

## Monahan takes charge of Panther girls' hoops

By Tom Carothers  
 Sports Editor

Glencoe-Silver Lake High School did not have to look very far to find its new head girls' basketball coach.

Jeff Monahan, the Panthers' assistant varsity coach and junior varsity head coach for the past three seasons, was officially elevated to varsity head coach after the GSL school board approved the decision at its meeting on Monday, Sept. 12.

"It's very exciting for me personally," Monahan said. "(Former head coach Zach Otto-Fisher) got this program going in the right direction and this is a great opportunity for me to keep this ship headed in the same direction."

Monahan said he was "shocked" when Otto-Fisher called him in August to say that he was leaving the Panthers to assume the position of assistant coach with the Uni-

versity of Wisconsin-Superior womens' collegiate basketball team.

"I was his second call, right after Maddie," Monahan said, referring to his daughter and Panthers top-scoring guard Maddie Monahan.

While surprised, Jeff Monahan admitted that the thought of filling Otto-Fisher's shoes intrigued him on several levels.

"A lot of people don't know this, but I've been a part of this program for the past seven years," Monahan said. "I started coaching the current sophomores and juniors back when they were part of the fourth- and fifth-grade team."

"Any of the girls currently in seventh through 12th grade, I've coached each of them for at least one year."

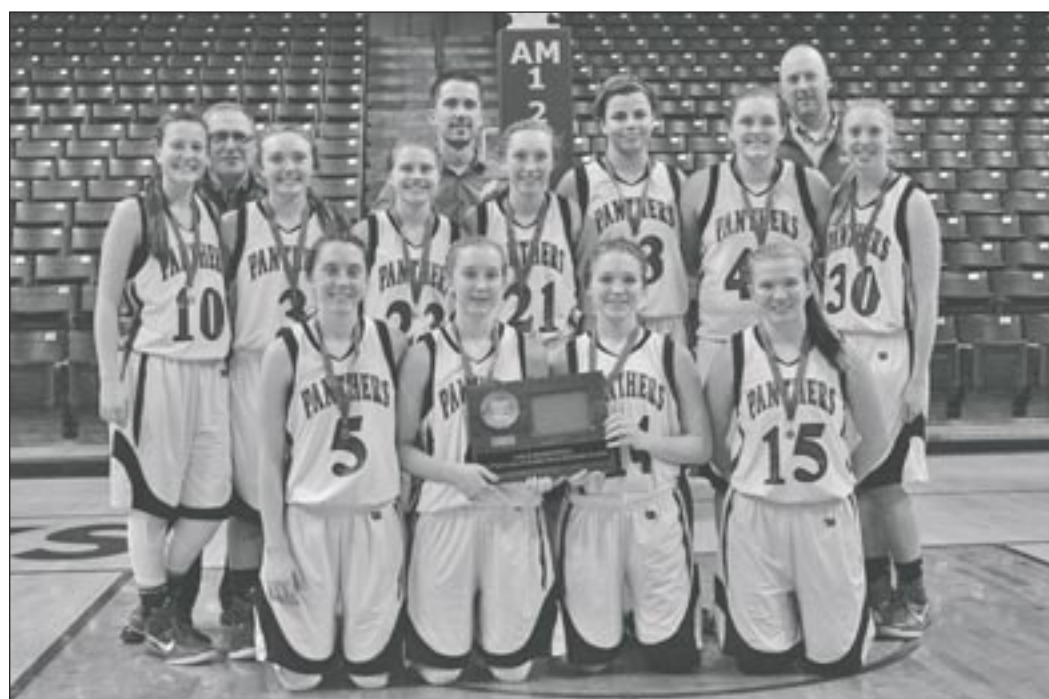

As for what he brings to the varsity level, Monahan said that he wants to continue down the path previously

blazed by Otto-Fisher, but also bring his own style to the position as well.

"I want these girls to hustle, play hard, play together and have fun," he said. "I want us to be a defensive team and to create our offense out of our defense."

Monahan inherits a squad with lofty expectations this coming fall. Led by Maddie Monahan, GSL's all-time leading girls' basketball scorer, the team boasts and experienced roster that includes longtime varsity contributors Molli Cacka, Rachael Popp, Mckenna Monahan, Zoe Christensen and Miranda Grack.

"The team we have in place, as well as the younger kids coming up gives us a chance to be very successful," he said. "I think this team should be playing in the section finals this season."

Connor Kantack celebrated with teammates Kyle Christensen (1) and Carsen Streich (22) after his 20-yard touchdown reception gave the Glencoe-Silver

Lake football team a 7-0 lead over Hutchinson on Friday, Sept. 9. The Tigers rallied, however, and won the game 28-14.

## Hutch tops GSL in rivalry game

By Tom Carothers  
 Sports Editor

It is the last time that Glencoe-Silver Lake and Hutchinson will meet on a football field for at least the next two years – and possibly much longer – and with the

Tigers claiming a 28-14 victory on Friday, Sept. 9 at Stevens Seminary Stadium, Hutch could have bragging rights for quite some time.

"It stinks," GSL head coach Scott Tschimperle said of Hutchinson disappearing

from the Panthers' schedule due to the Minnesota State High School League's redistricting to take place after this season. "We are only 15 miles from each other and won't play. Hopefully, it's a short-term thing."

As for Friday's final-for-now meeting, the two sides played with an intensity and fortitude that fit the gravity of the contest.

Glencoe-Silver Lake struck first, marching down the field on a 55-yard drive that took nearly five minutes before quarterback Luke Frahm found wide receiver Connor Kantack in the middle of the end zone for a leaping touchdown grab that put the hosts up 7-0 on kicker/lineman Joey Cullen's extra point.

However, the Tigers roared back downfield on a 90-second, five-play touchdown drive of their own to draw within 7-6 after a failed extra-point conversion effort.

The first quarter ended with GSL still on top, but Hutchinson took the lead early in the second quarter following an 88-yard, 12-play drive to assume a 14-7 edge after a successful two-point conversion.

"It took us a couple of series to get used to their speed," Tschimperle said. "Hutch really took us by storm at first, but our kids came around."

With both defenses making

stops, it appeared the contest would head to halftime at 14-7.

It did, but not before one last blast of excitement as Taylor Schauer intercepted a Hutchinson pass deep in Panthers territory and nearly returned it for a GSL touchdown until he was tackled by Tigers running back Isaac Nelson at the Hutch four-yard line.

"I thought that he just might score there," Tschimperle said. "But 6 (Nelson's number) wasn't going to let that happen."

A near miss having gone by the boards, GSL went into halftime still down a score, but emboldened in their ability to hang with Hutch.

The Panther defense forced Hutchinson into a three-and-out on the opening possession of the second half; following that stop, the GSL offense knotted up the contest at 14-14 on a touchdown plunge by Carsen Streich and a Cullen extra point.

Cullen is 5-for-5 on extra points this season, bringing stability to what at times has been a tumultuous aspect of the Panthers' game.

"Don't change a thing," Tschimperle said. "He's perfect so far in an area that has caused us troubles in the past."

## Spikers earn split versus Sibley East, Hutchinson

By Tom Carothers  
 Sports Editor

The Glencoe-Silver Lake volleyball team kept its record at .500 on the season and secured an important victory over a sectional opponent by splitting its two games last week.

After claiming its first victory of the season against host Norwood Young America to close out August, the Panthers opened September by improving to 2-0 against teams from Section 2AA by sweeping host Sibley East 25-23, 25-21, 25-19 on Tuesday, Sept. 6.

Maddie Monahan led the way for GSL with nine kills and also posted 11 digs, two assists and one service ace.

Rhyan Herrmann also registered seven kills with 13 digs, while Rachael Popp led the Panthers with 14 digs and two service aces. Lexi Hansch put up 10 digs.

The match marked a return to the court for Jessica Lemke, who missed out on GSL's first two contests due to a sprained ankle. She tallied nine assists and five digs on the night.

"It was great being out on the court and being more involved as a teammate," Lemke said. "It's hard to sit and cheer on the bench when you want to be on the court and making plays."

The GSL High School gymnasium was electric two nights later as the Panthers

hosted main rival Hutchinson in front of a standing-room only crowd.

While the hosts came out charged up, the Tigers held on during a spirited first game and emerged with a 25-18 victory.

Game two remained close throughout, with GSL holding a brief lead during the middle points before Hutch rallied and held fast to an eventual 25-20 win.

Any Tiger hopes of a sweep were dashed by a proud Panther effort in the third game as GSL built a slim lead early and held on throughout to claim a measure of momentum with a 25-21 triumph.

However, in the end, it was the visitors that went home happy. Hutchinson seized a 6-0 lead to open the fourth game and, battling against a defiant Panther effort, held on for a slim 25-23 victory that claimed the match three games to one.

"Hutch is always a strong team, but we played very well against them," Lemke said. "We might not have come out with a win but we did play hard and never gave up. We were down by six points and pulled together on the floor and fought to get back in to the game. It made us a strong team."

The Glencoe-Silver Lake girls' soccer team fell to 2-3 on the season last week after back-to-back shutout losses at home to Mankato Loyola and Holy Family Catholic.

After opening the season with consecutive 4-0 wins at Worthington and Rocori, the

Panthers have yet to score a goal on their home field at Stevens Seminary Stadium as the 7-0 loss to the Crusaders and 8-0 setback against the Fire on Sept. 6 and 8, respectively, compounded a 7-0 defeat against Mound Westonka on Sept. 1.

GSL goalkeeper Destiney Exsted was busy in the nets

against Holy Family, making 30 saves. She now has 57 saves total against Wright County Conference foes.

The Panthers were back on the road with a matchup at Waconia on Tuesday, Sept. 13, after the Chronicle went to press. GSL returns home on Thursday against Watertown-Mayer.

## GSL youth footballers get a taste of 'Friday Night Lights'

kind, charging back down field to take the lead for good on Christian Kurth's third touchdown of the game to head into the fourth quarter with a 21-14 edge on the Panthers.

A second Schauer interception, this time of an option toss near the Tigers goal line, temporarily prevented the visitors from extending their lead.

However, after GSL came up short on its next drive, turning the ball over on downs at the Hutch 21, the Tigers expanded their edge to the would-be final margin of 14 points on three Nelson runs of 70, 4 and 5 yards to go up 28-14 with just over three minutes remaining in the contest.

The Panthers' final drive ended in a fumble and a turnover before Hutchinson ran out the remaining moments of the game before Tiger players headed onto the field to retrieve the "Battle of

the Cats" trophy that had resided in Glencoe since the Panthers win last autumn.

Tschimperle hopes that the trophy does not become a permanent Hutchinson resident.

"It's disappointing that we won't be playing them for a while," he said. "These are two communities that really support and follow their teams."

"The atmosphere and the spirit of rivalry was really great at Friday's game, and I think we're all going to miss that."

Statistically, Spencer Lepel led the way with 69 yards on nine drive-sustaining carries. Streich logged 63 yards and one score on 15 carries, while Michael Forar ran 17 times for 55 yards.

Frahm completed six of 11 passes for 47 yards, including the 20-yard touchdown toss to Kantack, four throws to Kyle Christensen for 23 yards and one throw to Lepel for four

yards.

Defensively, Ben Donnay logged a team-high 13 tackles, followed by Peyton Sell with 11 tackles. Four of the tackles for both Donnay and Sell were solo stops.

Tyler Ehrke had nine total tackles, seven of which were solo.

The Panthers now head out for their first road game of the season, with a trip to Annandale on the schedule for this Friday night.

The Cardinals are 1-1 on the season, though undefeated against Minnesota teams. Annandale lost to visiting Pierz, South Dakota by a 26-6 score on Sept. 2, and then pounded Holy Family Catholic 47-16 on Sept. 9.

"Annandale is a very good team that always gives us fits on defense," Tschimperle said. "They have a new and very effective passer at quarterback and a wide receiver that catches everything."

paced GSL, as she also notched 19 digs and one service ace. Lemke's 22 assists led the Panthers and she also posted 14 digs and five kills.

Popp's 22 digs were tops for the hosts, while she added eight kills to the home total. Hansch had a team-

best two service aces with 15 assists and 19 digs.

The Panthers hosted Mayer Lutheran on Tuesday, Sept. 13, after the Chronicle went to press, and will play at Litchfield Thursday night before competing in the Her-

itage Christian Tournament in Maple Grove this week-

end.

Following their first tournament of the season, GSL returns home to take on Rockford on Thursday, Sept. 22.

"There's a lot of season left to become stronger as an all-around team," Lemke said.

## Prophets of Hope

When I first began to work with the Spanish-speaking people of the diocese I did not speak a word of Spanish. Little by little I struggled on my own to learn the language. I took a class in Spanish from a friend in the seminary. We met one hour a week for four months, and then several years later I had the opportunity to be tutored one hour a week for a month. I studied and practiced on my own, and sometimes it was a real struggle to do what I needed to do. Little by little I became more comfortable with the language. During that time of struggle and learning, I often thought of Pentecost with envy. The apostles didn't have to study, struggle or make horrendous errors, but were given the gift of being able to speak in whatever language was necessary at the time. I longed to be filled with that gift of the Holy Spirit. Any of you who have tried to learn a new language can understand those feelings.

We sometimes forget exactly what the gift that the apostles received was. It was not the gift of being able to converse easily in a language they did not know, it was not a sudden opening of their intellects to the intricacies of another language, but as the Acts of the Apostles tells us it was the gift of being able to proclaim the mighty acts of God. It was the gift of being able to proclaim the saving work of Jesus to those waiting and longing for the Good News of salvation. The gift was not just an ability to speak, but these confused and frightened disciples of the Lord suddenly knew what their experience of Jesus meant, and were anxious to share it with the world. The holy wind of the Spirit blew away their fear, and the fire of faith burned so brightly in them that they could not help but proclaim Jesus' mighty and saving deeds. The gift of the coming of the Holy Spirit gave them a mission and set them on a path of sharing the power and love of Jesus with the world.

We live in a world longing for healing, peace, mercy, justice, goodness and meaning. We pray that the Holy Spirit might make us joyful and convincing witnesses to the plan of God for our lives, the presence of the new life of Jesus among us, and living signs of hope in the daily struggles of life. Along with the whole Church we pray: Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love.

This weekly message is contributed by the following concerned citizens and businesses who urge you to attend the church of your choice. To be added to this page, contact us at 320-864-5518.

Motion and second to approve the third reading of Ordinance 595 by Ziener and Dietz. All members present voted in favor. Ordinance to be in force upon publication.  
Hearing opened by Mayor Wilson. Justin Black, SEH, presented the Feasibility Report for the Hennepin Avenue ADA Improvements. The proposed project includes complete replacement of sidewalk along the east side of Hennepin Avenue between 11<sup>th</sup> Street East and 13<sup>th</sup> Street East to meet ADA standards and partial replacement of water main, along with associated road and utility restoration. The project area is along a trunk highway and the MN Department of Transportation has a direct involvement in the project as both regulator and provider of partial funding.

Proposed assessments, cost estimates and proposed schedule were presented.  
Public input concerned access to businesses and property owners concerns of length of time for project completion and if street parking would still be available.

Councilor Perschau motioned to close the hearing. Councilor Robeck seconded the motion. All members present voted in favor.  
No further action was taken at this time until funding sources can be identified.

Justin Black, SEH, reviewed the Pryor Avenue Storm Sewer Structure quote. This project consists of constructing a manhole structure with a stop log weir to prevent stormwater backflow from entering the Central Watershed from the East Watershed area.  
The elevation in this portion of the East Watershed is now several feet higher than it was in 1997 and it has reached a point where water is flowing backwards from the originally intended flow and is now entering the Central Watershed through the North Central Ponds. This is creating an additional burden for the Central Storm System.

Jul Contracting had the low bid of \$17,889.00 to install the structure. Discussion and questions led to a motion by Councilor Perschau to approve the low bid of Jul Contracting for \$17,889.00 for the installation of this structure contingent upon permit approval of Buffalo Creek Watershed District. Councilor Dietz seconded. Members present voting in favor Dietz, Ziener and Perschau. Member Robeck voted no. Motion carried.

Justin Black, SEH presented the Feasibility Report for the 2017 Baxter Avenue Improvement Project in which existing conditions and proposed improvements along with estimated costs, proposed assessments and proposed project financing were reviewed.  
The City and SEH will also be working with TC & W Railroad regarding railroad crossings within the project as well as the crossing on Hennepin Avenue.

Councilor Perschau motioned to accept report and set the public hearing with the following resolution:  
RESOLUTION NO. (2016-28)  
RECEIVING REPORT AND CALLING HEARING ON IMPROVEMENT  
WHEREAS, pursuant resolutions of the council adopted March 21, 2016, and August 1, 2016, a report has been prepared by Short Elliott Hendrickson Inc. (SEH®) with reference to the improvement of the following streets:

Baxter Avenue from 12th Street to 7th Street  
Chandler Avenue from the railroad tracks south to 10th Street  
Elliott Avenue from 12th Street to 10th Street  
Ford Avenue from 11th Street to 10th Street  
12th Street from Baxter Avenue to Greeley Avenue  
11th Street from Elliott Avenue to Ford Avenue  
10th Street from Baxter Avenue to Chandler Avenue

9th Street from Armstrong Avenue to Chandler Avenue  
8th Street from Armstrong Avenue to Chandler Avenue  
6th Street from Baxter Avenue to Chandler Avenue  
Fairway Drive from Pleasant Avenue east and south to First Street  
Fairway Circle

and this report was received by the council on August 15, 2016, and WHEREAS, the report provides information regarding whether the proposed project is necessary, cost-effective, and feasible,  
NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF GLENCOE, MINNESOTA:

The council will consider the improvement of such streets in accordance with the report and the assessment of abutting property and properties for which benefit can be attributed for all or a portion of the cost of the improvement pursuant to Minnesota Statutes, Chapter 429, at an estimated total cost of the improvement of \$5,575,000.

A public hearing shall be held on such proposed improvement on the 6th day of September, 2016, at the Glencoe City Center at 7:30 p.m. and the city administrator shall give mailed and published notice of such hearing and improvement as required by law.

Councilor Dietz seconded the motion. Upon a roll call vote members present voting yes were Perschau, Ziener and Dietz, Member Robeck voted no. Whereupon said resolution was adopted and approved.

Kelly Mahon, President, James Voigt, Treasurer and Jon Dahlke, Secretary presented the Fire Relief Association 2017 funding request. The request is for city funding of \$26,983.00 for the 2017 budget which reflects a 7% increase over 2016.

This will be further discussed at Finance Committee Meeting as part of 2017 budget process.

Justin Black, SEH presented the notification of the MPCA issuance of an Administrative Penalty Order to the City of Glencoe for violations of Minnesota's environmental requirements as a result of MPCA site inspections on May 9, 2016. Fines totaling \$6,794.00 for the violations on the Armstrong Avenue Project were reviewed.

SEH, as the responsible party for the monitoring of the project, will reimburse the City for the costs of the fine and bring the matter to a close.

The contractor was also fined for their part in the APO violations.  
Motion to approve payment of the city bills by Member Perschau, seconded by Member Dietz. All members present voted in favor.

Mayor Wilson called for adjournment at 8:05 p.m. Member Robeck motioned with second by Member Ziener. All members present voted in favor.

The above minutes are the official actions taken by the City Council. The complete minutes are on file and available for review in the office of the City Administrator.

## City of Brownton

**Brownton City Council Meeting August 2, 2016, 7:00 p.m.**

Mayor Schwarze called meeting to order with pledge of allegiance.

Resident Jeff Sears asked if bagging his lawn clippings into bio degradable bags would be accepted at the dump site to which Council approved.

SEH Engineer Rodeberg presented the finalized engineer agreement for the infrastructure project. Project kick off meeting for SEH, project managers, and the City of Brownton is scheduled for Sept 19.

Public Works Draeger's monthly report included, monitoring rain, mowing grass, and pumping water due to rain. Draeger reported cost to replace the grader tires at \$7,793 for 6 tires. Rodeberg and Draeger met with Hutchinson Utilities regarding trucking Brownton Bio Solids to HUC.

Police Chief Bauer reported progress on PD work out area. He also quoted \$1600 for a phone amplifier for the camera system in the Community Center. They continue to work on the blight issues on 1st Avenue South along with a collective list of other issues requiring their attention.

Mayor Schwarze reported the Fire Department roof is leaking again. Council will investigate.

Zoning Ordinance was amended to include buildings over 200 sq ft need a building permit.

The 457 Deferred Compensation Plan was approved by Council for City of Brownton employees.

Annual Eheat Contract (Heartland) was approved for upcoming 2016/2017 heating season.

Council approved the Agreement and Resolution for a mutual disaster recovery plan with MMUA.  
City Attorney requested a \$20/hour Rate Increase; Council discussed tabled the decision until December.

A retainer proposal was brought to the table from Independent Contractor Mike Kumm for Natural Gas and Electric representation; Council declined at this time.

2017 Preliminary Budget was presented to Council for review. Council wishes to keep the budget flat if possible, but did approve an initial increase of 1.53% over 2016 budget.

Special Working Meeting is set for Tuesday, September 20, 5pm to work on the variance process, solicitor's license process, employee benefit policy, and any changes to 2017 preliminary budget.
