The Plato Blue Jays (above) won their second Region 7C title in the past three seasons after defeating the Waconia Lakers in the championship round on Sunday, Aug. 16 at Irish Yard in Green Isle. Plato earned a first-round bye for the upcoming state tournament by winning the region. Tony Wischnack (below right)

pitched eight innings of one-run ball to claim the victory, 2-1, over the Lakers in a winner-take-all second game after Waconia handed the Blue Jays their first loss of regional play in the championship opener Sunday afternoon. Plato opens the state tournament at 7:30 p.m., Saturday, Aug. 29, in Watkins.

Plato crowned region champs

For the second time in three seasons, the Plato Blue Jays are headed to the state tournament as a region champion.

The Blue Jays claimed the Region 7C title on Sunday, Aug. 16, after holding off a stern challenge from the Waconia Lakers in the championship round at Irish Yard in Green Isle.

“It feels real good,” manager Adam Dammann said. “The stars aligned for us a bit, but we worked hard to accomplish one of our season goals – we feel very good about coming out on top.”

After emerging unscathed through the first weekend of regional play, Plato kicked off the second and final weekend in top form by upending Green Isle 10-4 in the championship bracket semifinal on Saturday, Aug. 15.

The Irish had swept the regular-season series from the Blue Jays, winning both in Plato and in Green Isle. But the tide turned in a major way for the third meeting, with the Blue Jays staking themselves to a 3-0 lead in the fourth – 7-0 after the top of the seventh – before the game wrapped up with Plato winning by six runs.

Tyler Lang had the big blast via a two-run homer, with Matt Odegaard tallying three RBI with a pair of doubles. Chris Odegaard was 3-for-6 with two RBI and three runs scored.

“Green Isle has always been strong and we knew it’d be a dogfight,” Dammann said. “But our guys really came out and hit the ball well off a really good pitcher in Mac Zachow. We just had a good game.”

Plato starting pitcher Cody

Hallahan earned his second victory of the tournament. He struck out six batters, allowing three hits, two walks and one earned run in six innings of work.

Brownnton Bruins draftee Dylan McCormick saw his first work of the regional, tossing two innings with two strikeouts, two walks and one earned run allowed. Tony Wischnack also threw an inning, giving up two earned runs – one earned – to close out the contest.

There would be no regional rematch as Waconia emerged from the one-loss bracket to challenge Plato for 7C supremacy on an overcast Sunday afternoon. The Blue Jays needed just one win to claim the title and had one of their very best – Adam Prehn – on the hill to start the day.

However, the Lakers showed they would be no

doormat to the region championship. Waconia put up three quick runs in the second inning and held on to claim a 4-2 win to force a second and deciding game.

“We didn’t make it easy on ourselves,” Dammann said. Both teams combined for 21 hits despite the five runs scored in Game 1. Game 2 saw 17 total hits pounded out between the teams with three runs posted between the squads in the first inning alone.

Plato, playing as the visiting team for the second game, promptly got on the board in the top of the first after Chris and Matt Odegaard led off with back-to-back singles and were eventually brought home, respectively, on an RBI sacrifice fly by Nolan Lepel

Roisum receives call to the Hall

Former Glencoe/Glencoe-Silver Lake High School baseball coach Dennis Roisum will be enshrined in the Minnesota State High School Baseball Coaches Association (MSHSBCA) Hall of Fame as a member of the Class of 2015, the association announced last week.

Roisum will be one of eight coaches inducted into the MSHSBCA Hall of Fame during a ceremony on Saturday, Oct. 24 at the Ramada Plaza in Minneapolis.

A native of Pennock, Minn., Roisum coached high school baseball in both Hector and Glencoe for 25 seasons before retiring on March 30, 2001.

He accumulated over 300 victories in his

two coaching stops, spending his last 18 years as a head coach in Glencoe.

Over his final seven seasons with the Panthers, GSL won four Wright County Conference championships and finished no lower than third place in the circuit over that stretch.

Roisum was previously honored by the MSHSBCA in 2005, earning the annual Jim Dimmick/Retired Coaches Award.

Several Glencoe-area children competed for the Hutchinson High Tides swim team at the long course state meet July 30 through Aug. 2. Pictured, clockwise from bottom left, are: Mikayla and Madison Witte; Madison Witte pictured with her award for placing first in 10-and-under girls high points competition; An-

Glencoe youth swimmers make mark for High Tides

A group of children from Glencoe competed in both state and regional competition recently as members of the Hutchinson High Tides Swim Club.

Madison, Mikayla and Anthony Witte were joined by Jaci Lemke in the 2015 Long Course State Meet July 31-Aug. 2 with both Madison and Mikayla Witte competing for Team Minnesota at the Central Zone Long Course Championship Aug. 7-9. Both meets took place at the University of Minnesota Aquatic Center.

Madison Witte earned the high points award for 10-and-under girls at the state meet after swimming in

six individual events and two relays. She finished second in the 200-meter IM, third in the 50-meter butterfly and fifth in the 50-meter freestyle. She also teamed up with Lemke in a pair of relays – the 200-meter freestyle, which placed 15th, and the 200-meter medley, which came in 17th. Both relay teams dropped over 20 seconds from their previous best finishes.

Mikayla Witte, who is 12-years-old, swam in six individual events, one time trial and four relays. She placed 14th individually in the 50-meter backstroke, while all four of her relay teams claimed top-10 re-

sults. Her 200-meter freestyle and medley relay teams both took sixth, with the 400-meter freestyle placed seventh and the 400-meter medley came in 10th.

Eight-year-old Anthony Witte finished 10th with the 200-meter medley relay and 12th with the 200-meter freestyle relay in 10-and-under competition.

Madison and Mikayla Witte were among eight members of the High Tides to advance to the Central Zone meet as part of Team Minnesota.

Madison Witte swam in six individual events and two relays at the meet. Individually, she placed fourth

in the 50-meter butterfly, fifth in the 100-meter butterfly, seventh in the 100-meter freestyle, eighth in the 100-meter backstroke, ninth in the 200-meter IM and 17th in the 50-meter backstroke. She helped her 200-meter freestyle relay team to a second-place finish and her 200-meter medley relay quartet to a third-place result.

Mikayla Witte swam in four individual events in the 11-12 girls competition. She took 54th in the 50-meter freestyle, 56th in the 50-meter backstroke, 72nd in the 100-meter freestyle and 77th in the 50-meter butterfly.

Chris Odegaard (pictured above) closed out Plato's Region 7C-clinching victory over Waconia on Sunday, Aug. 16 at Irish Yard in Green Isle. Blue Jays manager Adam Dammann (below) appeared relieved that his team earned the championship trophy after nearly five hours of nail-biting baseball.

Blue Jays Continued from page 1B

and an RBI single by Joe Nix.

Waconia cut that lead to 2-1 in the blink of an eye in the bottom of the first after starting their initial at-bat with a single, a walk and an RBI single before Wischnack, the Blue Jays' starting pitcher for the afternoon "nightcap," coaxed the Lakers into a foul pop-up and two infield groundouts.

While the offensive antics

had many at Irish Yard believing Game 2 was primed to be a slugfest, those first-inning runs proved to be the only to cross the plate for the remainder of the game as 2-1 held up for the eventual final score.

Despite putting up 10 hits and placing several runs in scoring position throughout the contest, Plato was unable to pad its lead. No matter, however, as Wischnack posted

seven scoreless frames after allowing the first-inning run.

Chris Odegaard came on to close out the game in the ninth, and after a few tense moments, locked down the save, Wischnack's win and the region-clinching victory.

"It was nerve wracking, but we didn't lose our composure," Dammann said. "We kept our balance."

With the region title, the Blue Jays earned a first-round bye for the Class C State Tournament, which is scheduled to begin this weekend. In addition to getting to sit out the first weekend of state tournament play, Plato also earned the No. 1 draft pick with which to select pitching reinforcements for the remainder of the season.

With the first pick, the team selected Winsted hurler Tony Kley, an all-state tournament selection in 2014. Brownston pitcher Bryant Nordby was the Blue Jays' second draftee.

While two pitchers are joining the roster, a pair of key contributors are also departing the Plato roster – at least temporarily.

Nolan Lepel and Ben Slater will miss the Blue Jays' state opener against either Shakopee or Lamberton on Saturday, Aug. 29 in Watkins

due to collegiate commitments. However, Dammann said that if the Blue Jays advance past their first game, the pair could return for the main thrust of tournament play from Sept. 5-7.

However, advancing to the Labor Day weekend is far from a given. Plato won the region and earned a first-round bye in 2013, but was eliminated from the tournament after just one game in a loss to New Prague.

"A number of No. 1 seeds don't advance," Dammann said. "I think having that week off is difficult for a number of teams, but for us, I think it will be helpful. Some of our guys are banged up and can use the time to heal up and it will be good to let our pitchers rest up as well."

Plato, which enters the Class C tourney with a 25-7 overall record, will need four wins in Cold Spring and Watkins to find itself playing for a state title on Monday, Sept. 7. The Blue Jays previously won state championships in 1996 and 2007.

"There's going to be a lot of good baseball played on some beautiful fields," Dammann said. "We'd like to see as many of our fans up there as possible."

New beginnings

This time of year is filled with many new beginnings and they are never without a measure of anxiousness. It companions us from home to preschool, elementary to middle school, high school to post-secondary education, in work or business transitions, as we enter into marriage or experience any life-changing reality. Our lives often mirror an aerial view depicting roadways that spider outward to an infinity of possibilities. Even when we feel a measure of confidence about a given path, the uncertainty of the many unknowns cause us angst. We wonder if we can actually achieve our hoped for goal or dream that lies in some distant, ever-changing future; we question our abilities and worthiness.

Lao Tzu, a Chinese philosopher, has said, "The journey of a thousand miles begins with a single step." His intention was to communicate that no matter how "humble" our beginning or distant the goal, we will encounter and experience amazing things when we put one foot ahead of the other. Good words to remember!

However, anxiousness is not our "only" companion as we travel the way set before us. Jesus said, "I am the way, the truth and the Life." Wherever your journey takes you in the days, months, and years ahead, be confident that Jesus goes with you. Never be afraid to confide in him or lean on him, for his compassionate love and mercy are steadfast and everlasting! Good words for living the life that unfolds before you!

Buffalo Creek Watershed District

NOTICE OF PUBLIC HEARING on the

Marsh Water Project

PLEASE TAKE NOTICE that the Buffalo Creek Watershed District Board of Managers will hold a final hearing on the Marsh Water Project on Tuesday, August 25 at 6:00 p.m. at the Glencoe City Center. The purpose of the final hearing is to receive public comment under Minnesota Statute 103D.605 regarding the Project. The engineer's report has been filed with the Buffalo Creek Watershed District and is available for inspection. Reports of the DNR and Board of Water and Soil Resources have also been filed with the District and are available for inspection. To request inspection of the engineer's report or the agency reports, contact Larry Phillips, Manager, Buffalo Creek Watershed District, PO. Box 55, Glencoe, MN 55336.

The Marsh Water Project is a basic water management project, petitioned by the City of Glencoe, located in the City of Glencoe and Glencoe Township and designed for the purposes of flood control, water quality improvement, stormwater management, and drainage. The project is specifically identified in the District's Watershed Management Plan. The project components include construction of a stormwater pond, replacement of culverts, repairs to stormsewer, establishment of buffers, and acquisition of easements. The project affects properties within Sections 2, 3, 4, 9, 10, 11, 14, 15, and 16 Township 115, Range 28, City of Glencoe.

The estimated project cost is \$929,000, to be paid for from the proceeds of State grants and loans; charges to properties within the Water Management District established for the project; and tax revenues of the District. Based on the estimated project cost, approximately \$156,960 of project cost is allocated to the City of Glencoe.

All parties interested in the proposed project shall appear at the public hearing to present objections and to show why an order should not be made by the managers confirming the reports of the engineer, confirming project cost allocations, approving water management district charges, and ordering the establishment and construction of the project.
