Classic collapse

This past weekend I suffered another brilliant meltdown in the Rusty Chains Classic Disc Golf Tournament, which I also tanked in last year.

With a fresh course and a bevy of new players, Sunday's 40-hole outing was a stark contrast from tournaments of old.

Like an idiot I decided to play in the advanced class, which is the second most competitive division behind open.

I'm an idiot because I've only played the new course maybe five times, and I'm still learning how to throw a new driver I'm not fully familiar with. I know readers would love to list a few other reasons as to why I'm an idiot, but I'm at least going to try and tear myself down somewhat constructively.

Last year, I fell apart during rain and cold October winds, and also because I'm a head case. Yet I still managed to stay out of last place.

This year, I fell apart during August sun rays, because, well, I'm a head case. And wouldn't you know it, I brought home that coveted last place trophy.

OK, there wasn't a trophy. But I got to pick a consolation prize from a pile of donated discs, which simultaneously soothed and salted my wounds.

Unlike last year, I produced a solid score after the first 20 holes.

Panther football eyes state tournament with new D coordinator

By Josh Randt

After losing key pieces from last year's team that went 8-3 and made it back to the Class AAA state tournament for the first time since 2010, the Panther football team will have to do what it's done before: reload.

Consider this: the three backs taking over on offense this year – Gus Mendoza, Jacob VonBerge, and Tyler Chap – accounted for a total of 14 carries and 59 yards combined in 2013. But after Saturday's scrimmage with Minneapolis North and BOLD, Tschimperle said he isn't that concerned.

"We expect Gus to have a big year this year. Jacob VonBerge has done a great job as far as stepping up and learning the whole offensive play-book," Tschimperle said.

"Tyler Chap is going to be a tremendous fullback. He ran the ball extremely hard and ran over people (Saturday)." He then added, "We definitely have to work on our block-ing."

Four of the top five defensive players also left this past spring, including captain linebackers Keenan Mehlos and Carter Pinske, who combined for 131 tackles. Defensive tackle Tyler Donnay led the charge on the line last year,

Panthers drop 9 on Rocori

By Josh Randt
Sports Editor

It may only be the first game of the season, but after a 9-0 victory over Rocori on Saturday, Panther girls' Head Soccer Coach Zach Otto-Fisher was very pleased with his squad.

The skipper had good reason to be happy; the nine goals his girls scored were four more than the 2013 team put together all season. But Glencoe-Silver Lake wasn't exactly an offensive monster from the get-go.

"You could tell over the first five to 10 minutes that we're used to playing defense," said a laughing Otto-Fisher. But as the game went on, "juniors Maddie (Kuehn) and Keisha (Praefke) handled the mid-field and really took charge. They communicated more in that game than their past four years."

Otto-Fisher also said the score could have been even more lopsided, as his girls weren't quite spot on with ball placement, causing a couple balls to barely miss, or get deflected.

The offense wasn't the only thing clicking Saturday at Rocori. Standout goalie Zoe Christensen only faced one shot all game, as opposed to double digits she saw a season ago.

Though it's early on, Otto-Fisher said "There was a lot of good things they did."

"I'm happy with the passing, but we just need to finish a few more plays" offensively.

The key now, said Otto-Fisher, is trying to find a happy medium, and sustaining a winning mentality throughout the remainder of the schedule.

"We have to find a balance, so we're not always shying away and trying to play defense," Otto-Fisher said. Adding that his Panthers need to play to win, and not to lose.

GSL got that chance yesterday, when it traveled to Worthington. The Panthers are then off until Sept. 2 when they host Spectrum.

The Glencoe-Silver Lake Lady Panther volleyball team returns with some experienced youth after going 10-17 in 2013. GSL would like to flip its record, and notch 17 wins instead of losses this season. These 10 girls make up the starting lineup and subs for the the 2014 Lady

Panthers. Captains are marked with an *, front row from left: Madison Monahan, Erika Ribar, Emily Muetzel, Taylor Novak, Madison Kalenberg and Jessica Lemke. Back row from left: Layne Herrmann*, Lexi Kerslake*, Olivia Scharpe and Cortney Konen*.

Lady Panthers return quicker, stronger

By Josh Randt
Sports Editor

After going 10-17 and losing in the opening round of the section volleyball tournament in five sets to the Jordan Jaguars, Lori Schwirtz's Lady Panthers are set on 17 wins instead of losses.

Flipping the script on your record is never easy, especially after losing all Wright County Conference-middle blocker Steph Klockmann to graduation.

While Klockmann and fellow classmate Amanda Meyer are no longer with the program, Glencoe-Silver Lake returns a battle-tested starting lineup headed by senior captain Lexi Kerslake.

Kerslake and Olivia Scharpe are the only seniors on this team, and the former entered into 2014 with 978 digs after posting 363 a season ago, along with 154 kills. She eclipsed 1,000 digs after tallying 23 at the team's first game Saturday

against Cannon Falls, a disappointing five-set loss in which the Panthers fell behind after giving up the first two sets. The Bombers took set five 15-10 after the Panthers won back-to-back sets 25-19 and 25-22.

"I'm (125) away from the school record, and I really want that," Kerslake said. "But as a team, I want more than 10 wins ... This year, we're at least going to get 17."

That goal doesn't seem lofty to Schwirtz, who said this

year's biggest concern is mentality.

"We have the skill. We have the strength," said Schwirtz. "It's going to be (about) momentum and setting a tone of not playing *with* teams."

Like last year, the word "scrappy" was thrown around, which is what the Panthers will have to be without a single starter nearing six feet in

Tennis on the table

By Josh Randt
Sports Editor

It's tough to come away with victories when you let your opponents creep back into a game, or a set, and that's exactly what the Panther tennis team did when it went 2-4 at last week's home quads.

On Aug. 19, the Glencoe-Silver Lake tennis season kicked off by hosting Sibley East, Blue Earth Area (BEA), and United South Central (USC). The Panthers were only able to top Sibley East 4-3, but easily could have defeated all three teams. BEA downed the Panthers 4-3 in the next series, before USC escaped with a 5-2 victory.

Thursday, at home once again, GSL started out with a 6-1 win against Minneapolis Washburn before just falling to St. Michael-Albertville 4-3. Powerhouse Mounds View only dropped one match to

GSL, winning 6-1.

"We left tennis on the table, and with a senior-laden team, I want to see those (losses) as victories," Head Coach Robb DeCorsey said. "With the experience we have back, I just felt like we were playing as an inexperienced team. But it'll come along."

Piper Davis played five out of six matches at the No.1 singles spot, and came away with a pair of wins — both tie-breakers.

"She played some very tough competitors in those two days, and I thought she handled herself well," said DeCorsey. "She made a couple comebacks in those matches where she was down kind of big in sets."

Davis stayed put the most as far as lineup shifts went

Piper Davis began her run as GSL's No. 1 singles player this past week by going 2-3 over five matches at a pair of home quads last week. While Davis and the Panthers made some strides, Head Coach Robb DeCorsey said they "left some tennis on the table," which they'll need to fix with conference competition on the way.

Boys 1st, girls 2nd at NYA

By Josh Randt Sports Editor

It didn't take long for Head Coaches Jeff Delwiche and Jann Savre to see some improvements on the Panther boys' and girls' cross country teams, after competing at Baylor Park against Norwood Young America and Mayer Lutheran/Lester Prairie/Holy Trinity.

Delwiche's boys took first with 19 points, while the girls' 52 earned them second.

Though it was an early meet with only three teams, both coaches got to preview and evaluate their current starting lineups.

Each team had runners improve on their times from last year's competitions at the course, though Delwiche admitted the layout seemed a bit easier this time around.

Glencoe-Silver Lake is now off from competition until Thursday, September 4, when Tri-City United hosts its invitational meet at Montgomery National Golf Course at 4 p.m.

Boys

"The times are a little misleading. I think it was about 100 meters short," Delwiche said before adding that the boys' times for this year were about seven or eight minutes faster. "That's pretty good — over a minute a runner — and that's what we need to win the conference, win the section, and shoot for a decent berth at state."

GSL's top five varsity boys nearly swept spots one through five, allowing only NYA's Alex Wischnack to break up the order with his second-place finish.

Jac Chelman took first with 16:36, with Isiah Herout trailing just behind in third at 16:44.

Brandon Richter and Garret Ardolf placed fourth and fifth

Michael Schaefer rounded out the top five runners for GSL at the NYA invitational this past Saturday. Schaefer's time of 17:49 earned him sixth place, and Head Coach Jeff Delwiche said he will be a "huge part of our team this year."

with times of 16:45 and 17:46.

Michael Schaefer was the fifth Panther in a row to cross the finish line when he completed the course in sixth place with a time of 17:49, just three seconds behind Ardolf.

The Panthers' top-five times show just how dangerous this lineup can be at full strength. Injuries slowed GSL down at times last year, especially

Schaefer, who Delwiche said is "going to be a huge part of our team this year ... We're just hoping he can stay healthy."

Austin Schroeffer and Garrett Ober went eighth and ninth, posting times of 18:30 and 18:48, as all the varsity boys finished within the top 10.

GSL's team total was an astounding 19, compared to NYA's 47, and ML/LP/HT's 102.

"It's looking really good," said Delwiche, who mentioned his lineup is about what he expected. "Jac, Isiah and Brandon are top three. Then we've got Michael (Schaefer) and Garret Ardolf, that's five, and Austin (Schroeffer) and (Garrett) Ober are kind of close to each other. That's kind of what we thought, as far as rounding out our top seven."

Girls

The Panther girls were able to put two runners inside the top 10, as Erica Hecksel and Tarin Michaelis finished one second apart. Hecksel took sixth with 19:21, and Michaelis seventh with 19:22.

Savre's runners worked quite well together in packs, as the other three girls finished 12th, 13th, and 14th.

Robin Swift finished with a time of 20:10, while Marlaina Chelman was five seconds behind her with 20:15. Kayla Deyonge rounded out GSL's top five with a time of 20:50.

Taylor Venier finished 15th overall with 21:44, while Mary Schmitt closed out GSL's top seven in 19th place with 23:14.

"It was awesome to see the grouping as we learn to push and pull each other," Savre said. "It was good to get out on a course to see what each runner was capable of achieving in this early season competition. Now we can look forward and set some individual goals."

height.

Captain Cortney Konen will have plenty of work to do as a 5'3" libero this year after accruing over 240 digs last year at the position. A key to a stout defense, Konen said, is communication.

"I've learned that we really have to play together as a team and talk A LOT," said Konen.

Once they start talking, the game will become easier Konen said, since "I feel like I've gotten better at reading the ball, and we've gotten a lot quicker moving to the ball."

Running the offense once Konen and the Panthers get their digs this year is junior captain Layne Herrmann, who had 565 set assists in 2013.

A year older now, Herrmann said the nerves of being a varsity setter are no longer with her, and she expects a big year from herself.

"My goal would be to get 1,000 set assists this year," Herrmann said, "and to make my sets more consistent to our hitters."

The 5'8" setter is one of the tallest girls on the team, and noted that this year's offense will have to possess more speed to compete.

"Quicker. We need to be quicker because we are a lot shorter than all the other teams," Herrmann said. "We need to get more blocking in, too, because that will slow up the other offense."

Chronicle photo by Josh Randt

Madison Kalenberg, left, and Taylor Novak, center, were busy all afternoon on Aug. 20 at the GSL scrimmage.

Asked who her favorite teammate is to set to, Herrmann quickly dismissed the question with a laugh and said, "I like to set to everyone. I'll put it wherever they need it."

Taylor Novak is the No. 2 outside hitter behind Kerslake, and turned in 363 digs of her own last season, along with 124 kills. She returns as a 5'6" junior, and will take on a bigger role in Schwartz's offense.

Also on the list of returnees who saw plenty of time last year is middle hitter Maddy Kalenberg, who Schwartz called a "work horse."

Looking to stuff opposing offenses, junior-middle hitter

Erika Ribar has a "knack for blocking" according to the head coach.

Junior Emily Muetzel should also help out the defense, as Schwartz said she will "stop at nothing to keep a ball from hitting the floor."

GSL's first home match was Tuesday, August 26, against Howard Lake-Waverly-Winsted. Kerslake's accomplishment of 1,000 digs was recognized before the event.

The Panthers now travel to Norwood Young America on Sept. 2 before hosting rival Hutchinson on Thursday, September 4.

Jamie Barrall of Hutchinson won the open division of the Rusty Chains Classic Disc Golf Tournament this past Sunday when he finished the 40-hole event with 106 strokes, which is 26 under par. Kyle Schmidt won the advanced division, while Jalen Metcalf placed first in intermediate. Andrew Strommen claimed the recreational class, while Melissa Becker won the women's division. 36 players participated in the event.

over the two days, while Rachel Rusten and Callie Raduenz split some time at No. 2 singles, also testing their mettle in doubles' competition with teammate Ellie Lepel, who looks to have one of those slots locked down.

"I felt good about (No. 1 doubles), either with Rusten and Ellie, or Callie and Ellie," DeCorsey said. "I thought they moved pretty well and were active."

The lineup differed quite a bit from matchup to matchup, as DeCorsey admitted it would with the amount of tennis being played.

Lindsey Wedin saw a lot of time at No.3 singles, and bounced back with two wins

Thursday after going 1-2 on Tuesday.

"She had a good week," said DeCorsey. "She's hitting the ball and moving the ball better than she did last year.

"We've got to hit balls and take them seriously. We just didn't take care of that part."

Now the Panthers move into the conference schedule, starting yesterday (Tuesday), GSL traveled to New Prague before a non-conference match at home with St. Peter on Friday. Annandale and Orono then visit Glencoe on Sept. 2 for a Wright County Conference triangular at 3 p.m.

and amassed 65 tackles and five sacks as a senior.

The loss of talent is nothing new for Tschimperle, who’s coached some very skilled players in his six seasons leading the program.

“With the great coaching staff I have, we take kids that we think can be the most successful at a position, and put them in a spot that’s going to help us be successful,” Tschimperle said calmly. “That formula has really worked in the history of GSL.”

Leading this team as senior captains are quarterback Keaton Anderson, tight end Tanner Grack, cornerback Bennett Bielke, and defensive end Zach Jungclaus.

Anderson will be counted on heavily in his fourth year at quarterback, especially after a 2013 campaign that resulted in 885 yards on 128 carries – third most on the team behind Stuedemann and Clouse. He’ll also look to improve upon his 53.1 completion percentage from last year, when he threw nine touchdowns to five interceptions. Grack should help that cause once again, as he caught a team high 10 passes last year for 147 yards and four touchdowns.

“There’s a lot of pressure on me this year, losing a lot of our backs (from last year),” Anderson said. “I’ve got to be a bit more of a leader.”

Grack was absent from Saturday’s scrimmage with an injury, and it was a bit noticeable. Anderson’s first pass of the year was intercepted after the receiver stopped running his route, putting the quarterback’s pass directly into the hands of a North safety.

Anderson joked that was a good way to start out the year, saying, “I do want to start with that and get it out of the way!”

Despite the miscue, GSL improved over the scrimmage, and Grack has been cleared to play in Friday’s opener. While the tight end was on the sidelines Saturday, he took some notes and said, “We can always work on pass protection, and knowing the plays better.”

Starting lineup

Here is the current offensive and defensive starting lineup for the 2014 GSL football team:

Offense:
Keaton Anderson (12) ..QB
Gus Mendoza (12)HB
Jacob VonBerge (11)HB
Tyler Chap (11)FB
Tanner Grack (12)TE
Jayden Tschimperle (12)WR

The only players returning who regularly started on offense last year, besides Grack and Anderson, are offensive linemen Austin Maynard and Alex Romano.

Defensively, Bielke will help patrol the backfield and support the run, while Jungclaus and the D line look to pressure and disrupt opposing offenses.

Bielke, who had 35 tackles and one interception last year, said this year’s squad is looking for shutouts, and that the defense needs to help out its counterpart with a turnover or two.

“We want to try and get the momentum on our side defensively,” said Bielke. “If we can get a big stop and have the offense go out with a lot of momentum, that’s a big deal.”

At 6’3”, 185 pounds, Jungclaus will be responsible for setting the edge on the defensive line and rushing the passer. Last year he only recorded one tackle, but was all over the field Saturday.

“I thought we did really good against the run,” said Jungclaus, “but with the pass we definitely need to put a little more pressure on the quarterback. But I think that will come along this year.”

The defense will also benefit from returning underclassmen like junior safety Teddy Petersen and junior linebackers Mason Goettl and Tristan Weber. Senior defensive tackle Chris Lemke will anchor the middle of the line.

Petersen led the team with 68 tackles last year, and also had one interception. Goettl

Alex Romano (11)OT
Matthew Dahlke (12)OT
Tom Becker (12)G
Peyton Sell (10)G
Austin Maynard (12)C

Defense:
Zach Jungclaus (12).....DE
Jacob Popelka (11)DE
Chris Lemke (12)DT
Wyatt Simrill (12)DT
Mason Goettl (12)LB
Tristan Weber (11)LB
Nick Brelje (11)LB
Jon Richer (12)LB
Bennett Bielke (12)CB
Reed Wawrzyniak (12) CB
Teddy Petersen (11)SS

and Weber combined for 65 tackles, while Lemke clogged the middle and produced 21 tackles.

Though it will take some work, Tschimperle and his captains said the goals this year are the same as they’ve always been: win the conference, win the section, and make a run at state. One of those goals holds a little more weight this year, as it’s the final year of the Wright County Conference before shifting to the district format.

“It’s the last year of the conference,” said Tschimperle, “and we want that conference championship.”

Standing in the way is a brutal WCC schedule, especially through the first four games, where GSL hosts Orono, travels to newcomer New Prague, and hosts Hutchinson before visiting New London-Spicer.

The biggest key to attaining their goals and coming through that gauntlet of a schedule, Tschimperle said, is not giving up the big play.

“You look at our losses last year, and we lost by the big play,” said Tschimperle. But the answer isn’t in some new defensive scheme or offensive strategy. Instead, Tschimperle reiterated what he said has been the mind set for the past 15 years, “It’s not who we play, it’s how we play. That’s all we can control.”

The season starts Friday at 7 p.m. in Glencoe with parents’ night, when the Orono Spartans and the Panthers kick off the final season of the WCC.

Classic collapse Continued from page 1B

Exactly like last year, I immediately got to work imploding my score by making easy holes look like they should have been marked as par fives.

Two holes into the final round, I found myself again trying to stave off my very loud and angry thoughts.

My choice of distraction last year was Journey’s “Don’t Stop Believing,” which only led me to believe I shouldn’t participate in this tournament again.

I knew I had to dig deep into my music-crammed brain for something that would actually distract me from the tailspin I was currently in the midst of.

Slowly, in the background of my mind, I heard that ridiculous ’90s sound as Scott Stapp’s voice trickled through my brain.

“Hold me now, I’m six feet

from the edge and I’m thinking, maybe six feet, ain’t SO FAR DOWN!”

Creed is one my guiltiest of pleasures. It’s the type of music that’s so bad it’s beautiful, and it acts like a security blanket for my ears.

When I really began to decline and realized there was no coming back, “My Own Prison” consoled me internally.

My 40-hole score of 138 was only about four to five strokes away from the middle of the pack, and had I played in the intermediate division I would have took home some cash.

But that’s alright. The money went to some much deserving players, and I once again served as a template of what not to do when it comes to this event to some of the newcomers.

In all seriousness, this is an awesome event. Only a handful of people came out to previous tournaments, and this year attracted 36 players over five divisions.

The new course kept players active for over five hours on Sunday, and the multiple tee pads allowed for two different 20-hole layouts.

Glencoe is truly lucky to have such a beautiful new course, and an active community of players to put on such a well-organized event.

A big thanks goes out to Kenny Fillbrandt, Matt Pieschke, and Andrew Hanson for putting together and running the tournament.

Now get out to Oak Leaf and let your discs fly. Next year’s Rusty Chains Classic is less than a year away.

DECEDENT

NOTICE OF INFORMAL APPOINTMENT OF PERSONAL REPRESENTATIVE AND NOTICE TO CREDITORS

Notice is given that an Application for informal appointment of Personal Representative was filed with the Registrar. The Registrar accepted the application and appointed **Richard L. Dolezal**, whose address is **6293 170th Street, Lester Prairie, Minnesota 55354**, to serve as the personal representative of the decedent's estate.

Any heir or other interested person may be entitled to appointment as personal representative or may object to the appointment of the personal representative. Any objection to the appointment of the personal representative must be filed with the Court, and any properly filed objection will be heard by the Court after notice is provided to interested persons of the date of hearing on the objection.

Unless objections are filed, and unless the Court orders otherwise, the personal representative has full power to administer the estate, including after thirty (30) days from issuance of letters of general administration, the power to sell, encumber, lease or distribute any interest in real estate owned by the decedent.

Notice is further given that, subject to Minn. Stat. § 524.3-801, all creditors having claims against the decedent's estate are required to present the claims to said personal representative or to the Court within four (4) months after the date of this notice or the claims will be barred.

GLENCOE CITY COUNCIL
MEETING MINUTES
AUGUST 4, 2014

7:00 P.M.

Mayor Wilson called the regular meeting of the City Council to order at 7:00 p.m. with members Perschau, Dietz, Ziemer and Schrupp present. Member Adamietz was absent. Also present: City Administrator Mark Larson, Finance Director Trippel, City Attorney Jody Winters, Public Works Directors Drew and Schreifels and Police Chief Raiter.

Councilor Schrupp motioned to approve the consent agenda as presented. Councilor Perschau seconded. All members present voted in favor. Motion carried.

A. Approve the minutes of the regular meeting of July 21, 2014.

B. Approve the following building permits:

Daris Remus, 905 Glenmoor Lane; Re-roof
Scott Graley, 1217 13th St E; Re-roof

Glorian Kappel, 1806 Ives Ave N; Re-roof
Nicole McCarty, 2024 11th St E; Re-roof

Roger Hilgers, 1329 McLeod Ave N; Re-roof

Greg Copas, 1214 Morningside Ave; Window Replacement

Cory Bargmann, 2005 11th St E; Re-roof

City Administrator Mark Larson presented the proposal for fees for professional services of SEH for the Economart Supermarket building demolition project. Scope of services for the project include review of information by the City, prepare final set of bidding plans, prepare advertising for bids, attend bid opening and tabulate and review bids, present recommendation to the City Council and prepare contractor for construction between owner and contractor.

Councilor Perschau then motioned for the City to enter into a contract with SEH to perform the scope of services as stated for the demolition of the Economart building for the fee of \$3900.00. Councilor Ziemer seconded the motion with all members present voting in favor.

Amanda Duerr, Lobbyist CGMC, presented a power point reviewing legislative action affecting Greater Minnesota cities. Outcome of the session resulted in \$7.8 million LGA funding increase for 2015, \$20 million for a new Broadband Infrastructure Fund, \$6.2 million in funding for BDPI program and the Angel Investor tax credit modified to make it more useable in Greater MN.

Rocky Keehn with SEH presented an update on the possible diversion channel from the Willow Ridge Ponds to the East. He gave an overview of the 1200 acres draining into the City from the north and possible solutions to divert and increase capacity of existing wetlands and ditch system. The information will be presented to the BCWD at their August meeting as the proposed actions affect private ditches in the BCWD. Costs will be presented at a September council meeting.

Justin Black with SEH presented proposed Project Reconstruction Assessment Policies to the Council along with the League of Minnesota Cities recommended assessment percentages. No action is required as this will be discussed further at the Finance Committee Meeting and brought back to the Council with the committee's recommendations.

Minnesota state statute requires 20% of total project to be assessed to bond for project.

ADM Alliance Nutrition has petitioned to vacate DeSoto Avenue from 10th Street to the railroad tracks. They are proposing to build a new facility on the old Johnson motors used car

lot and tear down the existing facility. A public hearing needs to be set to hear the request and allow public input on the vacation of the street. Current overhead utilities will have to be considered. There are no underground utilities on this property.

Councilor Schrupp introduced the following resolution to set the public hearing:

RESOLUTION NO. (2014-24)
RESOLUTION SETTING A PUBLIC HEARING FOR VACATION OF DESOTO AVENUE 10TH STREET TO RAILROAD TRACKS.
THE CITY COUNCIL OF THE CITY OF GLENCOE, MINNESOTA DOES HEREBY RESOLVE AS FOLLOWS:

WHEREAS, the City Council pursuant to Minnesota Statute §412.851 desires to consider the vacation of DeSoto Avenue North (a portion of street between 10th Street East and the railroad tracks legally described as: Town of Franklin, between Blocks 44 & 45.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF GLENCOE, COUNTY OF MCLEOD MINNESOTA:

The Council will consider the vacation of such street and a public hearing shall be held on such proposed vacation on the 2nd day of September, 2014 before the City Council in the City Hall located at 1107 11th St E at 7:15 p.m.

The City Clerk is hereby directed to give published notice of such hearing as required by law.

Councilor Perschau seconded the motion and upon a roll call vote all members present voted in favor. Whereupon said resolution was adopted and approved.

The Council considered the petition of vacation of property owners Omer and Evelyn Templin for 10th Street east of Falcon Avenue. The City does not and has not maintained this area and it actually includes the location of the Fleet Supply sign and the Shopko sign. It was assumed this was vacated in the '80's. The vacation will need the right of egress for Shopko. A public hearing is needed to allow for public input in the matter.

Councilor Schrupp introduced the following resolution setting the public hearing:

RESOLUTION NO. (2014-25)
RESOLUTION SETTING PUBLIC HEARING ON A VACATION 10TH STREET EAST OF FALCON AVENUE

WHEREAS, the City Council pursuant to Minnesota Statute §412.851 desires to consider the vacation of 10th Street (a portion of) East of Falcon Avenue, Industrial Park Add't, Lot 3, Blk 3.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF GLENCOE, COUNTY OF MCLEOD MINNESOTA:

The Council will consider the vacation of such street and a public hearing shall be held on such proposed vacation on the 2nd day of September, 2014 before the City Council in the City Hall located at 1107 11th St E at 7:30 p.m.

The City Clerk is hereby directed to give published notice of such hearing as required by law.

Councilor Dietz seconded the motion and upon a roll call vote all members present voted in favor. Whereupon said resolution was adopted and approved.

City Administrator Mark Larson presented the preliminary 2015 Levy for property taxes. Total budget and levy to be considered is \$2,237,922.00, a decrease of 0.43%. No action taken at this time. It will be discussed further at the August Finance Committee Meeting.

It was explained that pieces of the project are conceptual. The public input on the trails and sidewalks and tree removal will all be considered. The feasibility report will be presented in September. The assessment policy needs to be considered to prepare the feasibility report. The public hearing will be held in October after all residents affected by the project have been notified as required.

Council meeting well attended with citizens to be affected by the 2015 public improvement project in the Lincoln Park area and Armstrong Avenue area. Concerns were voiced on trail placement and removal of trees.

Councilor Perschau motioned to approve payment of the city bills as presented with Councilor Ziemer seconding the motion. All members present voted in favor.

Councilor Perschau motioned to adjourn with Councilor Schrupp seconding. All members present voted in favor. Meeting adjourned at approximately 9:00 p.m.

The above minutes are the official actions taken by the City Council. The complete minutes are on file and available for review in the office of the City Administrator.

City of Glencoe

NOTICE OF HEARING ON PROPOSED ASSESSMENT

TO WHOM IT MAY CONCERN:

Notice is hereby given that the Glencoe city council will meet at 7:00 p.m. on Monday, September 15, 2014, at the Glencoe City Hall, to consider, and possibly adopt, the proposed assessment for the **2014 Street Improvement Project**, which is a multi-site public improvement project. Improvements include but are not limited to construction of seal coating, street overlay, partial reconstruction, and miscellaneous items required to properly complete the improvements. Adoption by the council of the proposed assessment may occur at the hearing. The area pro-

posed to be assessed for such improvements includes properties abutting such improvements and properties for which benefit can be attributed.

Such assessment is proposed to be payable in equal annual installments extending over a period of 15 years, the first of the installments to be payable on or before the first Monday in January 2015, and will bear interest at a rate of 5.00 percent per annum from the date of the adoption of the assessment resolution. To the first installment shall be added interest on the entire assessment from the date of the assessment resolution until December 31, 2015. To each subsequent installment when due shall be added interest for one year on all unpaid installments.

You may at any time prior to certification of the assessment to the County Auditor-Treasurer, pay the entire assessment on such property to the City Administrator. No interest shall be charged if the entire assessment is paid within 30 days from the adoption of this assessment. You may at any time thereafter, pay to the City Administrator the entire amount of the assessment remaining unpaid, with interest accrued to December 31 of the year in which such payment is made. Such payment must be made before November 15 or interest will be charged through December 31 of the succeeding year. If you decide not to prepay the assessment before the date given above the rate of interest that will apply is 5.00 percent per year. The right to partially prepay the assessment is available.

The proposed assessment roll is on file for public inspection at the City Administrator's office. The total amount of the proposed assessment is \$470,501.16. Written or oral objections will be considered at the meeting. No appeal may be taken as to the amount of an assessment unless a written objection signed by the affected property owner is filed with the City Administrator prior to the assessment hearing or presented to the presiding officer at the hearing. The council may upon such notice consider any objection to the amount of a proposed individual assessment at an adjourned meeting upon such further notice to the affected property owners as it deems advisable.

Under Minn. Stat. §§ 435.193 to 435.195, the council may, in its discretion, defer the payment of this special assessment for any homestead property owned by a person 65 years of age or older for whom it would be a hardship to make the payments. When deferment of the special assessment has been granted and is terminated for any reason provided in that law, all amounts accumulated plus applicable interest become due. Any assessed property owner meeting the requirements of this law and the policy adopted under it may, within 30 days of the confirmation of the assessment, apply to the City Administrator for the prescribed form for such deferral of payment of this special assessment on their property.

An owner may appeal an assessment to district court pursuant to Minn. Stat. § 429.081 by serving notice of the appeal upon the mayor and city administrator of the city within 30 days after the adoption of the assessment and filing such notice with the district court within ten days after service upon the mayor or clerk.

Mark Larson
City Administrator
