

## Panthers win opener

By Tom Carothers  
 Sports Editor

With a 20-6 defeat of New London-Spicer on Saturday, Aug. 22, the Glencoe-Silver Lake football team not only opened the 2015 season with a victory, it also gained a measure of revenge for a 13-12 loss to the Wildcats in the 2014 Class AAA State Tournament semifinals.

"We don't reflect on the past," coach Scott Tschimperle said of the win in relation to last year's state tournament defeat. "We have a lot of respect for New London-Spicer and our kids were confident that we could win that game."

Both teams looked quite a bit different than they did last November on a frosty field at Eden Prairie High School. While Saturday's weather was reminiscent more of late September or October with slate gray windswept skies and intermittent rain, the Panthers made it a sunny outcome for the visiting side.

Safety/multi-back Teddy

Petersen got the afternoon off to a rollicking start by intercepting a NL-S pass on the first play of the game to set the Panthers up at the Wildcats' 9-yard line.

While GSL turned the ball away on a fumble three plays later, the tone was set for the day with the visitors establishing an early upper hand.

"There were some first-game jitters," Tschimperle said. "We played better as the game went on."

It was not until the opening play of the second quarter that the scoreless deadlock was broken.

On fourth-and-goal from the NL-S 3-yard line, Petersen took a handoff from quarterback Luke Frahm and lofted a touchdown pass to halfback Carsen Streich to make the score 6-0.

The Wildcats responded in kind, marching down the field to knot the score at 6-6 with just over nine minutes until halftime. As it had with GSL, the NL-S extra-point kick

went wayward as the wind swirled around the stadium.

The Panthers ground game was in good form just a handful of possessions into the contest, with GSL charging hard up the sod in gobbling up both yardage and clock.

Fullback Nathan Schuch made his defining run of the day midway through the second quarter, a 43-yard rumble that figured mightily in his total of 152 yards on the day.

Despite the Panthers' ground-gaining exploits, the score remained 6-6 into halftime.

NL-S opened the second half by recovering a GSL fumble and driving the ball to the precipice of the end zone less than four minutes into the third quarter.

However, with the hosts poised to take the lead, linebacker Tristan Weber and Petersen forced a goal line fumble that was scooped up by

Teddy Petersen picked off a New London-Spicer pass on the first play of the game to help set the Glencoe-Silver Lake football team on course to a 20-6

season-opening victory on Saturday, Aug. 22 in New London. Petersen also threw a touchdown pass and caught a two-point conversion throw in the win.

### Picture in a picture

While this is unlikely to be the official team photo, the Glencoe-Silver Lake girls soccer team commemorated its final "Flashy Friday" before the season begins with an impromptu squad shot after practice

on Aug. 21. Head coach Zach Otto-Fisher had the honors of holding the selfie stick and snapping the photo. The Panthers begin their 2015 campaign on Monday, Aug. 31 at Spectrum in Elk River.

## Names change, but goals stay the same for GSL footballers

By Tom Carothers

Turnovers are to be avoided in football, but roster turnover in high school football are unavoidable.

While the Glencoe-Silver Lake football team contends with the loss of several key contributors from back-to-back state participating squads, the goal for this autumn's edition of Panthers football remains the same.

"The goal is always to return to state and go to the Prep Bowl," coach Scott Tschimperle said.

GSL was a state quarterfinalist in 2013 and a state semi-finalist last year. After coming within one step – one point – of playing in the Class AAA state championship, this autumn the Panthers want to roar into TCF Bank Stadium this November and play for a title.

"Our seniors want to go one step further (than 2014), but it is a long process," Tschimperle said. "We just focus on next Friday's game."

On offense, the return of senior All-State multi-back Teddy Petersen helps offset the loss of four-year starting quarterback Keaton Anderson,

one of eight graduates from last year.

Junior Luke Frahm received first crack at replacing Anderson under center in a season-opening win at New London-Spicer.

"It's a learning process for Luke, but he was great on JV last year," Tschimperle said. "He has athletic ability and a moxie to make things happen when a play breaks down."

Petersen, listed as a quarterback on the opening day roster, is a multi-faceted offensive threat both on the ground and through the air, wherever he lines up from game-to-game.

"Teddy is dealing with a sore hip flexor and we used him more than we wanted to in the opener," Tschimperle said. "He's a tough kid and we hope to have him back at full speed soon."

The team's offensive line is rebuilding with guard Alex Romano and tackle Matt Diemel returning on the left side.

Junior fullback Nathan Schuch and sophomore halfback Carson Streich played big roles in the offensive

Lindsay Wedin is the sole returning player from last year's varsity squad for the 2015 Glencoe-Silver Lake girls' tennis team.

## It's a whole new ballgame for GSL girls tennis team

By Tom Carothers  
 Sports Editor

It is a situation that Robb DeCorsey has not had to deal with very often in his 22 years as Glencoe-Silver Lake girls' tennis coach.

The Panthers varsity squad enters the autumn season almost entirely brand new, with only one returning player – senior Lindsay Wedin – from last year's roster.

"We are very new and very young after losing nine of our top 10 from last year," DeCorsey said. "For the past six years we've had a lot of the same girls and only had to replace a couple at a time, but this year it's a major change."

Wedin, who played mostly third singles or first doubles last season, is now being counted on to lead the fresh-faced squad. She said that despite the overhaul, the team is in good shape.

"I think we're looking good," she said. "A lot of these young players are looking strong."

Wedin counts either an all-conference or all-conference honorable mention finish

among her individual goals and a respectable showing at sections among her team goals.

DeCorsey shares her thoughts on the team ideal.

"If we could pull out a win in the section tournament, that would be huge," he said. "For us this season, success will not be looking at record. We're looking at individual improvements this year. I'd like to be able to get a singles player or doubles team into the second day of sections."

Competing in a strong Wright County Conference will be difficult this season, DeCorsey notes. A roster that features just one other senior – Peyton Lilienthal – four juniors and seven sophomores means that the roster will be in flux all season long.

"There's going to be multiple lineups," DeCorsey said. "We are going to try to pluck points wherever we can."

"Our numbers are up a bit, and we have some girls that are new to the team. This season is a platform for us to start building again and the girls are working hard."

# Girls' soccer team looks for continued improvement

By Tom Carothers  
 Sports Editor

With just 10 wins to its name this decade, the Glencoe-Silver Lake girls' soccer team is far from a powerhouse, but the squad continues to trend upward as its participating numbers keep growing.

"We are at 43 girls in the program this year," coach Zach Otto-Fisher said. "We have new kids coming out from a number of classes to play soccer and the interest is definitely growing."

The program's number count is as high as it has been as Otto-Fisher enters his fifth season at the helm, with 17 girls participating in varsity practice as of last week.

"It's a young and small program," he said. "We are determining who will play what roles and will utilize a lot of experimental strategies."

The squad was dealt a heavy loss long before its first game this autumn as goalkeeper Zoe Christensen was lost for the year due to surgery on July 24 to repair a torn ACL suffered while playing club soccer last spring.

"It's a tough loss on the field, but she's still very involved with the team," Otto-

Fisher said. "It's like having another coach out here."

Destiny Exsted, who was the Panthers' junior varsity goaltender as an eighth-grader in 2014, gets first crack at replacing Christensen in the nets. Otto-Fisher figures Macy Rhodes and Hattie Dreier will also see time in goal this season.

GSL returns talent up front as Emily Thalmann, the team's leading scorer in 2014, is back. However, Otto-Fisher figures she will move back to a midfield position from forward, joining Jordan Breidenbach in order to help direct on-field play.

The Panthers return three sophomores to anchor the defense, with Aubrey Geisen joining a pair of Paiges – Anderson and Litzau – in the backfield.

GSL won four games in 2012, one in 2014 and three last season. What the win total in 2015 will be is unknown, but Otto-Fisher said success will be measured in improvement, whatever the final record says.

"We want our seniors to believe they did their best and left the program continuing to head in the right direction," he said.

GSL's home opener is Tuesday, Sept. 1 against Worthington.

backfield to open the year. GSL returns three senior all-state honorees on defense in defensive end Jacob Popelka as well as linebackers Tristan Weber and Nick Brelje. Dalton Kosek returns to the linebacker corps with Weber and Brelje.

Petersen also continues to line up at safety, with senior Jacob VonBerge and junior Peyton Sell playing key roles on the defensive line.

"We returned a lot on defense," Tschimperle said. "We have several players on the defensive side of the ball that return after gaining quite a bit of experience last year."

It was an early start to the season, with one game in the books and a game at Hutchinson this Friday.

GSL plays a third game – its first at home before the Labor Day holiday with Annandale paying a visit to Stevens Seminary Stadium on Friday, Sept. 4.

defensive tackle Peyton Sell for a touchback. "That was a very pivotal point in the game," Tschimperle said. "We could've been down there. Our defense had to rise up and make a play and they did."

The Panthers took full advantage of their good fortune, marching 80 yards for the go-ahead score, a 24-yard touchdown pass from Frahm to Streich that made the score 14-6 after a two-point conversion run by Petersen.

It was the first varsity touchdown pass for Frahm and the second varsity touchdown both overall, and in the contest for Streich.

"I had a lot of fun out there," Streich said. "I had a good pass thrown to me and got some good blocking."

With GSL now in command of the game, Streich struck again late in the third quarter. His 2-yard surge into the end zone brought the score to its eventual final count of 20-6, sealing victory for the Panthers.

The GSL defense allowed NL-S 1164 yards of total offense in addition to the lone score.

Defensive back Jacob VonBerge recorded 1.5 sacks in the game, with linebacker Cameron Chap claiming one sack and defensive end Jacob Popelka posting one-half sack.

Offensively, the Panthers gained 275 total yards, led by Schuch's game-changing 152-yard, 7.2 yards-per-carry effort. Petersen rushed for 45 yards on 14 carries, while Frahm rushed 13 times for 19 yards.

Frahm's 24-yard touchdown strike was one of two passes he completed on four attempts. Streich's touchdown grab made him the team's leading receiver with 27 yards on two receptions.

Next up for GSL is neighboring rival Hutchinson, who host the Panthers in the annual "Tackle Cancer" game at 7 p.m. Friday night. The Tigers are coming off a 41-14 opening loss at Becker last Saturday.

"It's a rivalry game for us," Tschimperle said. "We always look forward to playing Hutch."

## Bread of life

*"Jesus declared, 'I am the bread of life. He who comes to me will never go hungry, and he who believes in Me will never be thirsty.'" — John 6:35*

Jesus has just fed 5,000 men and probably many others who were with them in the area of Tiberias. When He departs for Capernaum, the crowd follows. After all, this is a good deal! We can sense their excitement as they feel the beginning of a new time when their meager lives would be enriched with daily bread given to them by their new king! Nothing can be greater than this, right?

Most of us aren't asking for the world and don't expect to win the lottery. But our life experience is confined to limits imposed by life and death. So we are cautious about throwing our lot in with someone who claims to be "the bread of life." We can taste the food on our table, even if it is only crackers and cheese. How can we let go and trust Jesus to provide for all our needs, heavenly and earthly?

Jesus tells us that if we will let go of our picnic basket of goodies we will have a much greater feast in store. Still, we take along our sandwiches in case the great wedding reception fizzles. Finally, Jesus meets us at the door with the wedding garment of salvation, and we know that we have to drop everything we are carrying to put it on. And, miraculously, we do! And we realize the Bread of Life is more than enough to meet all of our needs.

**Glencoe-Silver Lake School Board**

**Independent School District No. 2859**

**Glencoe-Silver Lake, Minnesota NOTICE OF PUBLIC HEARING REGARDING THE CLOSING OF THE HELEN BAKER ELEMENTARY SCHOOL BUILDING**

1. NOTICE IS HEREBY GIVEN, that, as required by law, the School Board of Independent School District No. 2859, Glencoe-Silver Lake, Minnesota, will conduct a public hearing regarding the necessity and practicability of closing the Helen Baker Elementary School building.

2. The public hearing will be held at 6:00 o'clock p.m. on September 14, 2015, in the Lincoln Meeting Room (Room 124), 1621 East 16th Street, Glencoe, Minnesota 55336.

3. The schoolhouse proposed to be closed is located at 405 East 16th Street, in the City of Glencoe, County of McLeod, State of Minnesota.

4. The reasons for the proposed closing of the school building include the following:

a. The School District will be renovating and bettering the Glencoe-Silver Lake High School and Lincoln Junior High School campus in order to relocate grades K-2 students who have been housed in the Helen Baker school building to a new and improved facility.

b. Continued use of this additional site would burden the School District and could cause significant fi-

ancial limitations. Attempts to restore the site would be cost prohibitive and a poor use of Glencoe-Silver Lake School District funds.

c. The School District has sufficient capacities without the Helen Baker site to accommodate present and projected future student enrollment.

5. Persons requesting to give testimony for and against the proposed closing shall be heard before the School Board at the time and place designated above.

Dated this 10<sup>th</sup> Day of August.

BY ORDER OF THE SCHOOL BOARD
