The Glencoe-Silver Lake boys' and girls' track and field teams both finished third in their respective Section 2A Subsection 8 competitions at GSL High School on Thursday, May 21. More importantly, each squad advanced several members to the section championship meet this Saturday at Mankato West High School.

GSL Girls

Ten members of the GSL girls team qualified for the section finals over three field events, two relays and five individual running events.

The 4x200-meter relay team of Emily Muetzel, Taylor Novak, Maddie Monahan and Shelby Clouse earned the subsection title with a time of one minute, 50.23 seconds – over three seconds faster than the runner-up team from Belle Plaine/Holy Family. The 4x400-meter relay quartet of Muetzel, Monahan, Novak and Elsie Graupmann qualified for the sectional final with a second-place time of 4:15.36.

Monahan also won the 300-meter hurdles in a time of 49.23 seconds to punch her ticket for the 2AA title meet.

Clouse also qualified individually for the section final with a second-place run of 13.24 in the 100-meter dash, as did Muetzel with a runner-up turn of 1:00.74 in the 400-

meter dash.

Taryn Reichow took third in the 100-meter hurdles with a 17.19 and will run at Mankato West. Annamaria Falcon will compete at sections in the 1600-meter run after her subsection time of 6:00.79 was good for fourth place.

In field events, Zoe Christensen claimed a subsection championship in the shot put with a hurl of 34 feet, 11 inches. Deanna Bondhus earned the right to compete at sections with a fourth-place leap of 15-1 in the long jump. Pole vaulter Kirsten Barott rounds out the team's section-competing contingent after clearing 8-0 for fourth place last Thursday.

As a team, GSL claimed 154 points for its third-place result. Belle Plaine/Holy Family won the subsection with 308.5 points. Jordan was second with 175 and Sibley East fourth with 65.

GSL Boys

Twelve Panthers advanced to the section final over 11 events, including two relays and three field events.

GSL's 4x400 relay squad of Aaron Giesen, Michael Schaefer, Kyle Beck and Brandon Richter won the subsectional championship in a time of 3:35.75. The 4x800 foursome of Jac Chelman, Garret Ardolf, Schaefer and Richter also cruised to a sectional berth with a second-place subsection time of 8:44.29.

Richter claimed the team's lone individual subsection title by winning the 800-meter run. The senior held off Jordan's Jason Hartwig by a mere four-tenths of a second to claim

first place in a time of 2:03.15 and is now one step away from state in three events.

Baseball wins section opener

**By Tom Carothers

A three-run home run from Mason Goettl helped the Glencoe-Silver Lake baseball team hold off an upset bid on the part of LeSueur-Henderson and win its Section 2AA Tournament opener 4-2 on Friday, May 22 at Vollmer Field.

The Panthers, the top seed in the north subsection, looked prepped to make short work of the eighth-seeded Giants under sunny skies. Teddy Petersen led off the bottom of the first inning with a hard double into the left field corner before a fielding

error put No. 2 hitter Bennett Bielke on at second base with Petersen moving to third with nobody out.

Goettl promptly brought both runner home with a booming shot over the left-center field wall to make the score 3-0. The Panthers appeared poised to tack a few more runs on the board as Tyler Chap and Peyton Sell both logged one-out singles, but LSH starting pitcher Tyler Kotasek limited the damage by stranding both runners.

GSL starter Alex Romano cruised through the first two innings before allowing a run on three singles in the

third. The score remained 3-1 into the fifth before the Giants notched another run on a leadoff triple and sacrifice fly to pull within a single score.

With the game proving a bit too close for comfort, the Panthers recorded an insurance run in the bottom of the fifth. Petersen got on base with a one-out single, then stole second and advanced to third base on a throwing error.

“The ‘Long, Long, Long, ...’ Creed”

So why do we need creeds? Is the Bible not enough? Yes, the Word of God is sufficient, the Bible contains everything we need to know for salvation. However, sometimes in church history, the church has had to reaffirm and clarify its beliefs when faced with the challenges of false teachers.

This coming Sunday will be the celebration of the Holy Trinity in many of our churches and we will confess that “long, long, long, ...” creed. Let’s talk about the Athanasian Creed. What does it say that the others do not? This creed focuses upon and confesses what the Bible says about God the Father, God the Son, and God the Holy Spirit and their relationship to each other as the Bible gives it to us. But, “there are not three Gods, there is only one God.” It is a mystery as to how this is true, but nevertheless it is what the Bible says and what the Christian Church has confessed from its very beginning and continues to confess today. It also expresses, accurately, what the Bible teaches about the co-equality of each person of the Trinity. In other words, no one person of the Trinity is the “boss” of the other, none is of higher “rank” than the other. Once again, this is a mystery, but it is true- they work together. There is more, but these are enough examples.

So, why do we take time to confess this “long, long, long, ...” creed? We confess in this creed clearly what we believe about the Holy Trinity to avoid confusion and help prevent false teachers from sowing doubt among believers. But, also, to be faithful in our witness concerning the Holy Trinity and to everything the Lord has given to us- forgiveness, life, and salvation- through the life, suffering, death, and resurrection of our Savior Jesus Christ! Amen, amen, amen!

This weekly message is contributed by the following concerned citizens and businesses who urge you to attend the church of your choice. To be added to this page, contact us at 320-864-5518.

County to study feasibility of staff telecommuting

By Dave Pedersen Correspondent
As a possible relief for staff space issues, the McLeod County Board of Commissioners voted to form a work group to discuss the feasibility of allowing staff telecommuting at its May 19 meeting.
The idea came as one of the recommendations made by the personnel committee. The work group will include Gary Sprynczynatyk, Vince Traver, Linda Senst and Mary Jo Wieseler. A 90-day deadline was added.
The county will increase all wages on Aug. 1 to the new Minnesota minimum wage of \$9 if they are below that. Some employees will be benefited.
The board voted to hire a full-time communications officer due to a resignation.
Approved was the previous promotion of a public health nurse (grade 24) to a school nurse (grade 25). This was an

oversight of timely processing and was to be effective Dec. 2, 2013.
The board voted to hire a 28-hour public health nurse (grade 24) if no one applies for the public health nurse position. Or the county can consider hiring a 28-hour registered nurse (grade 22) due to a resignation.
A new job description for the mental health professional/team lead was approved. There will not be a grade change at this time, waiting for results of the Keystone Classification Study.
Jim Fowler will replace Chris Otto on the Pioneer Library Joint Powers Board. Mary Jo Wieseler will replace Betty Werth on the employee enrichment and development committee.
Mary Krueger will take over for Charlie Lemke on the HRA board. Ryan Lemke will replace Doug Krueger on parks commission.
