

Blue Jays win High Life Invitational title

By Tom Carothers
 Sports Editor

The Plato Blue Jays remained on their midseason roll by winning the Miller High Life Invitational on Sunday, June 19. Plato went 4-0 in tournament play, including a 10-0 shutout of Fort Ripley in the championship game.

Zack Stockman took to the mound for his first Blue Jays' start and tossed a gem against the Rebels. He pitched all five innings for an abbreviated complete game victory, scattering six hits and three walks while striking out four.

Stockman's Plato teammates ensured a quick game by knocking in five runs in the third inning, three in the fourth and two more in the fifth to hang a 10-run rule loss on their foe.

Ben Slater drove in three runs and scored once with a 2-for-3 game, while Kyle Panning, Chris Odegaard and Joe Nix drove in two runs apiece. Panning and Nolan Lepel scored twice each.

To get to the title game,

Plato defeated Savage 6-4 in Sunday's preliminary matchup.

Chris Odegaard got the start and struck out seven batters over seven innings before Matt Odegaard claimed the win after tossing two innings of relief.

Nix notched two RBI, with Lepel scoring twice in the contest, won by Plato with two runs in the top of the ninth inning.

Prior to the Blue Jays double-win Sunday, the team went 1-1 on Saturday's first day of tournament play.

Plato opened the invitational with a 4-3 besting of Owatonna, as starting pitcher Adam Prehn earned a seven-inning, complete game win.

Lepel accounted for the major share of Blue Jay offense in the tightly-contested game, driving in three runs on a pair of singles. Panning went 2-for-4 with one RBI and one run scored.

Plato finished off Saturday with a 2-1 defeat of host Gaylord in the invitational's sec-

ond round.

Cody Hallahan held off the Islanders by allowing one unearned run over a seven-inning complete game performance. He struck out six batters, while giving up five hits and one walk.

The Blue Jays scored one run in both the first and third innings, while Gaylord pushed across its lone tally in the fourth.

Matt Odegaard scored both of Plato's runs, with Tyler Lang notching one RBI.

The four-win weekend pushed the Blue Jays' overall record to 13-3 on the season.

Plato will bring a nine-game winning streak into a Friday night matchup against the Glencoe Brewers, with first pitch scheduled for 7 p.m. at Vollmer Field.

The Blue Jays, currently second in the CRVL West with a 9-1 league record, are also scheduled to host Watertown at 4 p.m. Saturday before traveling to face Waconia at 7:30 p.m., Wednesday, June 29.

Brewers walk past Cologne

By Tom Carothers
 Sports Editor

With the help of 15 walks, the Glencoe Brewers ran their Crow River Valley League (CRVL) winning streak to four games with a 6-3 win at Cologne on Wednesday, June 15.

Glencoe garnered just four hits – including a two-run homer from Gannon Jordahl in the first inning – but eased their way to victory despite committing six errors in the field.

“Our pitchers did well, but other than that we did not play a very good game,” coach Stephen Wiblemo said. “Only four hits, six errors and we had at least five base running mistakes that either cost us outs or runs in the game.”

Starting pitcher Justin Erkenbrack earned the win for the Brewers after going 6-1/3 innings with two strikeouts while allowing four walks, two hits and one earned run.

Derek Bratsch struck out a pair while allowing two hits, two walks and no earned runs in 2-2/3 innings of relief before Tanner

Grack struck out the lone batter he faced to close out the game and claim the save.

The win improved Glencoe to 10-6 overall and 7-3 in CRVL play. As of June 19, the Brewers were third in the CRVL West, 2.5 games behind division-leading Green Isle.

Glencoe traveled to play in the Atwater Days Tournament on Saturday, June 18, coming away with a pair of losses.

The Brewers fell 2-1 to the Minneapolis Angels in the tourney opener, with Mason Goettl's seventh-inning solo home run accounting for all the Glencoe offense.

Starting pitcher Jaime Paumen struck out three in a six-inning complete game effort, but came away the hard-luck loser despite giving up just two earned runs on five hits and no walks.

The Brewers provided more scoring in their second tourney game, but also gave away more runs in a 6-5 loss to St. James.

Brownton earns sultry win over Black Sox

By Lori Cople Editor

The Brownton Bruins earned an 8-2 win over Carver in Sunday's hot and sultry weather.

The Bruins scored their first run in the top of the first when Taylor Schuette drew a bases-loaded walk to plate leadoff batter Spencer Glaeser, who reached base on an error.

Brownton pulled ahead 2-0 with a run in the top of the

fourth as Schuette, who singled, scored on sacrifice bunt by Seth Schuette.

The Black Sox scored the first of their two runs in the bottom of the fourth to cut into the Bruins' lead, 2-1. Anthony Gross drove in the run on a double.

The Bruins put three insurance runs on the scoreboard in the fifth, with Jason Rose-nau driving in two with a well-time single and one scoring on a single by Dylan

McCormick.

Carver scored its second and final run in the bottom of the fifth on a single by Andrew Weber.

The Bruins carried their 5-2 lead into the seventh, when Bryce Lindeman drove in a run with two-out single to boost the score to 6-2.

Deryk Randt drove in two runs with a two-out single in the ninth to cap the Bruins' scoring.

McCormick pitched a com-

plete game for Brownton, scattering eight hits as he struck out four and walked two.

The Bruins had nine hits, with Randt, Taylor Schuette and Lindeman garnering two each, while Glaeser, McCormick and Rosenau each had one.

Mark Ulric was charged with the loss in a five-inning start for Carver. Luke Wade pitched four innings of relief.

The Bruins had been slated

to host LeSueur in a non-league game last Friday, but it was rained out.

They host New Germany Wednesday night and travel to Fairfax Friday. Both games have 7:30 p.m. starts.

On Sunday, they head to Glencoe to face the Brewers in a 2 p.m. tilt.

Brownton is now 5-5 in the Crow River Valley League's West Division, and 5-8 overall.

Pastor's Corner

Father Tony Stubeda
St. Pius X, Glencoe

In my impatient and prideful youth I found much in my father to criticize, especially, when from my immature point of view, he was resistant to what I thought were my perfectly reasonable desires to do what I wanted, how I wanted and when I wanted. In my more angry moments I would think, but never dare to say, "I will never be like you." As I matured and have grown to be more reflective and honest about myself, I regret having thought such an ugly thought. More often than not, I now wish that I could become more like the loving, dedicated, principled and faithful man I have grown to appreciate. The unshakeable values and faith that guide my father's life that I found so irritating in my youth have become a valued witness to the truth about our lives that I find to be a refuge in my own struggles.

In the Gospel we heard in church on Father's Day, Jesus asks his disciples to make a profession of faith. When they correctly answer that he is the Christ, he warns them not to tell this to others. This warning is not given because it is incorrect, but because their vision of the Christ as a great and conquering hero and king misses the true meaning of his message. Jesus immediately teaches them that salvation is gained through faithfulness to God in the most difficult of times and in the greatest moments of stress and suffering. The true meaning of being the Christ is to live in absolute fidelity to the Father, to know in the depths of one's being that nothing is more powerful than being loved by God, and that no difficulty, suffering, pain or desolation can overwhelm the power of that love. It is in imitation of the complete abandonment of Christ to the will of God that we will find light and life. The command to "pick up your cross daily and follow me," is not an invitation to seek out suffering, but an invitation to conquer the uncertainties and suffering of human existence with the power of faithfulness and hope in God.

Throughout his life my father has taught me that truth. In 41 years of marriage he saw those he loved suffer terribly, and often he was helpless to calm that suffering, but he never turned away from it and never gave up. There was not one moment in my life that I thought my father would shrink from those he loved when things got difficult. He was at my mother's side through the death of three of their children, through dozens of hospitalizations and surgeries, through moments of unrelenting pain and sadness, yet he did not turn away from the path of love. He was faithful through all these sufferings and trials, and he held my mother in his arms as she died. In the darkness of those moments he did not lose faith or despair. In the aching isolation and loneliness after my mother's death he prayed constantly and in the darkness sought the guidance of the God whom he knew loved him.

On this Father's Day I prayed that God will bless my father and fill him with light and peace, and that I might learn to live my life with the same grace, faithfulness and integrity with which he lives his.

Rate Increase Notice

Notice of public hearings for Xcel Energy

Xcel Energy has asked the Minnesota Public Utilities Commission (MPUC) for a three-year increase in electricity rates. For 2016, the requested increase is for \$194.6 million or about 6.4 percent. For 2017, the requested incremental increase is for \$52.1 million or about 1.7 percent. For 2018, the requested incremental increase is for \$50.4 million or 1.7 percent. The total increase for the three-year period is \$297.1 million or about 9.8 percent.

Alternatively, Xcel Energy has proposed a settlement plan offer which asks the MPUC to approve a five-year increase in electricity rates. Under this rate-setting approach, the requested increase for 2016 is for \$163.7 million or about 5.4 percent, based on the 2016 cost of service. For 2017, 2018, 2019 and 2020, the requested incremental increase for each year is \$54.6 million, or about 1.8 percent per year. Depending upon customer class and use, the actual percentage of any increase will vary under either the three-year or five-year proposal. We requested the rate changes described in this notice. The MPUC may either grant or deny the requested changes, in whole or in part, and may grant a lesser or greater increase than that requested for any class or classes of service.

The MPUC will likely make its decision about the final rates in 2017. While the MPUC reviews Xcel Energy's request, state law allows Xcel Energy to collect higher rates on an interim (temporary) basis. The interim rate increase for 2016 is \$163.7 million or about 5.5 percent over total current rates. Because Xcel Energy is requesting a multi-year rate plan, we also requested an increase to the interim rate starting January 1, 2017. If approved, the Company will provide additional details before this increase happens. If final rates are lower than interim rates, we will refund customers the difference with interest. If final rates are higher than interim rates, we will not charge customers the difference.

If you move before a refund is issued and we cannot find you, your refund may be treated as abandoned property and sent to the Minnesota Department of Commerce, Unclaimed Property Unit. You can check for unclaimed property at missingmoney.com. To make sure we can send you any refund owed, please provide a forwarding address when you stop service.

Public hearings

Administrative Law Judge Jeffery Oxley is holding eight public hearings. You are invited to comment on the adequacy and quality of Xcel Energy's service, the level of rates or other related matters. You do not need to be represented by an attorney.

Effect of rate changes

• The chart labeled PROPOSED CHANGE IN AVERAGE MONTHLY BILLS shows the effect of the interim rate increase and the proposal for three annual rate increases on monthly bills for customers with average electricity usage. Individual changes may be higher or lower depending on actual electricity usage.

• The chart labeled MONTHLY CUSTOMER CHARGES shows the current and proposed 2016 and 2017 monthly customer charges.

• The chart labeled ENERGY (PER KWH) AND DEMAND (PER KW) RATES shows the effect of Xcel Energy's proposal on 2016 and 2017 energy and demand charges for each class of ratepayers.

For 2018 rates, Xcel Energy proposed a 2.026 percent General Rate Surcharge applicable to the customer, energy (kWh) and demand (kW) charge components of 2017 rates.

Accommodations

If any reasonable accommodation is needed to enable you to fully participate in these meetings (e.g., sign language or large print materials), please contact the Office of Administrative Hearings at 651.361.7000 (voice) or 651.361.7878 (TTY) at least one week in advance of the meeting.

Evidentiary hearings

Formal evidentiary hearings on Xcel Energy's proposal start on October 3, 2016, at the MPUC, 121 Seventh Place East, Suite 350, St. Paul. The purpose of the evidentiary hearings is to allow Xcel Energy, the Minnesota Department of Commerce-Division of Energy Resources, the Minnesota Office of Attorney General-Antitrust and Utilities Division, and others to present testimony and to cross-examine each other's witnesses on the proposed rate increase.

Area FFA corn drives aid Camp Courage

Glencoe-Silver Lake FFA and Buffalo Lake-Hector-Stewart FFA are outstanding supporters of True Friends Camp Courage with their annual corn drives. This past school year the Buffalo Lake-Hector-Stewart FFA was the seventh top FFA supporter, raising \$7,107. GSL FFA was the sixteenth top FFA supporter, raising \$4,300. Funds raised will help provide scholarship and program support for kids and adults with disabilities to attend camp.

The corn drive tradition began in 1953 after a large storm passed through the area. Freeborn FFA Advisor Lee Asche had the idea to gather the corn that fell to the ground and sell it to the elevator. They took the money raised from this effort, \$90, and donated it to Camp Courage, which allowed one Freeborn resident with polio to attend summer camp. Since then the corn drive has raised over \$5.5 million for Camp Courage and True

Friends. Today over 60 chapters participate in the corn drive each year to help support campers while they have a blast tubing, fishing, horseback riding and zip lining. Just in time for summer camp, a brand new ropes course was built at Camp Courage. This course is one-of-a-kind because it is completely wheelchair accessible. Campers will have independent control of deciding when they would like to ascend and

descend rather than relying on staff. This is one of many examples of True Friends carrying out our mission of providing life-changing experiences and adventures that enhance independence and self-esteem for children and adults with disabilities.

Delores M. Ervin scholarships recipients announced

The 2016 recipients of the Delores M. Ervin scholarships have been announced. They are Elizabeth Hermodson-Olsen, daughter of the Rev. Andrew and Rosine Hermod-

son-Olsen of Brownton, and Layne Herrmann, daughter of Cory and Vicki Herrmann of Brownton.

The Delores M. Ervin scholarship was established in

2008 by the late Delores Mae Ervin of rural Stewart. Her goal was to foster postsecondary education in hands-on, health-care-related fields.

To be eligible for the schol-

arship, students must be a resident of the former McLeod West School District as it existed on Jan. 1, 2009, and planning to pursue a career in the health-care field.
