Panthers up record to 6-0 with two-win week

By Tom Carothers
 Sports Editor

A perfect start to the season was run to 6-0 as the Glencoe-Silver Lake baseball team won both of its Wright County Conference West matchups last week. On the road for both games, the Panthers won 8-6 at Mound Westonka on Tuesday, April 19, and 9-1 at Annandale on Friday, April 22.

Mitch Pinske went 4-1/3 innings for the win in the victory against the White Hawks. Pinske struck out five batters while walking four and allowing nine hits and five earned runs.

Alex Troska earned the save with 2-2/3 innings of hitless work, striking out two and walking one in a scoreless appearance.

"Mitch had kind of a rough start, but he settled in and took control of the game at some points," coach Dean Schwirtz said. "When he has control of his split finger

(pitch) he can be unhittable at times. Mitch will only get better as the season progresses."

It was a back-and-forth affair, with Mound Westonka leading 2-1 after the first. GSL took a 6-2 lead in the top of the fourth, but the White Hawks rallied to knot the score at 6-all after the fifth.

The Panthers put away the game with lone tallies in the top of the sixth and seventh frames while holding their hosts scoreless.

Teddy Petersen went 3-for-4 with two RBI and four runs scored. Tristan Weber logged a game-high four RBI on a 2-for-3 day at the plate, with Mitchell Boesche posting a 2-for-4 game with two runs scored.

"At the plate, Teddy and Weber were key," Schwirtz said. "Teddy is a run factory. He just makes things happen with his constant pressure on the defense. Weber has been clutch with timely hitting."

GSL kept its winning streak

alive in resounding manner three days later with an eight-run besting of the host Cardinals. Starting pitcher Peyton Sell went the distance, striking out five batters over seven innings, while scattering two hits and two walks and allowing no earned runs.

"(Sell) was great on the mound. Out of 29 batters he faced, he threw 18 first-pitch strikes. He was also able to mix his pitches up and keep them off balance," Schwirtz said.

Boesche was spotless at the plate, going 4-for-4 with one RBI and one run scored. Mitch Kettner was 2-for-2 with one RBI and one run scored, while Mitch Pinske went 2-for-3 with two runs scored and Petersen went 2-for-4 with two runs and one RBI.

The Brewers rallied from a 1-0 deficit with a six-run fifth inning en route to the triumph, also scoring a lone run in the sixth inning and two more in the eighth inning.

Starting pitcher Jaime Paumen earned the victory, scat-

tering four hits over five innings, striking out two and walking none; he gave up a lone earned run in the second inning.

Paumen also went 3-for-3 at the plate with one RBI and two runs scored. Mason Goettl, Derek Weber, Brandon Ebert, Bratsch and Erkenbrack each had two hits apiece. Ebert drove in two runs, with Weber, Goettl and Paumen each scoring twice.

Glencoe out-hit the Stingers 15-10.

By Tom Carothers

The Glencoe-Silver Lake boys' and girls' track and field teams got in their share of competition over the past week, also finding their share of success in meets at Wattertown-Mayer and Foley.

Girls first at W-M, fifth at Foley

The GSL girls earned their first victory of the season, doing so in resounding manner by scoring 200 points in a Wright County Conference quadrangular hosted by Wattertown-Mayer on Tuesday, April 19.

It was a dominant performance, as the Panthers recorded 54 more points than their closest rival, Rockford, which finished second at 146 points.

GSL tallied eight first-place finishes, including three relays, on an otherwise dank and dreary day in Wa-

tertown.

Rhyan Herrmann won the 200-meter dash in 28.03 seconds, with Emily Graupmann winning the 400-meter dash in one minute, three seconds.

Gia Venier was first in the 800-meter run in 2:49.31, with Majkya Metcalf winning the 1600-meter run in 6:01.12.

In the field, Deanna Bondhus won the long jump with a leap of 14 feet, six inches.

The Panthers nearly swept the relay races, claiming three firsts and one second.

The 4x100-meter relay team of Bondhus, Micki Frahm, Rachael Popp and Herrmann won in a time of 55.54.

The 4x200-meter relay of Emily Muetzel, Taylor Novak, Shelby Clouse and Maddie Monahan was victorious in 1:54.61, as was the 4x400-meter quartet of Muetzel, Novak, Graupmann and Monahan in 4:21.62.

The 4x800-meter squad of Venier, Tarin Michaelis, Maddie Lemke and Ellie Schmidt took second in 11:29.76.

Schmidt finished a narrow second to teammate Venier in the 800, running a 2:49.42; Muetzel also placed second to fellow Panther Graupmann in the 400 with a time of 1:04.48.

Mickalyn Frahm took second in the 100-meter hurdles with a time of 17.82, as did Bondhus in the triple jump after a hop of 31-8.5.

Bondhus also took third in the 100-meter dash with a run of 13.83.

GSL had a trio of athletes place third in field events; Cortney Konen in long jump with a 13-3, Hannah Stifter in shot put with a toss of 27-10 and Krista Boraas in discus with a fling of 66-04.

By Tom Carothers
Sports Editor

With three circuit meets in the book, the Glencoe-Silver Lake girls' golf team is holding onto fourth place in the Wright County Conference West standings following competitions hosted by Dassel-Cokato and Litchfield last week.

Jenna Lokensgard led the Panthers with a score of 47 over nine holes at Albion Ridges Golf Course in Annandale on Tuesday, April 19, which placed her ninth overall in the Charger-hosted meet.

Lindsay Wedin was two strokes off her teammate's pace with a 49. Rachel Reichow posted a 56 and Maddy Brown a 60 to account for GSL's team score of 212, which was good for fourth overall. Also competing for the Panthers were Jordan Rolf, who scored a 61, and Grace Kosek, who logged a 69.

Litchfield Golf Course

hosted the second WCC West matchup last week on Thursday, April 21.

GSL took fifth-place at the competition with a team score of 229, led by Wedin's ninth-place tally of 46. Lokensgard was one stroke behind her fellow senior, taking 12th with a 47. Reichow fired a 54 and Brown a 60 to compose the team score. Also competing for the Panthers, Rolf shot a 61 and Grace Kosek a 62.

GSL competed at Timber Creek Golf Course in Watertown on Tuesday, April 26, after the Chronicle went to press.

It's a busy stretch for the Panthers, who also play at Shamrock Golf Course in Corcoran on Thursday, the Little Crow Country Club in Spicer on Friday and back home at Glencoe Country Club next Monday. Friday's meet is an invitational, Thursday and Monday's matchups are both WCC West competitions.

peted, carding scores of 55 and 69, respectively.

GSL was slated to play in an invitational meet at Burl Oaks Golf Club in Minnetrista on Monday, April 25, but that competition was postponed until this coming Monday due to inclement weather conditions.

The Panthers are scheduled to travel to Little Crow Golf Course on Thursday for a WCC West meet hosted by New London-Spicer. That meet is slated to be followed by an invitational meet at Hutchinson's Crow River Golf Club on Friday.

 A car driven by Herman Blum of Stewart plowed into a group of four children Tuesday morning on Trunk Highway 212 about 5½ miles southwest of Glencoe in front of District Schoolhouse No. 60. The children were about to board the Glencoe school bus which conveys children on the Sumter-Lake Marion route. None of the children were killed, but all four were more or less se-

riously injured. They are Rosa, 14, and Kathleen, 16, daughters of Mr. and Mrs. Henry Goulet, and Janet 12, and Thomas, 18, daughter and son of Mr. and Mrs. Clem Goulet. According to the bus driver, Blum drove around a car and truck that had stopped for the bus, onto the shoulder and crashed into the children. Blum was arraigned in municipal court on a charge of reckless driving and sentenced to 90 days in jail. He still faces charges of driving a car without brakes and driving a car without a license.

Warm weather favors rapid planting

Source: Dave Nicolai, Extension educator, crops, University of Minnesota Extension.
 Warm and dry conditions allowed Minnesota farmers to begin planting in earnest, with significant progress in planting small grain acreage during the week ending April 17, according to USDA's National Agricultural Statistics Service. Over one-half of the sugarbeet acreage was planted during the week, resulting in the largest percent of the crop planted by this date on record. There were 5.1 days suitable for fieldwork.

Thirteen percent of Minnesota's expected corn acreage has been planted, eight days ahead of the five-year average and three days ahead of last year. Twenty-three percent of the spring wheat acreage has been planted, which is equal to the 5-year average, but five days behind last year.
 Maximum corn yield in Minnesota is generally obtained when planting occurs in late April or early May. In years when spring arrives early, a mid-April planting date can produce similar yield if young plants are not damaged by a freeze in May. In years when few growing degree days are accumulated during late April and the first half of May, maximum corn yield also can be obtained when planting occurs in mid-May.

Dr. Jeff Coulter, University of Minnesota Extension corn specialist, provides the following guidelines for successful corn establishment this spring:
Achieve good seed-to-soil contact and root development: A firm seedbed at planting is critical for good seed-to-soil contact and establishment of the nodal roots which develop near the soil surface. A seedbed can be considered too loose if one sinks greater than one inch when walking through the field, but this can vary with planting equipment. At the same time, avoid excessive pre-plant tillage, which can result in surface crusting and emergence problems if heavy rainfall occurs prior to emergence. Excessive pre-plant tillage also enhances the risk of wind erosion and sandblasting to corn seedlings.
 A planting depth of 2 inches is optimal for corn in most situations in Minnesota. Shallow placement of seed increases the risk of poor nodal root establishment. High planting speeds that result in bounce of planter units should be avoided, as this can result in shallow placement of some seeds and variable emergence.
Avoid tillage when soils are wet: In general, a field is

Farm Notes

By Nathan Winter

ready for seedbed preparation when soil in the depth of tillage crumbles when squeezed. Pre-plant tillage when soils are wet can create a cloddy seedbed that reduces seed-to-soil contact. Achieving excellent seed-to-soil contact is important for rapid and uniform imbibition of moisture by seeds. Tillage when soils are wet also can create a zone of compaction just below the depth of tillage that can restrict root development.
 Sidewall compaction can occur when planter disc openers cut through wet fine-textured soil, resulting in compacted soil around the seed that is difficult for nodal roots to penetrate. In addition, seed furrows can open following planting in such conditions, resulting in poor seed-to-soil contact and poor stand establishment.
Optimize planting rate: Optimal corn planting rates vary somewhat with hybrid, soil productivity, and expected yield. However, planting rates of 34,000 to 36,000 seeds/acre generally maximize economic return in most fields in Minnesota.

Perception is not your reality

Circumstances may be stacked against you, which are leaving you feeling like the entire world opposes you at every turn as you follow Jesus. The added piece is that your current pursuit of God could find you feeling like your paddling upstream against various perceptions. Perhaps a perception or two that is completely different from your reality and who you are at all. However, you who follow Christ are never bound by perceptions. Remember your reality! God sees you as His child; the Lord is not blind to your circumstances and uses them for what is most important to Him. This may even be shaping you into His likeness through your current circumstances.

God uses the difficult things to strengthen your relationship with the Lord and continues preparing you for what is ahead. Godly character is built in the difficult stretches. The battle against misconceived perceptions may continue for a long time, so focus on your reality. The truth of who you are in God's eyes has not changed. God alone is the one who took away your sin and continues to transform you into His beautiful reality, as His magnificent creation. So we fix our eyes not on what is seen (perceptions), but on what is unseen (reality), since what is seen is temporary, but what is unseen is eternal 2 Corinthians 4:18. Perception is not your reality.

This weekly message is contributed by the following concerned citizens and businesses who urge you to attend the church of your choice. To be added to this page, contact us at 320-864-5518.
