis history, Piper Davis (left) and Rachel Rusten took the podium at the Class A state tournament. The duo finished fifth with a two-set victory over Chessa Jones and Emma Dietrich of East Grand Forks, winning the first 6-0, and the second 6-4 at the Reed-Sweatt Tennis Center on Oct. 24.

Ranked in the top five at the beginning of the season in Class A, the Glencoe-Silver Lake boys' cross country team showed its worth when it took third place at the state cross country meet at St. Olaf College back on

Nov. 1. Pictured in order of their places at state are: Jac Chelman, 10th-16:12; Brandon Richter, 30th-16:46; Garrett Ober, 58th-17:08; Michael Schaefer, 65th-17:11; Isiah Herout, 73rd-17:19; Austin Schroepfer, 77th-17:21; and

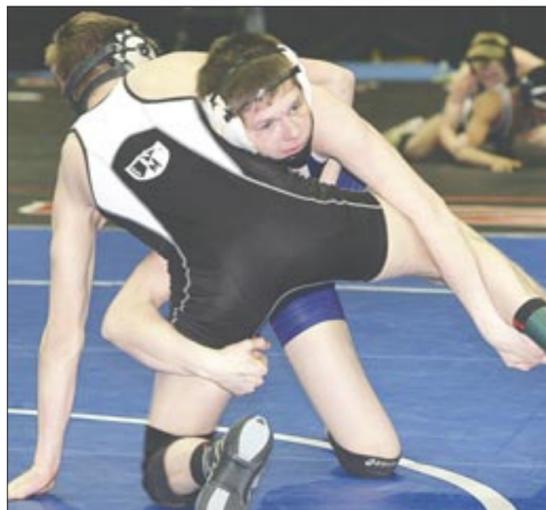

Garret Ardolf, 83rd-17:23. The Panthers scored 117 team points in a very close finish with Mora (1st, 104), and Martin County West (2nd, 108). There were only three meets in which the boys didn't claim first place in 2014.

GSL alumnus Cody Christensen helped the UMD Fighting Penguins bring home their second D II National Championship on Dec. 6 in Greenville, S.C.

Dietrich Holzäpfel of Seehausen, Germany, smiles next to his long-time friend Barbara Behrens of Glencoe, whose house on the south side of town has served as Holzäpfel's destination for four cross-country U.S. bicycle tours. Holzäpfel's journey took 38 days, arriving at Behrens' house in May after biking about 2,600 miles.

Capping off his Glencoe-Silver Lake/Lester Prairie wrestling career, senior captain Jacob Jewett placed fifth at 113 pounds by defeating Nate Carlson of Annandale/Maple Lake 8-1. He moved up one spot from his previous season when he placed sixth at 106. Jewett was 27-8 in his final year, and finished 115-34 overall.

Kelly Arnold broke the school record in the 100-meter dash on April 22 with a time of 12.28, shattering the previous record of 12.5 set in 1988.

# Chemistry is a fickle beast

By Josh Randt  
Sports Editor

After doling out loss after loss to opponents at or below its level, the Panther boys' basketball team lost its first set of consecutive games at the Tartan Holiday Tournament on Dec. 27 and Dec. 29.

Entering the tourney on a five-game win streak, Glencoe-Silver Lake couldn't match the scoring of Forest Lake (Class 4A), losing 69-58 Saturday, before wilting under the defensive pressure of Chisago Lakes (3A) two days later, 58-35.

While he gave credit to the teams GSL played against, Head Coach Robb DeCorsey commented that the games were lost because of turnovers, and that his Panthers' chemistry is off.

"We turn the ball over too much," a frustrated DeCorsey said Tuesday morning with Monday's loss still fresh on his mind. "I swear we've turned it over more times in the last two games than in the first six games combined.

"We don't have chemistry because they don't pass enough and take care of the ball," he added later. "We can't win when the ball is tossed all over the place."

In a back-and-forth battle, GSL hung with Forest Lake until midway through the final half, when the Rangers' Noah Alm and Connor Knutson took over the game.

Alm sniped from outside all afternoon to the tune of 24 points with six three-pointers, and Knutson complemented him with 18 of his own, with half of his damage done at the charity stripe (nine for 13).

Momentum completely swung in the Rangers' favor with seven minutes remaining, when Alm made his sixth three that gave Forest Lake a four-point advantage. The Rangers then expanded that lead to 58-51, and slowed the tempo of the game down, forcing GSL to trap, which exposed scoring lanes.

Keaton Anderson (24) and Garrett Ober (18) combined for 42 of GSL's 58 points. Anderson tried to keep the Rangers outside of the paint with four treys and pull-up jumpers just inside the arc, while Ober predominantly pulled the trigger from his 17-foot sweet spot.

The consolation bracket didn't get any easier on Monday,

**A scrappy game took place between the Glencoe-Silver Lake Panthers and the Forest Lake Rangers during the Tartan Holiday tournament on Saturday, Dec. 27. Action**

as Chisago Lakes only allowed 38 Panther points – GSL's lowest score since falling to Bloomington Jefferson 68-36 in the second game of the season a year ago. Not a single Panther scored double digits in

the loss, while three of Chisago Lakes' cagers accomplished that feat.

Anderson was held to six – his lowest of the season – and Ober was blanked by the Wildcats, as Jacob Popelka led the

team with 10 points. Teddy Petersen had eight points – all but two of them coming from the free-throw line, where the junior point guard went six for eight.

GSL played again on Tuesday against Prairie Seeds Academy for seventh place. After Tuesday's game, the Panthers are off until Tuesday, Jan. 6, when they hit the road for Hutchinson to take on the 5-2 Tigers.

## Girls split games at Pequot Lakes tourney

By Josh Randt  
Sports Editor

Up north where the cold air seems colder, Zach Otto-Fisher's Panther girls' basketball team found some success at the Pequot Lakes Holiday tournament.

The first day of action was Monday, Dec. 29, when Glencoe-Silver Lake played its first game in a week against the hosting Patriots. Maddie Monahan and company couldn't come away with a win, falling 48-46 before taking home the consolation

trophy with a 76-71 win over Roseau the following day.

The Panthers outscored Pequot by two points in the second half, but came into the break trailing 23-19.

Maddie Monahan scored 12 of her 17 points in the final 18 minutes, helping to spark GSL's run, but ultimately couldn't close the gap.

Zoe Christensen and Rachael Popp each had eight points, while Molli Cacka chipped in six, and Keisha Prafke five. Maddy Kalenberg rounded out the scoring

with one field goal for two points.

Pequot Lake's Haley Wiebolt led the Patriots with 17 points of her own, but it was 11 points from Catie Ryan that proved to be the difference maker.

Barely missing out on the championship game meant the Panthers had to face the Roseau Rams, which hadn't lost a single game until running into the Crookston Pirates at the tournament the day before.

Both teams were upset

after losing games the previous day, and a back-and-forth scrap ensued.

This time, the Monahan sisters made sure they came out on top, as Maddie and Mac combined for 49 points.

Maddie Monahan scored 29 from her point guard position, while her little sister Mac kept the Rams off balance with 20 of her own.

Popp was relatively quiet until the closing moments of the first half, when she hit a pair of three-pointers, making the Rams have to account for

her in the second half.

Mac put the game away when she got loose on a breakaway layup and got an intentional foul called as she was pushed from behind. The four-point play put the Panthers up by six with 30 seconds remaining.

GSL is off until Monday, Jan. 5, when Mayer Lutheran visits Glencoe. The Sibley East Wolverines come to town one day later.

The Panthers then travel to Minnehaha Academy on Tuesday, Jan. 13.

## 'It's a bittersweet symphony, this life'

It's been four months shy of two years since I came to The McLeod County Chronicle, and with the slightest bit of trepidation, I have to inform readers my time as sports editor has come to an end.

I've accepted a position with Wright-Hennepin Electric in Rockford, Minn., as a communications specialist, starting Jan. 5, leaving smack dab in the middle of the winter sports season.

While I could easily rant on the angers, difficulties and stresses faced at this job, it would serve no one any good. Instead, I choose to focus on the fun I've had in my time spent since returning to my native land.

Covering Glencoe-Silver Lake High School athletics has been a blast, as I've gotten to know the athletes, coaches and parents on a deeper level.

**Josh Randt**

I donned some of the same uniforms and played for some of the same signal callers before I graduated from GSL in 2005, and coming back as the sports editor afforded me unique glimpses of all the athletics I never got to see as a participant or spectator.

The insight and quotes coaches like Robb DeCorsey, Zach Otto-Fisher, Lance Wurm and Dean Schwirtz have given me in my seasons here have been a staple toward my enjoyment of this position. That's not to slight

the other coaches I've worked with, because I've built relationships with every one of you, and I thank you for all that you've done to help me, and our conversations have always been terrific.

But interviewing and interacting with the athletes is probably the best thing about this job, as the kids have come to accept and welcome me as part of their activities – shouting "Camera boy!" and other nicknames when I arrive on scene, giving me fist bumps, high fives, handshakes and pats on the back when you're caught up in the same moment they're in.

It's also been special, as I've played a pivotal part in capturing some of their best and worst moments. While being in the midst of the former is more enjoyable, some of the best and most powerful photos I've taken have been after a heart-wrenching loss.

And I'd just like to remind readers that those photos were not meant to bring the athletes down, but to tell the story of what happened.

I knew coming into this I'd have a blast with high school sports, but I'd have to say the biggest surprise for me was the passion I developed for amateur baseball while covering the Brownston Bruins, Glencoe Brewers and Plato Blue Jays.

I've never been a big fan of Major League Baseball, or really any level outside of high school after I stopped playing back in 2003. And while it can still be one of the most boring sports to cover at times, the characters on each team, and the jabbing before, during and after games made it easier to head to a ballpark on a Saturday or Sunday afternoon.

One of the things I'll miss most of all is the atmosphere

in the office. I've grown close to all my coworkers, and had a lot of fun in the process. The fact that my senior photos from high school are plastered across the back room walls with fake mustaches and hairdos can attest to that.

I want to sincerely thank all of you who have been patient, understanding and helpful in my time here.

My new job won't have nearly as hectic a schedule as I've been accustomed to, and I plan to make it out to some sporting events yet before I end up moving closer to my new location.

I'm excited for a new experience, but as Richard Ashcroft of "The Verve" said, "It's a bittersweet symphony, this life."

This chapter of my life is coming to a close, and without a doubt I'll look back with a fond nostalgia for all that it entailed.

## Does Christmas get old?

Christmas Day has passed. Are you tired? The commercialization of this holiday can have that effect on us. By the time we get to Christmas, we are ready to be done with it. Much like a commercialized Christmas, enslavement to sin gets old really fast. That tempting master never satisfies. He only takes. And in return for a lifetime of service, the pension is death. But an the real Christmas celebration ever grow old? Christmas reveals God's base of operations in his campaign against sin and death. It was a campaign into which he sent his Son to fight victoriously from the cradle to the cross. As a result, you are no longer a slave to sin. Sin may badger you. Sin may threaten you. However, when sin comes knocking, you don't have to answer. Sin has no authority over you life. Through faith in Jesus, you have a new, life-giving master. He has made you into a new creation. He gives you the freedom to be who you were created to be. He created you to be healthy in holiness, not sick in sin. Many may be acting as if Christmas is over. Traditionally, however, the 12 days of Christmas were celebrated from Dec. 25 through Jan. 5. And really, the celebrating lasts throughout the year. The gift which we receive from God, wrapped in cloths and lying in a manger, is a gift that always amazes. For when we were at our worst, God gave us His best. And no matter how long we've had it, God's gift of a Savior, Jesus Christ, never gets old. For His salvation outweighs our sin; His rescue ends our rebellion and gives us life. "But now that you have been set free from sin and have become slaves of God, the benefit you reap leads to holiness, and the result is eternal life." – Romans 6:22 "For in Christ all the fullness of the Deity lives in bodily form, and you have been given fullness in Christ, who is the head over every power and authority." – Colossians 2:9-10
