# A great day to hit the links – with frisbee or putter

Sunny skies and temperatures that hit 70 degrees on Saturday, March 12, made it a perfect day to get in a round of traditional golf or frisbee golf at either the Glencoe Country Club or Oak Leaf Park. Pictured at left, Joe Kunze lofts a chip from the rough on the No. 14 hole at GCC. Pictured at right, Connor Bulau drained a "chip shot" of his own, sinking this 15-yard toss on the second hole of Oak Leaf Park's frisbee golf course.

# Kalenberg, Panthers earn academic honors

Glencoe-Silver Lake girls' basketball forward Maddy Kalenberg, pictured above with ball against St. Peter, earned an All-State Academic Team honor for compiling a grade-point av-

erage of 3.995. The Panthers as a whole claimed the "Silver Award" from the Minnesota State High School Coaches Association for a full-squad GPA of 3.525.

# DNR trap shooting grants available

Minnesota shooting clubs will have another shot at developing or rehabilitating trap-shooting facilities as well as other ranges open to the public through a grants program from the Department of Natural Resources.

The 2014 Minnesota Legislature authorized more than \$2 million for matching grants to recreational shooting clubs for developing or rehabilitating trap shooting sports facilities for public use, with an emphasis on enhancing youth participation opportunities. The 2015 provided Legislature \$800,000 in additional funding for a wider variety of range development and rehabilitation.

"We still have trap range grant funding left that, along with added funding, will allow for the growth or improvement of skeet shooting

venues, as well as rifle and pistol ranges," said Chuck Niska, DNR shooting range program coordinator.

Ranges receiving funds must be open to the public on a reasonable basis, for a reasonable fee.

The first grant type consists of expedited small trap range grants of \$25,000 or less, or large trap range grants of \$25,000 or greater. There is \$650,000 available

The second grant type includes small range grants of \$25,000 or less, or large range grants of \$25,000 or greater. There is \$800,000 available in 2016. These grants provide a wider varietv of range development and rehabilitation.

Each grant recipient is required to equally match the amount of funds the DNR awards them.

Grant application packets are available online on the page http://www.dnr.state.mn.us/ grants/recreation/rangedev.

The application period will be March 15 to April 29. Grantees must have completed any prior DNR shooting range projects, with payments made and contracts closed. Grantees also must provide proof of local government approval, insurance and other information once grant awards are an-

nounced in May. "Our hope is that these grants will allow facilities to add additional trap fields, upgrade equipment or make other improvements that enable more people to participate in the shooting sports," Niska said.

# **Encouragement to grow in prayer**

Then Jesus said to him, "What do you want me to do for you?" — Mark 10:51

esus asks this question, but I'm sure he already knew what the blind man wanted. So also, Jesus already knows what you want even before you call out in prayer. Jesus also cares for you immensely before you can try to earn it. Yet the call to pray still goes out for you to pray – to converse with Jesus. Not for Jesus' sake, but for yours. Anything we repeatedly do, we strengthen. Your prayer life can strengthen and change. Do you repeat the same prayers you

learned as a child? Try learning and using a new prayer. Do you pray for thirty seconds? Try two minutes. Do you pray as you are multi-tasking? Try giving your sole attention to a time of prayer. The growth in prayer is not because it will be more effective in convincing Jesus; he already knows and cares. It is you who will grow in faith, in love, and devotion.

Jesus says, "What do you want me to do for you?" To a child, it sounds like the opportunity to give your wish list. But as adults, it is a call to open yourself up to Jesus and trust him with your life. Prayer is an expression of that trust.

This weekly message is contributed by the following concerned citizens and businesses who urge you to attend the church of your choice. To be added to this page, contact us at 320-864-5518.

Any assessed property owner meeting the requirements of this law and the policy adopted under it may, within 30 days of the confirmation of the assessment, apply to the City Administrator for the prescribed form for such deferral of payment of this special assessment on their property.
